Open Letter to iHeart Podcaster on 'Finding Your Life Calling'

by Sterling D. Allan, 228033; uscf; AHS2-1035 (Max. Solitary)

Aug. 11, 2026

Dear (Sorry, I didn't catch your name) iHeart Calling / I♥Calling,

I heard your ad for your podcast last night around 8:30 pm on SLC's KNRS radio. If I heard correctly, your podcast is about helping people find their life calling, teaching tools to facilitate this.

Compliments on the ease of your voice, confidence, humility, listerability. I'd say you have perhaps the best female broadcast voice I've heard. Clear, good volume, articulate without sounding forced, great-sounding voice, sweet, intelligent, caring, soft passion—not obnoxiously zealous.

What really caused me to perk up was your subject matter. For a good decade, I've been passionate about the cause of helping everyone find and fulfil their life calling. So, as a minimum, I would love to be able to correspond with you on our common cause, to compare notes and collaborate in our efforts. You surely have insights that would benefit my message / approach, and vice versa.

To illustrate my ^(8/29/24)passion for this, here is a mission statement I proposed a couple of years ago[^] for the SOLID program here, which is getting international attention:

"S.O.L.I.D. stands for Successful Offenders Leadng Incr-
mental Development. We are an inmate-run therapeutic community with staff support that facilitates becoming model citizens while yet in prison, as well as fostering continued advancement once out, to make the world not only a better place, but an amazing so-
ciety. We do this by finding and embracing our unique missions

in life, all-in, for good; synched up with divinity, working together as one."

I changed Earning → Leading; and Individual → Incremental (Increasing).

I pushed hard, but didn't get it adopted. Too much emotional attachment to the one they came up with (not nearly as good), that has many parallels to mine. (I was not aware they already had one when I composed that one.)

In recent years, I've distilled it to a four-word motto: "all in (with your unique mission), synched up (with divinity in all you do)."

«BTW. You've met some amazing people in your life, and you certainly are aware of many others around the world who exemplify ideal living that makes a huge difference in the world. Drawing from that experience and awareness, you are in a good position to help me find the best partner to accomplish the mission I was born to do, to help prevent society from crashing to the rock-bottom Marxist 666 hell on earth to which we are presently on the brink of. We do that by getting enough of society to repent - to turn back to God, goodness, Freedom, and righteousness - pre-emptively. And not only to avert that catastrophe, but we go straight to the kingdom of heaven on earth, instead. We're also on the brink of pulling that off. Over my lifetime so far, I've been gradually pulling together the pieces of how to manifest this so powerfully that not only do we get a majority of the 8+ billion humans, but we approach reaching nearly everyone, including even some of the ultra-evil ones. In this article to you, I'm going to plan on summarizing how we pull that off. And finding and fulfilling one's mission is a central theme / pillar of pulling this off. That's why I was so keyed in to what I heard you say your podcast is about last night. We're speaking the same language that way.

So, as you read what I've written here, I'm asking you to reflect on all those ~~amazing~~ amazing people and jot down names that come to

mind (intuition/divine), then narrow the list down. Include yourself in the list. In the end, I wouldn't be surprised if you find that you're at the head of the list as an ideal partner for me in this quest. »

Back to the "all in, synced up" motto, I see those four words describing what it takes to become a joint heir of Christ — Church of the Firstborn (CHFFB). I've never had anyone challenge me in saying that. It's solid, common sense (an intuitive ringer, "of course" feel). And note that half of those four words relate to finding and fulfilling your unique calling in life. Check out this verse from Eph. 4:1

U

"I therefore, the prisoner of the Lord, beseech you that you ye walk worthy of the vocation [career] wherewith ye are called"

That occurs near the end of p. 1483 of the Bible published by The Church of Jesus Christ of Latter-day Saints. 1483 is the ASCII sum (computer-keyboard character numeric values H=72, e=101, a=97... space=32) of "Heavenly Mother". I discovered the Alphabetic^(A+B) code in ~March '95 and have been enlarging in my skill to notice patterns my whole life. It's a gift I have from God. Page 1483 of Strong's Exhaustive Concordance of the Bible ©2007 (Stri'07) is where definition H^{draw}1483 (~lionsess) occurs alphabetically — blaring that a key purpose of the code is to help find her, veiled here on earth.

