Thankful for God of Abr., Isaac, Jacob [Israel]. Hostages returned; guns silenced. Sun rises on a land in peace. End of age of terror; start of age of God. Dawn of a new M.E. Bibi not the easiest man to deal with... Thx all those nations working together for peace. (will be known as) the moment everything began to change. [No ^{pending Tr.} ^2 Chan Tilly Prayer Event / r.c. will far surpass in significance.] Thx Steve Whitcoff — everyone loves him, respects him. ^{son-in-law,} ^Jared Kushner, established Abraham Accords, converted daughter to Judaism. Marco will go down as greatest Sec. of State. ^{Tr. +} Solved 8 wars in 8 months. Peace through strength. & (Oct. 7) Never Forget, never again. Nightmare over. An exciting time for Isr. ^{Isr.} Enemies in retreat. Operation Rising Lion; Midnight Hammer. Gen. 'Rassini' Cain — (story of taking out ISIS in 4 weeks, when suits in DC said it would take 3-5 yrs.) Wouldn't it be nice if we had peace w/ (Iran)? 'Dagger' of Lebanon removed. ^{we're} Building thriving day of peace. Most challenging breakthrough, perhaps ever, 3k yrs, 500 yrs. Virtually entire region supports. Hamas disarmed [not yet]; Isr. no longer threatened. [eventually] Reached across ancient divisions. Gaza, stop terror & hate;

build people up, not tear nations down. Restore fundamentals of stability. I intend to be part of "Board of Peace" - very popular. Every nation wanted me to chair - busy - "do it right." Rich nations to build it up. (In Egypt, next) most wealthy nations/people ever assembled. Put that genius into miracle in desert. Build infrastructure instead of weapons. I'm good at making deals. We want to live in peace. Last 2 years show Iss. is resolved, strong, will live forever. Tr. best friend of Iss., moved embassy to Jer. Mr. Pres. (Herzog) give (Bibi) a pardon. (Not in script; applause). Iss. emerge w/ heart of David. Iss. ... stronger, more respected than any time in your history [Solomon surpassed]. If peace can occur here, it can occur worldwide. Turn from evil [r.c.], pursue peace. He (God) still writes hope in heart; want the promise of Zion. Love, live of God [righteousness]. We've made peace together, we've done the impossible [thx to God]. Form a future worthy of our legacy. Geographic center of world. I love Iss. God bless M.E. (6:13am)
