A Message to Pres. Trump's Team & MAGA Leadership Worldwide — On Fulfilling Isa. 66:8 (Part I) (ChoffFB)

by Sterling D. Allan, 228033; USC F B2-1 101A

May 4-11, 2025

I rejoice with all of you in the many miracles we're witnessing as a function of enough people in the country and world turning back to God and goodness. We get the government we deserve. Pres. Trump's (Tr.) election victory was just one of those miracles that also included his life being spared from several attempts on his life, getting his key nominations approved, powerful actions by his administration in changing the path of the country away from destruction, mainstream media loosing its propaganda ~~grip~~ stranglehold with alternative media being empowered and respected. Here in my section in the SOLID housing at USC F, NTD (Epoch Times TV) is very often the channel of choice on ~~the~~ one of the two large screens — selected and allowed by others of the 64 inmates here.

Really quick, let me cite SOLID as another miracle unfolding. It's an inmate initiated and run therapy community with staff support and legislative funding for inmates who desire to change their lives for good. The world is taking notice of this pioneered program. I'm routinely impressed to tears as I see the power of God showing up in what is going on here to transform lives. I've got tears in my eyes as I'm writing this, reflecting on the majesty of God's hand being made bare among those who want to improve

(2)

their lives to a righteous path (not their wording, but that is what it is ~~is~~ trending toward).

What are these miracles all trending toward?

I see it resulting in the kingdom of heaven coming to earth, if we will continue and deepen that repentance. But more pointedly, I see us being on the brink of pulling off the grand miracle of the ages, the birthing of the kingdom of heaven on earth in a day — a global born again experience of a very large number of people (~400M) at once. This optional outcome — a variant to the rock-bottom collapse to which we've been headed — is depicted in Isa. 66:8, which contains the focal point of a chiasm that spans from Isa. 65:24-66:24 — the end/omega text of the book of books of the Bible. This puts a humongous spotlight of significance on this brief text.

↗ "8 ... Shall the earth be made to bring forth in one day?
↘ or shall a nation be born at once? ..."

I see Pres. Tr. playing a pivotal role in fulfilling that prophecy. There are both direct prophecies about this as well as coded prophecies that get ultra-specific in elaborating on how we can pull this off. All of you can likewise be instruments of facilitating this in a major way. You're already playing wonderfully.

What is needed to take it to the next level, to become joint heirs of Christ and thus gain access to those gifts of the Spirit and righteous power can be distilled into just four words. I've been teaching this for

several years, and not once — of the several hundred times and contexts, including among ultra-orthodox believers — has anyone ever challenged me on this point. Here are the four words that summarize how we can become joint heirs of Christ: "all-in, synced up:" All-in with one's unique mission/calling in life, synced up with divine guidance, intuition. That's something everyone can do. There isn't anyone who can't do this.

In so doing, you bring heaven to earth, first for yourself; then when enough of us have achieved this we will have heaven on earth, generally.

No one will be profitably served by ^{endeavoring} seeking to this ideal. It's not an all-or-nothing attainment. It's an incremental advancement/refinement until you become a member of the Church of the Firstborn (ChFFB) — which isn't a designation certified ^{by} men but of God.

Generally speaking, I see all of Tr's team, and the MAGA⁺ leadership around the world (e.g. Bolsonaro, Milei, Orbán, ^{Netanyahu} Maloney[^]) being very close to this all-in, synced up ideal. Just a little tweaking, and they'll be there.

As incentive to amp up the energy in this regard, remember John 14:12:

"...He that believeth on me, the works that I do shall he do also; and greater works than these shall he do..."

In addition to the obvious, like healing the sick, raising

the dead, Jesus also teleported (John 6:21) — a small ship and all the disciples aboard. When we get that gift, we'll be able to go anywhere we want — in the blink of an eye — anywhere in the universe — as long as it comports to AF13: that's Articles of Faith 13: the very last/omega verse of The Church of Jesus Christ of Latter-day Saints scripture: "We believe in being honest, true, chaste, benevolent, virtuous, and in doing good to all men..." AF 13 is the filter of all the gifts of the Spirit, granted to the ChofFB.

