Seminar: Capt. Karic "Motivation"

- me: "Finding & embracing unique calling in life → passion for ^{life.}
- Karic: "The way I see people is the way I treat them."
- me: "Be good, no matter how people treat you."

(2)

- Karic: Invest in others. "The reason I'm here (and didn't leave Corrections years ago) is because someone (senior officer) invested in me. Challenged, coached, paid for training. [Impressed with him, and feeling resonance with his all-in zeal, I wrote him a letter proposing "My Vision" to be launched in one of the sections here...]
- [Mary has invested in me, generously scanning & posting my material for past two⁺ years.]
