"4 mo. from now, we will launch the 4 greatest years in our history. [I'm confident Tr. will serve as U.S. Pres. through the Millennium. (e.g. Job 33:25)]; Luke 20:17 opens p. 1314 LDS/KJV Bible, 1314 is the ASCII sum of "Donald J. Trump".] (Luke 20:17 also applies to all the ChaffB to varying extents.)] We rise together, or we fall apart. I'm running for all of America, not half. We will do it right. Thanks for your outpouring of love after the assassination attempt. 1/4" from taking my life. I felt safe; had God on my side. I felt that. ^A ~~A~~ ^A ~~A~~ crowd A crowd would usually run/stampede in such a situation; but not in this case [peace of God had calmed them]. Tens of thousands. No body ran. ~~May~~ Many lives saved (by not stampeding). They knew I was in serious trouble. They thought I was [might be] dead. ~~A~~ Ears are the bloodiest part of the body. Much blood. ~~A~~ Crowd didn't leave. Sniper took out shooter w/ one bullet. I'm not supposed to be here. [Conspirators wanted him out, demonize stampeding crowd, start civil war, stay in power as tyrants.] <Crowd: "Yes you are!"> I stand here by the grace of Almighty God. Providential moment."

"I looked out at ^{crowd} crowd (they couldn't see (8) me; didn't know I was okay) and saw sorrow. They thought it was over. So I raised my arm and started shouting, "Fight, Fight, Fight." The crowd roared [good word] with pride for our country. For the rest of my life [which can be through the Millennium], I'll be grateful for that support - unlike anything [and vice versa?]."

• Tr. honors ^{the late} Cory Comperatore ^{son?} ~~son~~, and two others who were severely wounded. "Going to be okay."

T • (cont.) "I am more determined than ever. Our resolve is unbroken. Our vision is righteous, our cause is pure [I wouldn't say that. It needs some refinement: more love of enemies, more forgiveness of all (doesn't mean letting them get away with evil), more mercy, more kindness - calling out the Marxist conspiracy specifically, calling on them to repent, offering forgiveness if it is genuine.] -- One nation under God.

"Dems should stop weaponizing justice dept." [^{beastly} "H6666 right, righteous (ness), justice" (Strong's) - remedy]

• "Malawi's 'Letter to America: Call for Unity' should be part of RNC platform. (Imagine if the) Dems would devote their genius to helping..."

• Continues with usual rally talking points, making his case for what he did in first term, what Biden has done very wrong, and how he will quickly fix it.

"Common sense. It's all common sense [resonates with truth / intuition / God]. -- I will bring back the Am. dream. -- In great humility,

I ask you to be excited about the future [r.c.] (9) Daily 7/18/24

- Tr. to TV Networks: "The RNC event is the most organized in history[↑] [The Love]. There's great love in the room. Look at the crowd [unprecedented for party convention]"
- Tr. rally points (cont.) "Protect social security & Medicare" [I strongly disagree. These are socialist/Marxist programs and should be returned to the private/volunteer sector.]

I could stop wars with a telephone call. ~ AI needs 2x available energy. ⁴¹ We live in a world of miracles.

Every moment we have on earth is a gift from God.

Your expectations are not big enough. [It's going to be even better than Tr. sees — if we evoke r.c., which we're on track to do.] Greatness is our birthright.

[Is 82:6 "I have said, Ye are Gods; and all of you are children of the most High."] We must not fight each other; we should unite. Success will bring us together. Cherish the Founders. Put differences aside. Unite. Nothing will sway us [Those built on rock of Jesus will not fall] No matter the obstacle, we will not fail; will save this country [in line with God] ^{synced up}; usher in rock tomorrow; more united than ever before ["that we may be one" (John 17:21-23) — in Christ]; very quickly [via r.c.] we'll make Am. great again. Thank you." (10:05 M)

- NBC Commentary 93 min = longest convention speech in history [He deserved it, after Assassin truncated 7/13 rally in the eyes of the world]. "He wants unity on his [close to God's] terms." A lot of people stood the whole time. Audience: "The Spirit of the living God is upon him." Even some deep blue states will go for him.

"We've been praising the name of Jesus Christ" -

Delegate(?) [Eth. 2:12 we're assured to be a free & blessed nation as long as we worship the God of the land, who is Jesus Christ]

10:15 PM. ABC commentary: "Same TV, only worse" [say the Marxist conspirators whose ^{god} God is Lucifer]

Conversation

I had an interesting chat with my ^{date} friend about my article about:

"Follow the prophet" LDS motto = idolatry. He brought up Amos 3:2 about the Lord working through prophets.

My rebuttal is that we need to consider a broader meaning for "prophet" being one who speaks by the power of the Holy Ghost and thus is able to foresee into the future. Exod 16:22 says "there were exceedingly many prophets among us." Num. 11:29 has Moses saying, "Would God that all the Lord's people were prophets, and that the Lord would put his Spirit upon them." (Compare Joel 2:28)
