

Show Rescheduled to 7/3

Hello KBYU TV,

6/28/23

Here's yet another follow-up to my 5/29 letter to you, inviting you to come record our 6/26 talent show followed by my 6/27 B.O.P. hearing.

On 6/26, I wrote a letter to you about the 6/26 talent show being canceled because the officer walkie talkie system was not function, hindering their ability to provide sufficient security for the many volunteers who would be coming. I mailed that one via Mary Young, so it may take a few days yet to arrive.

I presume the talent show will be rescheduled to a subsequent Monday night (5HE), not too long from now. So, you now have more time to set up a recording of the show. ☺

In yesterday's ~20 min. B.O.P. hearing (perhaps you viewed it ~~at~~ live via the B.O.P. website and recorded it from there), the interviewer said (if I understood correctly) that the B.O.P. cannot terminate my sentence. I'd have to take that (over-charged claim) to court and get a ruling before they could do something.

However, in looking at the B.O.P. 32-pg. overview on our tablet, I found several statements that say they can do have the ability to make such determinations. Here's hoping. ☺

This morning in the chapel, I discovered that the talent show has been rescheduled to next Monday night (~~7/3~~, 6:30 pm - 8:00).

BTW, back to the notion of the BOP. going way outside the box and terminating my sentence or granting me parole, at least (all a long shot, would be in the "miraculous" realm), I see there being good reasons for that variation of "miracle" in my ~~seated~~ release. However, I can't help but say I'd prefer teleportation (tp) as the miraculous means by which I get out. It has God's stamp of approval embedded inseparably.

You can be the one who brings that about by stepping forward to accept my invite (to be my bride as HMTB), all-in, synced up, I deposit what this involves in pp. 129-213 of N→O on my site IndComing.org. Once you're all-in, synced up, you & I activate the II for humanity, starting with us, and at that point, I'll be able to tp out.

Meanwhile, my BOP process has given me an opportunity to make a case for my release, being able to respond to family members who think otherwise. I'm hoping Mary ~~with~~ (or you) will post all of this dialogue to my site.