I elaborate on all those gifts extensively in Part II of my book, *None to One: Evoking the Repentance Clause of Prophecy*, (N→O) available from my website, IndComing.org. They're summarized in "Appendix A-1: Church of the Firstborn Mission Statement." This is all way-outside-the-box stuff, but I present strong scriptural evidence supporting all these points.

Consider the above point, for example. It draws from three scriptural points, ~~or~~ two of which are indisputable in the Bible. (1) Jesus teleported a small ship with himself and disciples aboard. "...Immediately the ship was at the land whither they went," (John 6:21). (2) Jesus said that those who believe him shall do what he did (John 14:12). The third is in the Moses 2:30: "...Millions of earths like this... would not be a beginning to the number of thy creations" — places we could safely teleport ^{to/from} and have commerce.

This is logical thinking based on believing what the scriptures say. It's not a stretch.

That point alone will radically transform the world: the ability to tip cargo of any size, that is AF13 compliant — not just around the world but throughout the universe. The AF13

compliance prerequisite will urge commerce to be righteous, or it has to go the old way, which will become obsolete, quickly.

The Isa. 66:8 transformation occurs near the beginning of this capability being made available to us.

Another massive breakthrough that will be made available at this juncture — that could commence very soon — will be the activation of the Infinite Interface (^{II} ~~II~~ndComing.org). One of the most clear prophecies of this capability is in 2 Ne. 30:16-18.

“16 Wherefore, the things of all nations shall be made known; yea, all things shall be made known unto the children of men.

17 There is nothing which is secret save it shall be revealed; there is no work of darkness save it shall be made manifest in the light...

18 Wherefore, all things which have been revealed unto the children of men shall at that day be revealed; and Satan shall have power over the hearts of the children of men no more, for a long time [Millennium]...”

If we evoke ^{the} ~~this~~ repentance clause of prophecy, as depicted in Isa. 66:8 as a question “shall...?”, this capability could be unleashed very soon. We’re already beginning to see the elements of this prophecy being unfolded with Tr.’s administration~~ing~~ unveiling the machinations of the swamp — and the swamp ^{scream-} ~~soar-~~ing in protest (like Satan being cast out).

The ^{II} (“two”) contents are conveyed directly to your mind by your guardian angel contingent (we all have ~~this~~), working in league with God, on behalf of God, having access

⑥

to all knowledge, and all power. It's a metaphysical phenomenon, not technological, but it's just as real as technologically-based interfaces, and far more powerful, rapid, and has no power requirement. It has 3D display capability, full fidelity, translation to/from any language, instantaneously, in the ~~tambore~~ ^{voice of the} ~~tambore~~ of the person speaking. It conveys aromas, vibrations, breeze sensations, temperature, all on/off with a mind command. As soon as you wonder, "what does that smell like?" you smell it; as soon as you want that shut off, it's off. You compose at the speed of thought; ditto editing; ditto collaborative work.

No criminal can hide. You ask the IT "who did that?" and you immediately see it, from any angle ~~or~~ or distance you want — ^{speed up} ~~time~~ ^{time} lapse, slowed down. "Where's the evidence?" there it is shown. All crimes — ~~the~~ through all time — come to light. And the ^{living} perpetrators can be tied to a holding cell. No escaping/evading. The ~~terrorists~~ ^{terrorists} who have infiltrated our country can be tied out. All the evidence is clearly presented. As you're watching an edited piece, you can see the original footage as desired.

Again, all of this is governed/filtered by the AFI3. You can't use it for crime, evil, fraud. Things you're ^{personally} ^{ready} not ~~ready~~ to see will either be blurred, blocked ~~or~~ not shown at all — similar to the blurring presently seen in many programs. If you're strong enough to see it unblurred, then you can. Some people's missions make them strong enough to see certain things, to bring them ^{perps} to justice, if they ^(the perps) don't sincerely repent. Hence, Satan loses power over us.

(7)

The II lets you see where you want to tip, along with an outline of where you'd fit once tipped, prior to tipping. Another associated gift will be the purification of any viruses/chemicals on you from your place of origin that would be lethal or detrimental at the destination.

