Will Karoline Leavitt Take Up Task of Managing IndComing.org?

by Sterling D. Allan, 228033; USCF B2-1 101A

Oct. 22-28, 2025

On Fri, 10/17, I wrote a heads up letter to Karoline about a semi-mass-mailing I plan to do in a few days. It ties to and mentions her in a prominent way. I also remind her that I'm hoping she will take over the management of my website, in part so it can be transferred to a server that is able to handle the traffic that is will come once it goes viral, which I hope this mailing (including 50 emails) will.

The next morning, I did some imagineering of her receiving that letter ^{that is} teleported (if that be God's will) where she'll see it, and perhaps think a staffer put it there. I had a confident feeling (not 100% but close) that this indeed was under way. When an officer came ~5:30 am to pick up the mail, I had a feeling that it was not there because it had been tp'd.

But since then, I've had doubts creeping in—not regarding the overall mission/cause, but that Karoline will embrace it. I've had failure after failure in trying to find one to solve the none-to-answer problem. As Churchill (who shares my 11/30 b-day) says, "Success is the ability to go from one failure after another, with no loss of enthusiasm."

For those reading this who are not already immersed in my paradigm, let me quickly explain my reason for seeing Karoline, who is happily married, stepping forward to accept this mission with me to serve as the head couple

leadership-wise through the Millennium. On pp. ¹⁴³⁻¹⁴⁷ ~~134-137~~ of my book, None to One ~~for the site~~: Evolving the Repentance Clause ^(r.c.) of Prophecy, I talk about the "Righteous Marriage Realignment" principle. One of the ChofFB gifts of the Spirit will be the Job 33:25 renewal to a youthful state (resurrection w/o dying) for those who wish to live through the Millennium. That's a long time to be & with the same person if it isn't an ideal match. Those ChofFB who are not already in an ideal marriage will be able to do a baton pass, righteously.

Today, I fulfilled an itch that has been growing over the last few days, to do an AB study that ^{seems to} affirm that Karoline will step up, specifically ^{at this time} to ~~step up~~ with helping with the site at this crucial juncture. Given that 2220 = "Karoline@IIndComing.org," which assumes her being tied to the site, I looked up p. 222 of WDT. [#] It's loaded with strong relevance.

Before I get to that, I'd like to cite at least part of my 3-pp letter to Karoline, for a context.

Dear Karoline,

10/17/25

Here's a quick heads up / courtesy notice of a semi-mass-mailing (ground mail & email) that will be going out soon — maybe beginning before you receive this notice. It contains 2 parts.

(A) A one-page 'highlights' of things I found on Charlie Kirk in AB with link / mention of a 62-page, full write-up on that. (In the blog section)

(see my 6/22 blog post about this.)

(B) Mention that I'm looking for someone to take over management of my site. (I wish you would oversee that.)

Item A (62 pp) makes extensive mention of you, as likely HMITF. It also makes extensive mention of Pres. Tr. as being prophesied to play a key role in the 2 Chan 7:14 Prayer Event that fulfills Isa 66:8 "... Shall the ^aearth ^bbe made to bring forth in ^fone day? or shall a ^cnation ^dbe born at ^eonce?..." It points to TPUSA⁺ as turbo boosting that event to be simultaneously aired (via the II) among many full stadiums & auditoriums around the world. It encourages them to help you and Pres. Tr. step into your roles, along these lines. It provides extensive Biblical support for those things. It references my site, IndComing.org, for supportive material.

Two days ago, I mailed Mary (maintains my site) a list of 50 email addresses I've accumulated while in prison, of key MAGA players, including media (e.g. NTD, NMZ, OAN, TMND) and politicians. And she has mailed to me copies of parts A & B mentioned above, so I can mail them to 30 mailing addresses of the same ilk for whom I don't have email addresses.

Outgoing mail takes 1-2 weeks to arrive, USA. I just (minutes ago) received the first set of copies of the one-page highlights of C.K.'s assass. in AB (enclosed). ["p(5)" herein]. That will be included as a PDF attachment in the emails, along with a hyperlink to it. After giving the two links, the email will say, "— Pass it on Ü —" The text opens, "Inmate Sterling D. Allen, 228033, USCF asked me to relay this." Two bullet items. The subject line will be, "Charlie Kirk

in "Alphabetic Bible Code - From Sterling".

