

Free Speech vs. Murder/Evil Assent in Marxist Conspiracy Context

With Charlie Kirk's assassination, the question of free speech parameters & limits has become a much debated/discussed topic.

What is missing in the conversations has been an understanding or appreciation for the background or underlying context that drives what is occurring in a profound way. You must know your enemy in order to defeat the enemy.

This is a battle between good and evil, between the disciples of God and the disciples of Satan.

Of all the media I track daily, carefully, I'm most impressed with Jesse Kelly for naming the opposing force as being the Communists. I call it the Marxist Conspiracy.

There's a profound prophecy about this in the BSM in Ether 8:25 which summarizes it saying:

"25... whoso buildeth it up seeketh to ~~over~~ overthrow the freedom of all lands, nations, and countries; and it bringeth to pass the destruction of all people, for it is built up by the devil, who is the father of all lies..."

Jesse Kelly comes closest to articulating that regularly, though he doesn't address its Satanic roots very well. Charlie Kirk addressed the Satanic roots, but was more oblivious about the underlying conspiratorial organization,

as are almost all show~~to~~ hosts. Gary Allen's No
Dave Call it Conspiracy still holds true, the book that
woke up Alex Jones and myself around the same time
in ~1988. It's treated as a tin-foil-hat-crazy-person
line of speech. In the words of the BofM, Satan's
psyop line is, "I am no devil, for there is none" (2 Ne.
28:22) — there's no conspiracy.

We need Charlie Kirk courage and frankness[^] to
call this ~~out~~ Marxist conspiracy out, and remove/defeat
it. "Speech" or propaganda/narratives is one of its main
tools. Those who advocate its (Marxist) ~~teachings~~ ^{teachings} are in
a state of treason (in principle), for their purpose is
our destruction. That's the classical definition of enemy.

Advocating violence, including death, is a crime —
(NM 2 9/16) (~ 2:30 am) (Mountain) ~~X~~
Pan Bards. That is not free speech. It must be brought to
justice if ^{its speaker does} ~~they~~ do not ~~rep~~ genuinely repent.

The lady Jesse Kelly cites (recording) saying, "Soldiers,
you know what you need to do." should be slated for the
death penalty due those who commit treason. And her
network should be ferreted out.

The ^{society-wise, same as individually,} prerequisite for triumphing over Satan is
repentance. (Eph. 8:26.) That's as true society-wise as it
individually.