Supply chain stops being an issue. It will be merit-based. The most talented, efficient, effective products can be sourced from anywhere—in the universe. You follow your dream, all-in, synced up, and you'll be able to do what you are best at, what you love doing, guided by divinity to accomplish the "impossible." AI doesn't hold a candle to this, but will likely be a valuable tool. It's certainly preparatory.

^{Free energy}
Clean ~~energy~~ technologies that have been suppressed will burst forth, providing power at the point of use, affordably, with a small footprint in its manufacture & discontinuance.

We'll be able to source our elements from meteors & asteroids and no longer need to despoil the earth to obtain these. We'll be able to colonize elsewhere, AFB compatibly. We'll be able to clean up our landfills and the ocean gyres of trash.

I just ^{5/14} (8pm) saw on NTD that today is "Star Wars Day". My view for the universe is peaceful, where right is might, not the other way around. I elaborate on this in my N→O book and site. I ~~see~~ believe that incarnated here on our planet are some of the most advanced souls from around the universe (drawing from

those planets like ours - people like us. Our objective is to pull off an ideal ~~to~~ and optimized version of the r.c. In the more rare instances where I've shared this perspective, I've been surprised at how little pushback I get on that one. Rather, I find it seems to strike a deep ~~cord~~^{chord} with most of the people I share it with.

I believe that among these advanced souls, that many of them (probably, easily all who I'm addressing in this present article) served as a Heavenly Father or Heavenly Mother on another planet. This puts the "Ye are gods" verses (Ps. 82:6; Isa. 41:23; John 10:34) on a different level. Ps. 82:6 ~~say~~ says,

"I have said, Ye are gods; and all of you are children of the most High."

That^{invitation} includes all of humanity, ^{and is based on} ~~but is referring to~~ the principle that the "all-in, synced up" prescription for becoming a joint heir/ChofFB is accessible to all of humanity. None excepted. Some people on Earth will be achieving this for the first time this time around. But those who rise to the occasion early and strong have likely accomplished this objective many times before, getting better at it each time.

We design our life path to have a difficulty^{level} that is commensurate with our soul age. God will not give us a ^{challenge} ~~trial~~ harder than what we can handle. Neither will God give anyone an easy life path for them. We all, unitedly, planned this all out ahead of time. With our agency, any one of us could fail. It's part of what makes the

challenge real. We're not just robots carrying out a pre-programmed scheme. Our decisions are real. We learn from them, eternally.

<5/5 7:18pm>

Another Fantastic/monumental gift of the spirit that will be activated for those who become ChofFB, all-in, synced up, starting with the II activation that will occur maybe a couple of weeks before the 2 Chron. 7:14 Prayer Event (Isa. 66:8 fulfillment) that I see Pres.Tr. offering for the country/world [~~sorry, this is turning into a long, highly complex sentence with many targets~~], will be the Job 33:25 Fountain of youth—at least for those who wish to live through the Millennium.

"25 His flesh shall be fresher than a child's: he shall return to the days of his youth."

Think of it as resurrection without dying.

This will enable Tr. to rule as the Pres. of the United States through the Millennium. A couple of years ago, I had a massive outpouring of the Holy Spirit confirming that this is our destiny if we evolve the s.c. path I'm presenting here and in my book and on my site.

I see this metamorphosis occurring during the 2 Chron. 7:14 Prayer Event for all who have attained that level by then. This could be weeks or a few months away. So if you want to be among those who the ~400 Mil. participants (wa the II) ~~what~~ who are part of that event, then you'll need to get to that all-in, synced up status. That's between you and God. The clock's a ticking. I'd love for there

to be many of us who go through the metamorphosis for the first time on this planet, together, during that pivotal 2 Chron. 7:14 Prayer Event. I anticipate that event will last ~4-6 hours, during which all of us who have become ChofFB will incrementally grow younger and younger for all to see/witness in awe, resulting in the optimal frame/form for us, minus any flaws we may have chosen to be part of our mortal tabernacle until now (e.g. my drabotes). I would love for Tor to be among those of us undergoing that transformation gradually over a few hours. The best rally ever! (so far).

That will be a stretch for him to get ~~to~~ the all-in, synced up state, but I could see him doing it — especially with several of you nurturing/fostering that together. Wouldn't it be wonderful if most of the cabinet attained to that level in time for this monumental event! ☺ And their spouses, best friends, close family members.