Therefore, that your podcast is assisting people do Eph. 4:1, on p. 1483 of the Bible makes you a super-likely ringer / fulfillment of this hunt/guest — the bride of the Lord (Isa. 54:5; 49:7; 41: 24, 26; Jer. 33:16 "she" = "the Lord our righteousness")
Jed 2:16 — on p. 1135 [H^{seek} 1135 = "wife"]; 2 Ne. 6:13, 14 [p. 69 many more. Yes, the "Church" is the macrocosm-level bride, but there is also a microcosm-level individual female to play this role through the Millennium.

Wow, I got right to the punch line / point, didn't I. U

We don't have time to waste, with the planet being on the brink. There's a lot to do in a very short period of time. We can do it, but we're going to

need to be "all in, synced up" to be guided by God to pull this off — to accomplish the "impossible" (Alot — Foundational understanding of the Millennium: with God, nothing is impossible).

Before you shy away, saying "There's no way I'm Heavenly Mother," let me make a case for why that knee-jerk human reaction (culturally trained — God is _____, and I'm not _____) is actually good for you to have. You can relate to the rest of humanity who feel the same way ^{they encounter} when? Ps. 82:6 "I have said, Ye are gods: and all of you are children of the most High." Then Paul enlarges on that in Rom. 8:17: "And if children, then heirs, heirs of God, and joint heirs with Christ." The prerequisite to achieving that designation is that 4-word motto that would benefit everyone alive to adopt as their motto: "all in, synced up." Everyone alive can do that. There's no one that can't repent and become fully aligned with God. Jesus covered everyone's sins — if we'll repent.

"But," you might protest, "It's one thing to achieve the 'god' designation you just described," but to be the Heavenly Mother? Incarnate? Whose heard of such a ~~the~~ thing. No one is ever looking for such a thing. Isn't that the height of blasphemy?" I testify to you that this is a crucial part of God's plan in ^{these these} ~~the~~ end times.

Your embracing this role is to serve as a model for the rest of humanity — not withstanding all their shortcomings, sins, mistakes, weaknesses, foibles, evil deeds — to repent and embrace their divine potential — not eons hence, but now, in the flesh, becoming joint heirs.

"Joint" is an equality statement — Fellow member of the body of Christ (see ^{eg} Eph. 4:3,4 following verse I cited earlier). D&C 88:107 comes right out and says it: "the saints [ChofFB] shall be filled with his glory, and receive their inheritance and be made equal with him." (See also D&C 130:1.) In John 17 Jesus prays that his disciples will become one with God, even as he is one with the Father. The Good Shepherd of the Millennium will be a unified body of all of us

working as one. I see there being 125 million by the first year of the launch - which, if you stop w. fully engaged, ^{presently} is slated for 9/25/26. There are a lot of great reasons for that date. And there's a preparatory event slated for 8/27 a month prior - a little more than three ^{weeks} from now (s/u).

Let me address what is likely (don't know) to be a key sticking point for you (actually there are several, which I'd get to). One of the gifts of the Spirit that the joint heirs will have access to, if they want, will be to receive the Jds 33:25 (11:17; Ps. 103:5; 116:8; 118:12, 18; 119:144; Rev. 21:4; John 8:52; Prov. 12:28 ...) renewal to a youthful, perfected body - if they want to live through the Millennium. I'm guessing most will want that: Resurrection w/o dying. [¶] 1000 years is a long time. What about those who are paired in less than ideal marriages? Do you think God expects them to put up with that for a thousand years? ~~I~~ Don't. I believe (with lots of backing, similar to all the references I just gave for the Jds 33:25 renewal) that God is going to allow what I call "Righteous Marriage ~~At~~ Realignments" (RMR) - a sort of baton pass, of people on the same team. [¶] My most recent article goes into this at length: "(8/9, 10) AB Scriptive Code Analysis on RMR" (spelled out; 14 pp). For example, the ASCII sum of "Righteous" = 954, and n. 954 of the Bible (Jer 8:10-9:5a) is depicting the people of God in a very wicked state, full of arrogance, ^{when} ~~Forgoing~~ perty, when they're not. The page opens with the string, "Therefore will I give their wives into others". The ASCII sum of "Righteous Marriage Realignment" = 968. $2968 / 10 = 296.8$. Several of the 29:7 instances of the scriptures relate very well, similar to the one I just showed you. BTW, Jer. 8:10 goes to 8/10, the day I ^{I found out that} found out about you, and the day ^{the} the previous candidate opted out - because of "RMR" issue. I found that out after I mailed that article off. 8/10 was super auspicious in the code. So your coming on my radar that day is very significant. Another kind of baton pass. Here are some 29:7's of strong resonance: Ps. 29:7 drowns the flames of fire; Bala 29:7 cannot ^{currently} ~~was~~ be learned on reliably; Mch. 29:7 if there should be ^{another appointed} ~~another appointed~~ on his stead, I fear there would raise contention [need to avoid / prevent, do presently];