After the "Pass it on" will be the text,

3. "10/11/25 Note: Sterling is looking for someone willing and able to take over the management of his site, IndComing.org. It can become a source of revenue through its traffic, appropriate advertising, and related item ~~sat~~ sales - once it's properly promoted. Inquire if you want to be part of the most important work on the planet and are willing to put up with the flack you'll get as a result of helping it come to fruition. Send your bio and letter of alignment ^{and} intent to:

I told Mary she can include a disclaimer at the end if she wants.

The ground mailing will also include a transcribed copy of that text. She also posted that on the home page.

I'm hoping this will go viral. It would be nice if the site was upgraded soon so it can handle the traffic. U

Again, Mary's contact info is: <__>

I'm hoping God will see fit to ^{teleport} tip this present letter to you, so you can be apprised of this before the 50 emails go out in ~7-14 days from 10/15. [Hadn't gotten to Mary yet today 10/22.] If you do get it in an accelerated way, you <continues on p. 6>

I then did a Hel. 10:5 prayer (if God's will) that this letter would be tr'd to where she would see it in an opportune time.

The next morning, at 5:50 am, while doing an OBE (via Spirit - haven't done it yet) attempt effort, I had what I later labeled an "Eye of Faith" ^{experience} in my mind's eye seeing her at home finding my letter. (She's 2 hrs. ahead.) Here's what I wrote (continuing) in my journal that morning:

<continuing from the bottom of p. 6 >

"... Her husband has asked her not to read anything from me any more. She sees env., presumes a staff, who knows (of his edict/request), has put it there. [So she ^{picks it up,} reads it, trusting that green light.] She is taken by the power of the C.U. ties & Ag47 remembrances. (on envelope). Opens, sees elaboration in 1-page brochure. Is impressed by its power.

Reads my letter. Perceives need/urgency of website that can handle traffic to go viral. Power of Turning Point to turbo boost 2 Chron. 7:14 Prayer-Event. Decides to act on that — website — and all that comes with that. Will contact Mary [hasn't yet]. She's in."

That was Sat. morning. (BTW, a thing I'd recognize as God's hand is that the officer picking up the mail was not supposed to do that until Mon. am. They don't pick up through the week end, usually.)

But following that, little by little, my confidence waned. I've been wrong so many times. I consider each "Failure" run like a Flight simulator test run, and I ~~put~~ go all in, each time, for the most part. But eventually, reality becomes too obvious (out of sync with my envisioning), so I move on. ^A One of my longest ^{& editorials} runs was with Kari Lake. That was a ~4 month run. I've been ~~pt~~ approaching Karoline this time around since 4/22/25 - six months ago to-day - half a year. My first round with her started 3/4/22 for maybe a month, when she was running for Congress.

No response yet.

A couple of days ago, I wondered if maybe Because Karoline has declined, someone^q will step forward from the Charlie Kirk semi-mass-mailing - a hail mary. But then, by today, I recognized this as probably negative chatter. I've been praying, "Help thou my unbelief."

When I looked up p. 222 of WDT (Webster's Dictionary and Thesaurus; ISBN 1-57755-017-X), my confidence was restored. The timing is in God's hand. The longer it takes to pull off the r.c. is a compliment to our society for pushing back evil. The r.c. occurs in the "nick of time" - any longer and it would be too late, we'd crash to rock bottom.