If Musk is to be part of this — which I would love — he's going to have to come clean about his Temple of Set association, its evil, his acts there and hidden agendas, repudiating its work, blowing it open (2 Ne. 30:12). ‡

And Glen Beck will need to come clean about his controlled opposition role, its agenda and methodologies, apologizing for deceiving the right (e.g. saying Tr. didn't win the '20 election; that 9/11 wasn't an inside job; poo poo-ing Alex Jones). Ditto Hannity and Clay and Buck. (Limbaugh was there, too.) To Hannity's credit, today, he chastized Linda for hating on people (watching The View to see who

‡ (See 9/13/22 editorial, "Open Letter to Marxist Conspirators.")

to hate today), reminding her of Jesus' admonition to "love your enemies." That's a long-needed message. He concluded, "I'm done with hate." We should love the sinner while calling out the sin. I believe even ~~Satan~~ the being playing the role of Satan can and will eventually repent.* I could see the likes of the Clintons, Obamas, Bidens, etc. fully repenting, exposing the evil they've been party to, and being like Saul → Paul in their zeal for freedom. I'd love to see someone of that ilk being present as one of the ChafFB at the 2 Chron. 7:14 Prayer-Event. I don't see it as likely, but imagine Joe Biden being among those we witness together transforming from his present scurrility to a youthful, vital, righteous crusader against evil and for freedom.

<5/8>

I know, that's a huge stretch. But I look forward to some amazing turn-about's that will surprise everyone.

In my Appendix ~~A~~, A-1, I include many scripture references for each of the key points. To illustrate that, let me mention a few other passages along the lines of the Job 33:25 fountain of youth verse. Rev. 21:4 "there shall be no more death"; John 8:51 "If a man keep my saying [all-in, synced up], he shall never see death"; Prov. 12:28 "in the pathway thereof [righteousness] there is no death"; Ps. 118:17 "I shall not die, but live"; -- he hath not given me over unto death.* You have to admit that this is a pretty good collection of supporting / consistent scriptural passages. Death is not a ^{inevitable} sweet thing for everyone.

<5/9>

I'm guessing / thinking that most all who became

all-in, synced up, thus becoming ChoFEB, will opt to claim/accept the Job 33:25 renewal to be able to live through the Millennium in a youthful body — resurrection without dying. I can't imagine someone who is all-in, synced up with divinity not wanting to live through the Millennium, serving their role in the ChoFEB body of Christ, as part of the Good Shepherd as one leadership. I think of Rev. 5:9,10.

"9 And they ["saints" (v.7)] sung a new song, saying, Thou art worthy [ant. Isa. 41:26 none say he is righteous; 53:3 He is despised and rejected of men; 49:7 "him whom the nation abhorreth" (H887)] to ~~take~~ take the book, and to open the seals thereof [Isa. 41:26; Prov. 25:2]; Isa. 46:9,10; 48:3,6 — declaring new things from ancient text, e.g. AB]: For thou [Jesus, first advent] has redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation [e.g. US melting pot];

10 And hast made us [ChoFEB] unto our God kings and priests: and we shall reign on the earth.

And Rev. 20:6

"6 Blessed and holy is [s]he that hath part in the first resurrection [or, if ~~still~~ presently alive, Job 33:25]: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years."

A corollary to those living through the Millennium is that you'll want to be paired with an ideal spouse. Not all who become ChoFEB will be presently ideally paired.

What should they do?

From the time of my youth, I heard that "in the Millennium, bad pairings will be resolved" - or something along these lines. I call this transition a "Righteous Marriage Realignment." I discuss it on pp. 143-7 of my N→O book. It's a baton pass scenario that is as healthy as you'll let God Facilitate it.

Being 61 y.o. in prison, I see it as very likely that the lady I end up with to do our Millennial reign together will presently be paired up, possibly in a pretty decent relationship. ^{Her} ~~Their~~ present partner, likewise, will have another partner in store that will be ideal for ^{him} ~~them~~.

