Sterling Daily (7/16/24): Musk Donating \$45M (mo. to Tr.); Moving X & Tesla to TX Over CA Trans Law

by Sterling D. Allan, 228033; USC F

July 16, 2024, Tue. News+ Highlights & [Commentary]

Alt Title

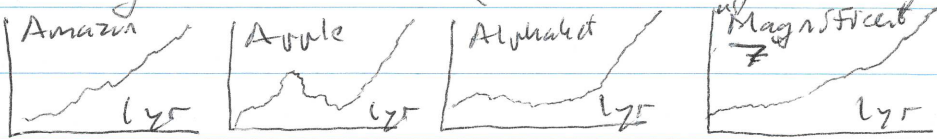

RNC Day 2: Fmr. Rivals Haley & DeSantis Endorse Tr.

Non-Denom. Print-out (Viola)

~~Harbinger's Daily~~

- **PNW** 7/15 Iran's new pres. is anything but 'moderate'. Iran has nefarious, wicked, and demonic intentions to develop nuclear weapons to destroy Israel and the West. ^{America}
- Fmr. Israeli defense minister urges Jews to flee France
- Netanyahu says any hostage deal will require Israel's fighting until war goals are achieved
- EU Poll: 96% Eu. Jews experience antisemitism daily; >50% fear for their safety
- **PNW** Kamala presidency would be death knell for US-Israel relations

News

- ^{4:30a Fed Res.} **Bus. 1st AM** Jerome Powell anticipates interest rate drop, given slowing inflation trend (and weakening economy needing boost)
- 
- ^{5a} **TND** Eric Tr. "In 48 hrs. go from thinking your dad could be dead to announcing he's been nominated Pres..." ^{secret service}
- USSS Dir. Kimberly Cheatle takes responsibility but not resigning [built in many 'plausible deniability' buffers — she thinks]
- Biden's sit-down interview w/ NBC's Lester Holt. Q. what about calling Tr an "existential threat" and putting him on the "bull's eye" — resulting in 7/13 assass. attemp.?

A. "I meant to say 'cross hairs'" [That's not a downplay, it's an exclamation point!] (2)

Biden behind by ^{at least} 2-3 pts in every swing state

- AT&T data breach class action suit filed
- Assass. victim fundraising page nearly \$5 mil.
- 30 min. prior, USSS knew of suspicious person using range ^{Fonder.} ^{removal?}
- RFK, Jr. to get USSS protection [to be complicit in sanctioned [^]]
- Biden has ordered an independent review of assass. attempt [like the 9/11 Commission cover-up?]

* CA law blocks schools from notifying parents of student's gender/pronoun (stuff)

* Musk donating \$45^M/mo. to Tr. super PAC

- 7/13 "largest security breach in decades". Amis don't trust govt.
- Ladder propped up against roof [by ? USSS?]
- USSS Dir. Kimberly Cheatle "more concerned about DEI" [and complicit in plot, most likely]
- Scraps Researchers discover cave on moon (protect from ^{cosmic} radiation)
- Biden: "JD is a clone of Tr. on the issues". Would not have certified ^{insurrection} [stolen] 2020 election.
- 86-sec. warning by attendees prior to 7/13 bullets (video)
- Beck Tr. was emotional (at RNC day 1). "I've never seen that before." - Gitem
- NTD Eric Tr. says his dad has never been more determined
- Tr. called for RFK, Jr. to get USSS protection
- Blackrock hits \$10.65T asset record
- Scraps J.D. - from "Never Tr.-er to running mate"
- Biden again rejects suggestions he should step aside in race
- Beck Sen. Mike Lee: Tr. last night "seemed more somber, shook up, resolved; has mission for which he is preserved." Left seeing election as lost cause. So ^{much} ~~not~~ sympathy.

(Lee cont.) There will be accountability (7/13) (3) ^{Daily} 7/16/24

"we're going to control House, Sen., with next year"

usss says you don't leave an elevated perch to go unmonitored.

Pres. should have been removed from stage until threat was dealt with. Kind of a perfect storm [of culpability]

- Eric Prince, tactical expert, Founder of Blackrock: "Astounding how bad the bungling was. SUsSS snipers were looking at Crook for at least a min. w/o removing Tr. [complicity] ^[to Left]
"Social engineering is more important than excellence."

[This is not a case of incompetence. It's complicity]

- Tina Deshovich, Moms for Liberty Founder: "Not just Tr. changed, we've all changed. He's the man that (God has) put forward."
"A sense of peace" with the 7/13 unfoldings.