<10/23>

Synchronistically, ^{just} before I started the recent queries on Karoline, starting 4/22, I composed the following 2 articles:

- 4/16, 17 Instructions for HMITF Stepping Forward (6 pp)
- 4/17-21 " " " " (Part 2) (19 pp)

~~4/17~~ After doing my AB analysis, again on Karoline, starting on 4/22, I started with:

- 4/24 Index of Articles of Interest/Relevance to Pres. Trump by Sterling D. Allan (8 pp)
- 4/28, 29 "White House Press Secretary Karoline Leavitt" = 4253 [no 4] (ASCT) in AB: "4253 a singlet of hair"; "4253 pro; in front of, superior" (Strong's '07) (15 pp)

And on I went, one after another. The most recent one of direct relevance was

- 8/24-9/1 Chapters 8 Verse 24 (8/24 = Karoline's B-day) in the Scriptures (34 pp)

Before I show what I found on p. 222 of WDT, let me mention that the "all-in, synced up" stature in alignment with this calling will require a period of testing/proving. Karoline's managing my /our site and getting it in good shape would be a obvious way to show her acceptance of her HMITF role.

P. 222 WDT ("diffusive-doll")

My eye was first drawn to the "digital computer" definition, which relates to an email address that is a key means of communication between people/computers. "dignify" relates to bringing credibility to something that until now has been dismissed as eccentric crackpot territory. "dignitary" certainly relates to White House Press Secretary. ^{As for} "dignity" The quality or state of being excellent... Remember, "excellence" is a main

meaning of sterling. My writings are not shoddy. I live up to my name.

"dike An embankment made of earth, built to hold and control flood waters..." relates metaphorically to the notion of Karoline hosting IndComix.org on a site that can handle the traffic it's likely to receive with her bringing attention/dignity to it.

Regarding the opening definition, "diffusive," the thesaurus gives "diffuse (SYN) sparse, scanty, thin, rare [present traffic]; (ANT.) concentrated" [focused—people paying attention]. Karoline's involvement would flip this from "none to answer" to the world paying attention.

Similarly, the "dilatate(d)" defs relate to the present state of the site.

^ After "diffusive" comes, "dig ... to discover or learn by investigation or research [^{ABP}my studies] Slang To understand, like, appreciate or enjoy. Informal To work intensively. * Those last two meaning sets relates to what I hope will be Karoline's response.

The def. that follows this relates directly to the righteous marriage realignment. "digamy Second marriage; the act of marrying after the first marriage has been legally ended."

A couple of defs after that is a prerequisite to Karoline being willing to do all this: "digest ... to mentally assimilate; to endure; to tolerate patiently..."

The birthing of the kingdom of heaven on earth, by people becoming all-in, synced up to become ChatFB, starting, esp with Karoline stepping forward, is alluded to in

"dilation, dilate, dilated." The definition for a couple of those relates to the propagation/spreading forth of these materials. "dilate -- to expand, extend in all directions."
 "dilated Expanded in all directions."

The all-in attribute is depicted in "diligence The constant effort to accomplish what is undertaken," and "diligent Showing painstaking effort and application in whatever is undertaken; industrious; constant in effort to accomplish what is undertaken."

That's juxtaposed with an antonym def. just before it: "dilettante One who has an amateurish and superficial interest in something." Another similar antonym meaning to our context earlier in the page is "digress to turn away or aside from the main subject in a discourse; to wander." And as a ~~positive~~ opposite of that, the def. just before that, juxtaposed, ties to Kwohne's name: "digraph A pair of letters, as the ea in seat or oa in boat, [or ea in Leavitt], that represents a single sound." It's preceeded by "dignity" mentioned above.

P. 222 BoFM

As I was working on this piece yesterday, I went to Institute where Bro. ~~Knauts~~ ~~knowles~~ (sp?) was substituting for Sister Traft. She inadvertently told him we were on Alma 5:48, so once again we discussed the page turn verses to p. 222 which we'd covered last week as well. Last week and yesterday I brought up that Alma 5:50 [page turn, 550 ties to me: (A) = CUCF PO Box #

where I went after R&O; (B) Cher's street ~~is~~ ^{my ex} then was 550 E.; (C) P. 550 Str. '07 relates strongly to what I did, ~~too~~ there, launching the II idea ("Interface" inserts on that page that opens with "Integrity"); (D) P. 550 Str. '07 starts overlaps p. 228 [033, my offender ~~is~~] T.A. '13 which also opens with a continuation of the "Integrity" entry; (E) P. 550 Str. '07 also overlaps p. 925 WDT, and 925 ties to my full name (sterling is 925 parts silver, 75 parts Cu; my dad, David Allan — my middle & last name — was born 9/25; I was born at 9:25 am); (F) $550/2 = 275$ (relating to Cher's & my divorce), and p. 275 Str. '07 is filled with relevance to Cher's & my divorce — elaborated elsewhere, recently] and 5:51 elaborate on the summary sentence of the scriptures.