Jer. 29:8 seek peace [until]; Isa 29:7 (empty soul in ^{non-ideal} bad marriage); 3 Mc. 29:7 (present husband doesn't believe in miracles like I do, as you'll see throughout this piece); D&C 29:7 (gathering of the elect is our calling); Gen. 29:7 (story of ^{Jacob} ~~Joseph~~ meeting Rachel)...

Oh, and predicting that Heavenly Mother in the Flesh (HMITF) will be thus, ^{RMR} p. 297 of the NT is p. 1483 [= "Heavenly Mother"] of the Bible that I cited earlier, with Eze. 4:1 on it, which ties to the subject matter of your podcast. p. 297 of the Torque Combination (BoFM, D&C, P&W) Index '13 has ~~the~~ two entries: "Right see also ^[marriage] Right Hand; Righteous (ness, ly) [RMR].
↳ whose right it is (Sheloh / Shekiah)

Another sticky point for you is likely to be my being in prison (I'll get to that, next) — in Max, solitary. What did I do? The candidate I was pursuing prior to the one that fizzled yesterday, when I found out about you (God's timing) was of the "taboo" classification for a minute. That's why you see a huge void of articles from Nov. ^{until} ~~until~~ now in my blog. ~~Before~~

Some of the other amazing ladies I've pursued, do no avail, have included Karoline Leavitt, Kari Lake, Tudor Dixon, Kristi Noem, Lauren Daigle.

Why am I deservedly in prison (now ^{time served}, over-charged)? My predilection came from something that happened to me when I was one. My parents went to SL ^C for a 3-day Bishop's training outg. and put a 14-year-old, male hippie baby-sitter in charge of me and my two older sisters. ^{According to my oldest sister,} "He was having them take their clothes off down to their panties. My one memory (still quite ^{clear}) is of a male in a ~~gray~~ dark green polo shirt leaning over me (on changing table?). ~~Q~~ What I'm prison for is doing to my 2-year old daughter close to what ~~apparently~~ occurred to me at one. However, I didn't actually do what ~~I~~ I confessed guilt to in my trial and plea bargain. ~~I~~ I did kiss up her leg but stopped before I got to her vulva. In the lie detector test that I volunteered to take, they were pressuring me: "Are you ~~sure~~ sure you didn't —?" [¶] I was nervous, so replied, "I don't think so." "Are you

sure? All we have without this are misdeemeanors. ^{fawn} & In fawn/freeze mode (not in my clear, conscious thinking), I actually wanted them to get what they were looking for. (Probably a tactic they use, on purpose, to snare people, creates false memories). Finally, I said, "Maybe I did." They had me. Two counts (distances), 2 x 15-15 = ~~15~~ 30-to-life sentence for "attempted sodomy upon a child" (mouth to genitals is included in the sodomy definition). And I didn't actually do that. This became clear to me later as I thought back on it. The look of confusion on Emilee's face, and my screaming conscience stopped me ^{just} before I got to her vulva. I'm sure now that I didn't do what I confessed to doing in the lie detector test and in my sentencing. What I did do is horrible. I do believe I deserved prison.

How does that comport with what I believe my mission to be? It is a screaming contradiction. I fully agree. But wait that time of everyone, going against what they know to be right, sinning against God? (Ps. 69:5)

Jesus mission was to be the sinless sacrifice. That's not my / our mission ^{includes}. Ours is to fall and be redeemed, overcome, like everyone else. And to not let our sins / failings keep us from repeating and stepping up to what we were called to do, as exemplars for humanity to do the same.

