by Sterling D. Allan, 228033; USCIF

Feb. 3, 2025, Mon. News+ Highlights & [Commentary]

- ^{5a} **TNND** 6 Am. hostages retrieved from Venezuela.

- 90% of ^{control} towers are understaffed.
- * • Tr. shuts down USAID - \$10 B / year worldwide. "Being run by a bunch of radical lunatics." Musk: "A ball of worms, no apple; beyond repairs."
- FAA system outage, went to backup.
- * • **DOGE** has saved \$51 B so far.
- * • ^{hundreds} Marines (from NC) heading to Gitmo to prepare for detainees.
- ^{border} Human: Crossings down 93%; 5k ^{ICE} arrested so far.
- Cartels (say they) may use drones to attack.
- MX, Canada, China tariffs to go into place tonight. Dow futures -600. Tr: "Some pain, yes."

- **OAN** Puberty blockers are [among] most expensive ^{drugs} in world
- **NTD** TX gov. bans Chinese AI, social media apps
- * • MX reaches agreement - 1 mo. delay on tariffs; will send 10k ~~natl~~ Natl. Guard to border.
- Seminar (Joseph Williams) "Do You Have a Belief System?"
me: Help everyone become joint heirs by becoming "all-in (with mission), synced up (with God)." Bringing heaven to earth and averting rock-bottom collapse of society.

Q. How many have talked to Stirling about his paradigm? ②

A. ~6 hands. Q "How many walked away thinking 'that's kind of weird'?" A. 2, including Sam, not John.

- Joe shared a very heartfelt introspection on his re-evaluating religion. Because it was (rightfully) polemical, he wasn't challenged. (SOLID policy ^{disallows} the topics of religion and politics for seminars.) "I believe in Jesus" (as anchor).

Q+. Allen Allred (upstairs inmate): "You drink from the tallest glass of science, and at the bottom you find God."

- **NTD** US dollar surges amid tariffs.
- As prices soar, Japanese start growing own food.
- **OAN** Tr.: School choice is the civil rights cause of our day.
- * Tr. had friendly conversation w/ M X's ^{sup?} Shnebaum. Delaying tariff 1 mo. in exchange for 10k MX reserve guards to border. Tr. talking to Trudeau (to work out similar deal).
- RFK, Jr.: "The first thing I've done every day for years is pray that God might use me to stop chronic childhood diseases."
- Roger Stone: Suggests that Biden-pardoned people be tried in field states (can't plead 5th), then, if they lie, they'll be subject to state laws (e.g. perjury). [Brilliant]
- * Tr. offers 2 mil. Fed. workers a buyout to resign. [prev. noted]
- (*) **NTD** Tr. signs EO to create 1st sovereign wealth fund (e.g. to receive tariffs; buy TikTok in joint venture?)
- **CORE**. (class about violence, asked for examples) me: As perhaps an example of beneficial violence for discipline, I was raised with some spanking (deserved it) and did it occasionally as a father. Input? Allen Allred & R.J. advocated for rewarding positive behavior as much better way to go. Proven, recommended for dog potty training - reward when they go outside.
- My Seminar on "The Amazing Human Body" - went quite

well, pulling from (A) things I've learned through (B) ^{Daily} 2/3/25 the years, (B) a "Fun Facts" article an officer printed for me, (C) input from other inmates in the class (esp. Allen Albed), rotating between these. But near the end of the half hour, I started reading a "fun fact" about how the vagina pH is 4.5 (to protect from bacteria⁺) and Sam immediately called that out, and because I ~~de~~ finished the sentence (to show the community its biological/scientific value) the seminar was shut down by him - very disruptive. His jealousy has become toxic.

- **BBC** (Re: halting USAID, 60 yrs., 10k workers) ^{Pro:} Went crazy during Biden admin., money where it shouldn't go. Tremendous fraud. Rubio: "not aligned". [Promoting Marxist agenda]
- FHE Prelude Kick-off Incident I've been complaining that this branch's volunteer leaders have a toxic attitude toward any prelude/postlude playing outside of worship service. When I arrived, Sis. Christiansen asked if I'd play prelude then do "happy birthday" for sis. Boss. I said I'd be glad to. Then, as I was doing a great arrangement of the National Anthem, Bro. Layton rushed up to me and exclaimed, "No Prelude!" I politely explained my invite. He persisted. So I went back to my seat in the front, picked up my stuff and left, after interacting w/ sis. C. explaining, puzzled, to Bro. Layton that she'd asked me to do it. He said the officers would bar me if I played prelude. I corrected, "No, they leave it up to the volunteers."
- **NTD** CNN: "w/ stroke of pen, Tr. could send Canada & MX into ^{recession}"
- J.D. (Re tariffs): "We're tired of being taken advantage of."
- Fmr. Fed. Res. advisor indicted for spying for China. "Let this serve as a warning that the US will find you and hold you ^{accountable}"
- Experts (Gordon Change) warn China could sabotage Panama Canal.
- Taiwan bans ~~Google~~ Govt. agencies from using DeepSeek AI ^{Chinese} & "social media apps."

- Ad: Meaningful Beauty.com Cindy Crawford, 58yo looks great, still.
- Eu stocks fell amidst Tr. tariff's threats.

* • Tr. says US could receive rare earth minerals from Uk in exchange for continued support. [This is a huge departure from his claim he could resolve the impasse in 24-hrs once Pres.]

• Prayer Circle David: "Thanks for the kindness of the guards". (Was referring to a recent interaction sharing scripture references, knew citation by heart.)

• John Humor Pointing to a flier on the wall about "Inside out Dad," he referred/implied levitating out of here. I said, "Why not teleport out." He said, what if your legs were teleported backwards?" ~~Is~~ (And he's running the tp-er). I said, "Then I'd flip my top half around, and I wouldn't let you run the tp'er anymore. The problem would be that thereafter, I'd look like I'm facing you, but actually, I'd be backward."

(8.5) Movie: "The Bounty Hunter" Jennifer Aniston [Cute plot, excellent acting; Dysfunctional couple reignite their love.]

- 5th Step Hearing with Joe Williams (written here with his permission) ^(2-w)
I was honored to have Joe ask if I'd hear his 12-Step confession step. I see in him someone who is well on his way from transforming his old self (that rightfully landed him in prison) into a righteous man who lives with integrity to his true, noble self to do great things for the Lord. I posited that his past 'fraud' was in large measure driven by a lack of trusting that God will take care of him; and now that he realizes this, he has what's needed to not revert in a difficult situation.
