Singing with Christian Fairbanks in Chapel

Chris was moved from Bear 2/SOLID to B1 on Tue, 12/10, because he got a bit worked up in protesting not getting breakfast & lunch while on transport to a legal appointment, despite his being hypoglycemic, and this being the second time they've done this. B1 sec. 7 is dangerous gang territory. Chris lost his legal papers, toiletries, some notebooks from inmates tossing their laundry into his not-yet emptied bin. Then the next day, in a property shakedown of the building, he had several notebooks taken, on which he was writing a book. He was so distraught he was nearly suicidal. He was clearly shook up in telling me about this. He also said his singing voice may have been affected. This was the context in which we launched two hours of singing together. Singing with Chris is my favorite musical experience so far. We worked on "Oh, Holy Night"; "You Raise Me Up"; and his mashup of Hymns 203, 9 "Angels we Have Heard on High" and "Hark the Herald Angels Sing" swappers back & forth line after line, overlapping, with harmony on "gloria..." Heaven on earth.

4 Then, at 1-3 we attended the Catholic service, the last hour being (2)
a sing-along with ~20 volunteers & ~8 inmates. I loved it, doing all kinds
of fun harmonies. ~~to~~ Chris & I did "Oh Holy Night" for them.