- Scorpius Matthew & Mary Elizabeth Crooks (parents) ^{therapists.} are licensed ^{P25}

- Beck Kevin Roberts of Project 2025.org Heritage Foundation: "Projection = what they accuse us of doing is what they are doing. No citizen should be afraid the Pres. is going to get them."
[The conspirators are going to face justice and should worry if they don't repent.]. People go go between admin. exec. orders.
Leftist [Marxist] opposition to P25 = endorsement of its goodness.

- Clay & Buck Lee Greenwood: ("God Bless the USA" band at RNC) 40th anniversary. Tr. believes in God, Faith, prayers.

- Scorpius Interview w/ Eric Tr.: "We're not a strong country [under Biden], have become Communist [Marxist-leaning]"

Q. Claims that 7/13 "reeks of something bigger"

A. "Reeks of incompetence" [Unfortunately, the Trs are not awake to reality of "conspiracy", though at least they call out the "deep state"]

- Sen. Menendez (sp?) Found "guilty", appealing, wife did it (inherited). Colleagues saying he must resign. Refuses.

- **Buck & Clay** Theory: Snipers thought assassin might be 'friendly' [not dressed right; previous 'suspicious person' notice] (4)
- **NTD** China's economy falters, slower than expected. New home prices fell at fastest pace in 9 yrs.
- T. **DW** ^{3p} Musk vows to move SpaceX & X to Tx over CA transgender law ('last straw') (banning parent notification)
- **BBC** @RNC, guy in T-shirt back drop: "Where is the Epstein client list?" RNC Theme "Make Am. Safe ^{Once Again}"
- **Scraps** VA (blue state) Tr. 39% ; Biden 36%
- **NTD** Kari Lake (@RNC) berates "fake news" that Am.s are turning off. "This last week, Ruben Gallego (AZ sen. cand. Dem.) voted to let illegals vote in AZ"
- **Scraps** Biden: "Tr. presidency was hell for black Am.s" [Actually, they did very well under Tr. hence so many switching to supporting Tr.]
- Dems want to nominate Biden early, virtually [illegally]
- Plouffe: Biden worse off than Dukakis
- ^{@RNC} Rep. Steve Scalise: Biden opposed AK pipeline while approving Rus. pipeline; wants illegals to vote. SAVE act will stop this. Must end woke indoctrination in military. "When I was in the hospital fighting for my life from assass. attempt, Tr. was first to visit my fam. in hospital."
- **NTD** speaker Mike Johnson (@RNC) ~ "Woke left has disdain for the seven core principles of our nation, (e.g.) individual responsibility, limited gov., free market, human dignity..."
- Vivek Ramaswamy: "Success & excellence is unifying. Best days still ahead of us." ←
- **Scraps** Interviewing Sen. Sullivan, AK, ditto ↑

7p. Scripture cont Tr. arrives at RNC booth; MTG behind ^{him} (5) Daily 2/16/24
T. Nikki Haley: "Donald Tr. has my strong endorsement. Period."

"You don't have to agree 100% to vote for him." "We agree more than we disagree." "Kamala had one job: border security (~~Don't~~ imagine her as pres.)."

• Ron DeSantis (@RNC) Boder: "Weekend at Bernie's presidency" [U] in indoctrination
Just a figwrehead [puppet]. DEI: division, exclusion, ^
AR Gov.

• NTD Sarah Huckabee Sanders (@RNC): "Not even an assassin's bullet could stop him." "God's not done with him." When she was Tr.'s press secretary, he told her, "You're smart, good looking, and tough. That's why they [Marxists] fight you." (standing ovation). "This week we saw how tough & resilient he is, and we can't get him back in the W.H. fast enough."

• ^{For Ser.} Dr. Ben Carson: Isa. 54:17 "No weapon that is formed against thee shall prosper." "My [becoming renowned neurosurgeon, successfully separating conjoined twin at head-mouse] story is moving further out of reach today." " 'Fear not' occurs 365 x [days in a year that this applies] in scriptures." America is great [so long as] America is good."

• Sen. Marco Rubio (@RNC): "we will make Am. better than it has ever been."

• (Eric's wife; ^{RNC Committee} ~~RNC~~ Co-chair) Lara Tr.: "Tr. teaches us that when it seems impossible to go on is when it is most important to go on." "He loves this country." "He reminds us who we are." "Tr. sees things in people [e.g. her] that they don't see in themselves." "Thank you [Tr.] for never giving up on our country."

• ~9:20 pm [Tr. didn't close his eyes during the prayer - perhaps because the (hypocritical) ^{person} prayer to had his eyes wide open, animatedly moving (insincere) at podium.]

⑥

- **NTD** China stockpiling Cu (copper), rare earths (so they can monopolize), similar to Germany pre WWII
- 40 Chinese banks vanish/merge within a week.
- 3.8k " " struggling / high risk > \$9T; \$444 bad^{loans}
- Natural disasters cost China \$13B Jan-June