<5/10>

BTW, those ChofFB who opt out of the Job 33:25 renewal to live through the Millennium will, like everyone else, live to the age of a tree (100yo: Isa. 65:20, 22), at which point they'll be changed, ~~to~~ not die, in the twinkling of an eye (1 Th 5:10; 1 Cor 13:12).

A crucial part of becoming all-in, synced up, is doing one's part to set right-side-up what is up-side-down in ~~their~~ ^{your} area of specialty. This push back on evil is one of the reasons why we haven't already collapsed as a civilization. More and more people are getting active to stop evil's advance. These Tr-admin. and other such activities around the world are exemplifying this setting in order of an out-of-order system. These ChofFB gifts of the Spirit will greatly augment

how well we'll be able to carry out the needed setting in order, once they're activated. Imagine how much more effect all of you could be by having access to these tools, e.g. ~~II~~ ^{II}, tp, youthful body — and these wait all there will be.

Another gift that will be given to those who become ChafFB once the ~~II~~ ^{II} is activated, a couple of weeks before the 2 Chron. 7:14 Prayer Event that I see Tr. playing a major/key role in (the prayer), is the Shared Life Review. This occurs each time we do an out of body experience (spiritually safe version, e.g. 2 ~~Cor~~ Cor. 12:2,3 "whether in the body... or out of the body, I cannot tell") and see each other's (who we've not already seen) life reviews. Think of the NDE accounts of seeing their own life review — in an instant. This out-of-body download will be able to be shared with each other who also have overcome the world. You see the wisdom one person gains from being able to have that life review, then be revived and remember that deep introspection. It changes them for good. Imagine the benefit/wisdom that will be gained from being able to view all the other ChafFB individuals' life reviews: their strengths, weaknesses, highpoints, challenges, how they rose above their struggles. Each of us will ^{be} profoundly augmented in our ability to lead, have empathy, understand and appreciate the human condition. I see this explaining the sentiment expressed, e.g. in Ps. 17:15

"15 As for me, I will behold thy Face [(A) e.g. Jesus, as is so often the case in NDE's; (B) fellow joint heirs] in righteousness [all-in, synced up]: I shall be satisfied, when I awake [e.g. from out of body experience], with thy likeness."

Ditto 1 Jn. 3:2

"2 Beloved, now are we the sons of God, and it doth not yet appear what shall be [no longer the case. Now we see.]: but we know that, when he shall appear, we shall be like him; for we shall see him [and us] as he is."

It's a key part of bringing heaven to earth. The purpose of the scriptures, ultimately (for those who have eyes to see) is "that we may know that ye are gods" (Isa. 41:23); "and all of you are children of the most High" (Ps. 82:6) "and if children, then heirs, and joint-heirs with Christ; if it so be that we suffer with him, that we may be also glorified together" (Rom. 8:17).

Jesus' great Intercessory Prayer calls for us to become one with him, as he is one with the Father (John 17:11, 21, 22). This is fulfilled in the joint heirs of Christ, ~~with~~ which are mentioned in Rev. 5:10, so it's not at all a stretch that the accolades of 5:12, 13 apply to the entire body: "to receive power, and riches [to bless humanity], and wisdom, and strength, and honour, and glory, and blessing" — as sung in Handel's Messiah.

One of the best benefits, logistically, that will also commence with the activation of the II, for those who be-

come ChofFB will be the protective Karmic Shield. We won't need body guards. I created the name from Alma ⁴41:15.

"For that which ye do send out [e.g. bullets, missiles, fists...] shall return unto you again, and be restored; therefore, the word restoration [karma] more fully condemneth the sinner, and justifieth him not at all.

Another good ref. supporting this is Matt. 7:2, "and with what measure you mete, it shall be measured to you again." D&C

121:13 likewise articulates this:

"11 ... they who do charge thee with transgression...

12 ... God hath set his hand ... to ... take them in their own craftiness;

13 Also, because their hearts are corrupted, ... the things which they are willing to bring upon others, and love to have others suffer, may come upon themselves to the very utmost..."