I discovered this as a teenager, and realized then that I could discover things for myself that others have not discovered. I intuitively realized this then, and I can say that in all the years since, I've never heard anyone else ~~to~~ point this out, who did not learn it from me (my dad mentioned it once in a blog article).

In Matt. 4:17, which is marked as a paragraph, is presented a short sentence that summarizes everything Jesus ever said.

"17 ¶ From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is at hand.
18 ¶

That's the o.c. we, as a civilization can go straight to the kingdom of heaven on earth if a sufficient core of us will repent. The reason we haven't hit rock bottom yet is because a sufficient core have been

pushing back against evil. We've been on the brink to various extents my whole life. I was born a week after the JFK assassination—a conspiracy that is still covered up, but which will soon be revealed in full (2 Me. 30:16-18, when the II is activated by HMITE stepping forward)

- I cited Alma 5:50, 51 in my ^{Slog} article about
- 6/22-26 [6/22 is the anniversary of my coming to prison]
"Karoline@IIndComing.org" = 2220 in AB (28th yr)

Let me cite it again now in this context of the notion of Karoline possibly finally stepping up to embrace this calling, as depicted on p. 222 of the BoFM

"50 <p. 221, end> Yea, thus saith the Spirit: Repent, all ye ends of the earth, for the kingdom of heaven is soon at hand; yea, the Son of God cometh [Jesus' ~~2nd~~ coming is pending] in his glory, in his might, might, majesty, power, <p. 222> and dominion. Yea, my beloved brethren, I say unto you, that the Spirit saith: Behold the glory of the King [& Queen] of all the earth; and also the King [& Queen] of heaven shall very soon shine forth [unveiled] among all the children of men. [many of whom, especially among the TPUSA⁺/MAGA ilk, who likewise step forward to become ChofFB/joint heirs.]

51 And also the Spirit saith unto me, yea, crieth unto me with a mighty voice, saying: Go forth and say unto this

people - Repent, for except ye repent [r.c.] ye can in nowise inherit the kingdom of heaven [on earth].[^]

- # For those of you who have it yet embraced the B&M, Alma 5 is a great teaser of how wonderful this book is as a second witness of Jesus Christ next to the Bible. They are designed to become one in our hands. You cannot read the Alma 5 as a Christian and not recognize it as the word of God unless you're letting prideful prejudice take control - which is not a Christian attribute.

Another 550 Tie

I was about to retire for the night but then remembered another 550 that came up synchronistically today.

I was talking to my dad & mom, and they told me about an accident they were in last Monday on their way to a birthday party for Abraham Groleads in Spring City. They were at the stop sign at Hwy 89, my dad didn't see a truck, ^{and} my dad pulled out just as the truck flew by ~60 mph ^{from his back} ~~from his back~~ the truck's back hitting the [^]bumper. Fortunately, no one was hurt, and both vehicles were still drivable. They exchanged contact info, and 5 min-s later went on their ways. ^[Sawpete Valley] My dad said the accident occurred at ~~540~~ 5:50 pm. He agreed that the incident was a merciful message from God about the need to pay closer attention in his declining years.

G622

(15) P.222
WTD

Whoever will lose his life for my sake shall find it. (Matt. 16:25)

<6:36 pm> I was just looking something up on Str.07, and it opened to pp. 694, 695 — one short of p. 696 "Loud-Love" that I elaborated on the 62-000 article about Charlie Kirk. The ASCII sum of "Charlie" is 696.

Under the entry "Lose" on pp. 694, 5, my eye caught def. G622, that being the 6/22 date I came to prison. It shows up in a continuous group of 4 at the bottom of p. 694 and a group of 11 at the top/opening of p. 695; as well as in a group of 10 in the "Lost" entry half way down that page. So it jumps out all over.