I came to prison on 6/22/2016. OT def. H 622 has a group of about 10 defs shortly before it that all mean "prison(er)" except one that means "gather" & that cites H 622 as its root. NT def. A 622 means "mur". ^{any} Not only that relates to my reputation — more than any man (Isa 52:14). ^{only} Not only am I a "pedophile" — the worst of the worst in people's mind — but I also think I'm Heavenly Father incarnate. It doesn't get more despicable than that. Most everyone is not willing to forgive that, even though Jesus, after The Lord's Prayer, said that those who do not forgive will not be forgiven. Especially the conservatives love to hate pedophiles as the absolute worst: "unforgivable". Didn't Jesus say to tie a mill stone around their neck & drop them in the midst of the sea? TX & FL gave the death penalty, and UT is considering it.

I believe God is going to completely heal me, so I no longer have that pre-

dilection but become strong where I was weak. Some prophecies about this include
 Isa. 52:15-19 (17 addit) & 3 He. 21:10 "I will heal him" - the ^{marked} marked servant; Ps. 38:2. The trials
 I've learned and employ have given me significant mastery as well.

That one is the primary point of turning people away from taking my writings
 seriously, too big a contraction. They don't take Jesus' power to account. They claim to
 believe in him and ⁱⁿ repentance - except ~~this~~ this.

You've got to be able to be an example of believing in repentance and in Jesus
 power to fully heal. That's probably the biggest obstacle here. Not easy. The stigma
 on this one is massive.

The Greek characters that spell Jesus to gematria sum = 888 -
 full free. NT def. 888 means "useless" - which is how he was treated by/con-
 sidered by the Jews. It tries as an antonym to the last/omega [end] def. in
 the lexicon: "a 5624 useful" - Jesus is how we become the most "useful,
 serviceable, helpful, profitable" - the four I know areas that combine to a Person
 finding what they were born to do - ^{much} more on that later/elsewhere. (ties strongly
 to your podcast emphasis.) OT def. 888 is similarly unsavory and de-
 rives from "888" morally offensive ["sex offender" is ~~at~~ how we're classified
 in prison], loathsome, stinking sewer, abomination, smell utterly. Jesus is how
 that is healed.

In the coming days, as the whole world sees me (& you?) performing
 massive miracles that display the power of God in an undeniable way, ^{they're} ~~there~~
 going to ^{realize} realize that, yes, even ^{scumbag} scumbag pedophiles can repent and do great things.
 That's going to give them hope that they, too, can ^{turn} ~~live~~ turn their ^{lives} life around and do
 great things.

~~I can't wait until~~ I'm looking forward to seeing you in person. I bet you're
 very pretty. Please tell me about you, your profile, books? website? social media
 stuff, family, hobbies, music? Problem is, the prison mail only allows 5 pages
 at a time, one-sided, in #10 envelope. One way around that is to mail as a
 business, legal entity, govt. So as I describe the next section here, think of

how you can tie in to e.g. my legal case, because then you can relay stuff through my attorney friend who I've been asking to take on my legal representation. He hasn't responded yet about this. The letter I got from him last night indicates he's ultra busy right now. Maybe you have attorney ^{connections} that might take up my case/situation?

Please ask ^{Urnan} ~~Sid~~ Atty. Sid ^{Urnan} (Facemeyer & Assoc.; 2155 N. Freedom Blvd.; Provo, UT 84604 sid.urnan@gmail.com cell 801-318-7609; (w) 801-705-8484; home: 733 E. 300th., Orem, UT 84097) to send you:

I tend to get a bit zealous in my pursuit. If this is unwelcome, please let me know. Ask me to tone it down. Set some boundaries. Like I said in the beginning, at a minimum, I'd like to have a congenial correspondence to collaborate our efforts. You see the ultimate that I see for this. It's a huge ask — help me save the planet from crashing to rock bottom, as my partner.

So far far, "none to answer" continues to prevail, which leaves society on track for rock bottom 666 "666 abuse" — not stepping up.

I look forward to hearing back. As to, please.

Love,

Steve
