Sterling Daily (9/15/24): Routh Stopped ~5 Min.
Prior to ~25-Yard Shot at Trump Putting

by Sterling D. Allan, 228033; USC F

Sept. 15, 2024, Sun. Shows, News⁺ Highlights & [Commentary]

"Veer not to the right hand nor to the left: remove thy foot from evil." (Prov. 4:27) [Podrate hearu brought this to my attention. This is not advising not to take a stand. Its to not become a biased shill, sycophant.]

Shows/News

- Come Follow Up^{5a} (Hel. 13-16) Hel. 13:11 [r.c.:] "if ye will repent and return unto me the Lord your God I will turn away mine anger..."
- Hel. 14:30 Free to choose ; 15:3 Lord chastens his people out of ^{love}
- RMN (in rain in Tonga outdoor gathering): "We can have Faith to stop the rain, but the strongest Faith enables us to endure the storm."
- BYU-ID Dev.^{6:00a} Karl Karstad, 2/28/23 [-] FHE activity: "Testimony tower": Put corn in bottom of plastic cup. Pack full of flour. Invert on plate, tap cup as removing cup. Cut away slice of flour for each thing that weakens testimony. If you make the corn fall, you have to ~~\$~~dig it out from the pile w/ mouth. [This could be very bad if you inhaled the flour (e.g. made to laugh)]
- This Week^{8a} Spent ~7 min.s talking about "no evidence" that Hattians are eating pets in Springfield, OH
- Fact check: Har. said "no troops are in active duty." Actual^{out.}ly, there are 900 in Syria, Iraq. ~ [kudos for pointing thisⁿ out.]
- Re. Taylor Swift's endorsement of Har. impact: 73% no change
7% more likely, 13% less likely [hard to believe]

- Laura Loomer (accompanied Tr. to 9/11 memorial) (2)
a '9/11 conspiracy ('Inside Job') theorist'. [Awake]
- ^{8a} [Meet the Press] / NBC Har. national poll + 2 pts
- JD (guest) "I've heard first-hand reports of Springfield, OH (constituents) that the migrants are eating the geese. Media has been ignoring, lying."
- ^{11-1 CBSN 8:30am} [Grace Notes] Three Tenors [I'd love to be in a group like that.]
- [Face the Nation] / CBS "If you're an illegal and vote, you'll be deported." [kudos for saying that.]
- Ad: Duck Duck Go - search engine alt- to Google; keeps your privacy, doesn't spy on you.
- [Full Measure] ^(Waltz) MI(?) has more registered voters than citizens.
- [-] People who were caught double voting in MI primary were not charged with felony. "Didn't mean any harm. Were caught." [utter ridiculousness of Waltz marxists]
- [The Chosen] Feeding of thousands in Decapolis - After the apostles gather up what's left over (12 full baskets), Peter (totally ungrateful, bitter, jealous) shoves his basket over, so it spills on the ground. [That level of disregard would disqualify him from being an apostle. Approached denying the Holy Ghost in grievousness. Bad fictional segment.]
- ^{4:05pm} [Scripts] Second assassination attempt on Tr. in his ^{secret service} Palm Beach, FL golf course, 4-500 yards. USSS going one hole ahead of Tr. saw rifle ^{with scope} protruding from fence and fired ^{4-5x} at the offender. He ran off. Witness saw him flee, reported license plate # and vehicle description. This led to a quick apprehension on I-95 of Ryan Wesley Routh. Tr.: "I am safe and well."
- ^{7p} [60 Min.] JB-er: "Biden got the most votes in U.S. history" bogus (hence the JB protest [hijacked, riotized by Antifa]).

- Choser / CU (tumult leading to Ramah's being ^{③ Daily 9/15/24} stayed slain) Jesus "I have come to bring division." [The fictional portrayal of his saying this doesn't set well with me. Yes, division will come because of the word, but that is definitely not a driving purpose. Compare 2 Ne. 30:10 prophecy of "great division" we now see, not reveling.]

Worship Service

- Sis. King told of a field near their house. It has two horses in it. One is blind. The other has a little bell on its bridle so the blind horse knows where it is. The bell horse is mindful of the blind horse ^{and} guides it knowingly, checking occasionally to be ^{sure} ~~sure~~ he's behind / following okay.
- ego = edging God out
- Bro. King: Willie Hardcart company [my great, [?] great grandfather (James Allan) was a bugeler in the sister, Martin Hardcart co.] left IO July 4. An on-schedule caravan would be midway through WY by then ("Independence" Rock). Later, one of the company (Nelson) migrated east in southern UT. "There's no way to get there from here, but we're going anyway." (through Hole in the Rock)
- Silversmith: Q. How do you know when it's pure? A. "When I can see my reflection in it." [Moro. 7:48, D&C 130:1]