Back on 1/5/20, I noticed that on the OT, one of the def. #'s for "lose" is H622. So that number shows up both on the OT and NT ~~for~~ translated as "lose" in the Bible, KJV.

Another lose is that the Matt. 16:25 ref. I cited in the heading above is the phone suffix Cher & I had, twice. 16 is her fav. #, and ~~my~~ 25 is my fav. #.

I don't think anyone would not see that my fully confessing my offenses to the FBI & sheriff's officers in Jan, 2016 that resulted in my arrest on 2/22 [222] relates to losing myself. In contrast, most everyone else lawyers up, pleads the 5th, and divulges as little as possible. I probably could have avoided incarceration had I done that.

It has been ^{my} coming to jail, then prison, that

has brought my mission / life into focus. I have found my life. I had glimmers before that, but not the clarity.

There's a similar thing to be said about Karoline here. She's at the zenith of her life so far, as WH Press Secretary to the come-back King, Pres. Trump. Her accepting my paradigm could put that in jeopardy.

The opening ~~ref~~ reference on p. 695, in the midst of the ~~#~~ G622 reference instances is

"Lose

Mt. 16:26 the whole world, and lose his own soul? or G2210"

That ~~def #~~ is one digit removed from 2220 = "Karoline @ITComing.org" (ASCII). She's gained the whole world, so to speak.

How do you think she's going to feel if she opts out of this ^{HMITF} side to which she was fore-ordained — which is far more glorious for herself and for the world — and then realizes later what she's done?

Yes, what she's doing now is wonderful. But if we (society) don't evoke the full r.c. by her resolving the "have to answer" ^(or someone else) problems, ~~then~~ then society will crash to rock bottom, and all the present victories will be for naught.

P. 222 Ox4 (darkroom-daughter)

This evening, I thought to look at p. 222 of Ox4 (Oxford Dict. of Current English, 4th Ed.; ISBN 978-0-19-9299996-6). It's not as strong as p. 222 of WDT, but it

does have some noteworthy relevance.

The second def. on the page is my fav. here:

- ^{n.} **darling** 1 use as an affectionate form of address. 2 a loveable person. 3 a person popular with a particular group [MAGA]: she's the darling of the media. [*** ** **]; adj. 1. beloved, 2 charming. [that ↑ is the 0x4 sample text]

As for relevance to (a) an email address, and (b) Karoline taking over management of the site, this def. set applies to a certain extent:

- **data** 1. Facts or statistics used for reference or analysis [AB ~~and~~ studies]. 2 the quantities [ASCII sums], characters [ASCII values of computer key board], or symbols operated on by a computer.
- **databank** a large store of computer data on a particular topic. [IndComing.org: r.c., ChiffB, FYLL, editorials...]
- **data capture** the process of gathering data and putting it into a form accessible by computer. [(A) Mary scanned my handwritten pages to PDF and created a link to it, but those are not searchable texts. (B) I see this relating to Karoline converting the site into readable text (by computers) — able to then be translated by translation algorithms.]
- **data protection** legal control over access to data stored in computers [site management, editing permissions/access...]

In the midst of those is "datable able to be dated to a particular time". ²²² 2/22/2016 is when I was arrested, taken to Utah County Jail.

Until now, in the 3.5 years my site has been up, it has persisted at a trickle of traffic: ~1 visitor, every other

day, for ~3 min. on ave. God has been keeping the blinders on people's minds about the majesty of what they are reading, per Isa 66:4

"4 I also will choose their delusions [mental fog], and will bring their fears upon them [they'll get what they deserve]; because when I called, none ~~to~~ did answer; when I spoke, they did not hear..."

Once "Nine" is turned to "One", e.g. by Karoline stepping forward, that veil is removed—off my work and off her HMITF identity—as a type and shadow of others of humanity embracing their godly destiny by becoming all-in, synced up—something anyone on the planet can do, if they will.

