Shows 5a

- Come Follow Up B Alma 23-29. Host Ben Lamm asked to tell his role as an actor playing King Lamoni. Described deep pit with weapons, overcome with astonishment at what the Lamonites gave up, tears. [In S.S., I beseeched my fellow inmates to throw away the "weapon" of the F word that is so frequent in prison, including by many who attend Church / Institute]

③ Daily 2/14/24

- Latter-day Profiles Jack R. Christensen [was my bishop in a BYU student ward I was in. I played my 2 Ne. 32:2 composition for a testimony mtg. there. He also came to CUCF in 2016 to do a fireside for us inmates. As a teen, I read his book about the impact of music/TV choices on our life, which had huge impact on my life.] At a Elder Boyd K. Packer told him "Prepare, then leave your notes in your briefcase," [e.g. ^{as directed} Speak by the Spirit]

Church

- Sean Flemming? (sp?) in giving talk about repentance, recapped his life, ^{forming} ~~transforming~~ from a gangbanger growing up, to dedicating his life to God and goodness. He was in jail, and a voice (on his head) said, "It's time for you to go (die)". He recoiled at that thought and committed to give his all, 100% to (doing what God wanted him to do with his life). Now he's teaching a class about change, did graduation yesterday.

Sunday School (Alma 23-29)

- Alma 32:6 "converted to the Lord" — not to Ammon, not to the church, etc... Bro. Johnson pointed out. I followed up by referring to JST Mark 9:40-48 that identifies three categories of people we might tend to trust more than God, ^{& Matt. 10} and Jesus said "Let every ^{man} stand or fall ~~for~~ ^{by} himself, ... not trusting another," (Follow God Foremost). Well-received.
- Re "anti-Nephi-Lehites", Bro. Johnson pointed out that in Egyptian, "anti" can mean "part of". I pointed out that this is a B&M evidence. J-S. couldn't have known that, and would not have used that term on his own.