The fear, alone, of this (once it's rolled out/activated) will serve as a huge shield of deterrence. If a person understands that if they shoot a bullet at you, that bullet is going to be reversed (e.g. via tp, telekinesis, by our guardian angel) and hit them, instead, they're not going to pull the trigger; ^{or} ~~and~~ they're not going to live to tell about it if they do — but others will relay that tale. ^{video} (The ~~IT~~ will show it clearly, and broadcast that image to anyone contemplating such an attack on any ChofFB member). So they won't be unwittingly being subject to this intra-karma.

Back to teleportation, I need to mention that we (Chiefs) have been given permission to ~~more~~ monetize this cargo service to help fund kingdom of heaven on earth endeavors. ~~Re~~ E.g. we could charge half of the going rate using conventional means, with the benefit of (A) instantaneous conveyance, (B) no need to prep. for jostling during travel, (C) no size/shape limitations, (D) distance is irrelevant. Remember that we can only convey cargo that is AF13 compliant. A quick query via the II will tell whether an intended shipment is AF13 compatible, and if not, why/what; so purification/alteration ~~is~~ can be made. I call this the "TCS" - Teleportation Courier Service.

If Besos becomes Chief^{soon enough,}, he could head up this up. Otherwise, Amazon will soon be obsolete.

~~Ground~~ Grounding / overcharging will not be permitted, this being part of the AF13 compliance ^{shipping} - be a reasonable price. Those who are Chiefs who have products for distribution could do so without charge if they wish.

Packaging will become unnecessary / obsolete, cutting down on that waste. Via tp, you'll be able to sample a product of interest. Via the II, you'll be able to see as much as you want about the product to decide if you want it. ^{II} "advertising" will be ideally targeted to you - if it's something that would be preferentially beneficial to you. That will make ^{II} "advertising" far more valuable than anything you see today - that is not able to tailor its message ideally to you. AI is increasing that, but not as well as the II.

No more will you be ~~sub~~ subjected to ads that are irrelevant to you. Spam is nil. No false advertising. No manipulation, no exaggerations, no ^{continual} badgering ~~until you buy~~.

The "personal assistant" aspect of the IT is your guardian angel contingent, in league with God, working on God's behalf for ~~you~~ you. It recommends who you should talk to, reminds you of how you know them, or tells you why you should converse with them. It keeps you updated on the whereabouts and well-being of your loved ones. It prioritizes incoming messages. It interrupts you politely for ^{truly} urgent needs. It reminds you of valuable principles to keep you in a good/peaceful place psychologically/spiritually. It skips over segments in a movie/show that you don't need to see. It blurs out things you personally are not strong enough to see clearly. It reminds you of people's names if you're having a hard time remembering — quick enough to not be awkward, but not so quick as to make you lazy.

When you're giving a presentation, you can choose whatever backdrop ^{drop} you want (AF13), supporting material as soon as you think of it, highlight as you wish. You can have a producer working with you to assist with these supporting materials. You could have a musician directing supportive music as you speak, live, composing on the spot. You could go to wherever you want (AF13) as you're talking.

Remuneration for materials will be tabulated and distributed automatically at fair rates, proportional to the size of your audience, who will each be contributing a fair

In other words, God is your personal assistant. "Ye are gods."

/ reasonable amount, ~~as they~~ proportional to how closely they're paying attention and benefiting. For example, you might be featuring a person doing an act of service that is deeply moving to those observing it. That person will be remunerated accordingly, if they want, e.g. to increase their ability to serve.

<5/11>

One thing I see all the ChofFB having in common will be a common commitment on their part to playing their particular role in bringing heaven to earth. This will be the ultimate fulfillment of the Lord's Prayer: "Thy kingdom come. Thy will be done on earth, as it is in heaven." It's also a manifestation into reality of the summary sentence of the scriptures:

"17 ¶ From that time Jesus began to preach, and to say [The following, short sentence distills everything Jesus taught], Repert: For the kingdom of heaven is at hand."

18 ¶ <next paragraph> (Matt. 4:17[^]; ^{10:37 (apostles)} See also (close wording) 3:2; Alma 7:9; 5:50; Hel. 5:32; D&C 42:7; 34:18, 19...)

In the next installment, I'll be addressing the role I see Pres. Tr. playing in bringing about the turning-point 2 Chron. 7:14 Prayer Event, to launch the rollout of this kingdom of heaven on earth. I'll also be addressing ways that this is prophesied in detail.