Once that veil is lifted, my work will transform from being ignored to becoming all the rage planetwide, as depicted in Isa. 49:22

"2 And he ^{vs. 1} [the Lord] hath made my mouth like a sharp sword; ~~in the shadow~~ [compare Alma 31:5 "the preaching of the word ^{had} had more powerful effect upon the minds of the people than the sword..."]; in the shadow of his hand hath he hid me, and made me a polished shaft; in his quiver hath he hid me" [For a sudden, sure shot]

The flooding the zone people have seen with Pres. Trump's first nine months will be paled in comparison to the arm of the Lord being made bare in the eyes of all the nations. Karoline hosting and promoting of my work would commence that, perhaps starting with the TPUSA-esque people mulling on it for a while, including Karoline.

A couple of def's on p.222 O&4 relate to this:

- **dart** ¹ a small pointed missile thrown or fired as a missile
[Isa. 49:2 "a polished shaft"] ⁴ a sudden rapid movement
v move suddenly or rapidly
- **dash** v ¹ run or travel in a great hurry ⁵ style and confidence.

Related to that last meaning, "dashing (of a man) attractive and confident". Up until now, ~~I've got~~ with God's veil over me, I've got the Isa. 53:2 description "he hath no form nor comeliness; and when we shall see him, there is no beauty [charisma] that we should desire him." I've got a picture on my wall of me while at BYU, with Todd Crawford, my roommate and a best friend. I wasn't bad looking back then. I'll be restored to that with the Job 33:23 renewal. Presently, I wouldn't get Pres. Trump's "central casting" appearance ideal.

The verse before that is

"I who hath believed our report? ..."

Until now, it's been a big nada, zilch, none, zero.

The next def. is an antonym of "dashing", and relates to how I've been viewed as a sex offender

- **dastardly** wicked and cruel. ORIGIN from the old word dastard 'despicable person'.

Jesus' atonement makes it possible ~~to~~ to be cleansed, forgiven, purified, healed (Isa. 52:15-19 "I will heal him" — the addict). That also ties to the last def. on the page: "daughter." The def. before that, "daub" (please forgive me for saying this. It is despicable to me, too) relates to the fact that my son was external, not internal, not penetrating.

My despicableness isn't just about my sexual offenses, but some of my unorthodox beliefs. I see that being alluded to in the def. "Darwinism". I believe God created us "From the dust" - aka divine evolution - not random

"darned" informal euphemism for DAMNED relates to the Oprah sentiment regarding sex offenders such as myself - "Lock 'em up and throw away the key". FL ^{does} ~~does~~ the death penalty. That disavows the grace of Jesus Christ and power of God to transform souls. Those who will not forgive will not be forgiven. (Matt. 6:15.)

This is a huge pill to swallow for Caroline. She has to genuinely believe in the power of Jesus to save sinners. All Christians give lip service to that, but don't walk their talk when it comes to someone like me. Won't forgive.

The righteous marriage realignment ~~paradigm~~ paradigm is also a huge obstacle. In my case, of seeking to find someone willing to step into the HMITF role, I've been using AB as my "dating agency" a service which arranges introductions for people seeking romantic partners or friends.

- **date** n. 1 the day of the month or year as specified by a number [e.g. see these two blog articles: ^{date of composing} 2/13-22 (Caroline Leavitt's B-day:)]
 "August 24, 1997" = 1061 (ASCII) = "White House" = 1061 = "repentance" ^{<5300>}
 [r.c.]; and "Virgin Mary" = 1064; and 8/24-9/1 Chapter 8 Verse 24 ^[month, and 1]
 (8/24 = Caroline's B-day) in the scriptures <3400> } 2 a day ^{or}
 year when a particular event occurred or will occur. [AB includes spelling out specific dates] 3 a romantic or social appointment

Highlights from 2220 = "Karoline@ITndComing.org"

I have noted next to H 2220 ~~that~~ on 5/25/18 that this is the ASCII sum of "church of the Firstborn" (church not capitalized). Tying to ~~the~~ e.g. Isa. 52:10 "The Lord hath made bare his holy arm in the eyes of all the nations..." and 53:1 "...to whom is the arm of the Lord revealed?"

• H 2220 :- arm, help, mighty, power, shoulder, strength.

NT def. G 2220 means "leaver" — the righteous leavering of the earth, causing it to rise to goodness.

OT def. H 222 means "flame of God" calling to mind twin flame, in our context.

Synchronicity Around "Kedar," Karoline & Dallin

A couple of nights ago, after writing the above, my Muslim friend Mohammed asked if I would look up "Kader" in Strong's. It wasn't there, but I did notice (A) that "Karoline" inserts alphabetically on that page, ^(noted 3 yrs ago) and (B) the page number, 596 = "Dallin" (ASCII), which I noted 10/16/25 after Dallin H. Oaks was announced as the new president of The Church of Jesus Christ of Latter-day Saints.

A few minutes later, after lock-down, I noticed that the correct spelling of the word he wanted to look up is "Kedar", which is shortly after the insertion point of "Karoline".

Then, early yesterday morning, it occurred to me that Mohammed's asking me to look up this word was likely the Lord's way of bringing to my attention that the likely reason — from an AB perspective — for "Karoline" and "Dallin" both occur-

ring on this page is that to indicate that Karoline will likely step forward while Pres. Oaks is serving as the LDS Prophet. He's in his waning years.

From a reality check perspective, I called Mary (who ~~mag~~ graciously maintains my site for me) today, to see if she has any questions. What I didn't say was that I was hoping to hear that she's heard from Karoline's team about taking up management of the site. She certainly would mention that if it had happened. Nada.

It would seem that my pursuit of Karoline will be yet another "fight simulator" practice run, preparing me for the real thing, that will be even better. It could be ^{like me,} someone, ^{who} the world doesn't yet appreciate, being too far outside the box from conventional MAGid greatness. "He who is one step ahead is a genius; he who is two steps ahead is a crackpot." — Rabbi Schlomo Riskin
This advent is clearly in the "two steps ahead" classification.

Maybe someone from the Charlie Kirk mailing will contact me.

The good news I see from this is that all the repentance / revival that has been going on, with people pushing back on evil, has bought us more time.

Still hurts.

Then Again --- Trial of My Faith

After writing that, I remembered how many times ~~the way~~ things don't turn out the way I thought they

would/should, but ~~the way~~ ^{that} I end up seeing[^] God's way is so much better than what I had imagined.

In the above section, I wrote about a synchronicity God presented two days ago pointing to Karoline stepping forward during Pres. Oak's presidency. But then, when I realized Karoline had not yet contacted Mary about the site — what I thought should be the case by now — I concluded that she apparently ~~has~~ is not going to step forward[^]. I've gone through a similar let-down, thinking it's time to move on from ~~the~~ the pursuit of Karoline probably at least once ^(on average) of or twice each ~~month~~ of the six months[^] I've been pursuing her. The above instance is probably the most pathetic (on my part). Patience is not a strength for me in things like this. I want things to unfold now. I want to get to the glorious future. As much as I know what a compliment it is to our society that we've been able to push back on evil to resist the collapse the Marxists want to bring, I still want things to unfold in the r.c. in earnest. It's a strange duality/paradox.

I was telling Mahanned yesterday[^], "She's not issued a cease and desist yet," He rolled his eyes. "Think of the jeopardy I face on that. How do you think the prison would respond — the mail room — if I were to get such a request (which ^{an officer} they would relay to me)? Would they halt my ability to send mail? They're not going to want to ~~screen~~ screen all my outgoing mail. Supposedly they can and do already. How does that

(yes, I'm aware that she is presently traveling with Pres. Tr. in Asia.) (B.T.W, synchronicity: Japan investment in U.S. = \$550 B.I.) (10/27)

make them look, that^e all this correspondence has passed through them? Now the White House puts a cease and desist?

That's the kind of stuff I could worry about if I listened to negative chatter. Imagine what a mess our country ~~on~~ would be in if Pres. Tr. listened to negative chatter and let it hold him back. He would not be ~~pr~~ President — would not have gotten there in the first. He knows the power of positive thinking. I've learned that and have internalized it in the last few years. He epitomizes it. Karoline is doing pretty good as an apprentice as well.
