(8.8) Movie "Lincoln" Spielberg. Highlights L as a father, husband, story teller, conversationalist, a droll ability to navigate complex divisions to gain victory of passing 13th Amendment despite massive obstacles, to then win Civil War without engendering animosity by opponents.

"I'd like to go out west, the 'holy land', 'New Jerusalem'" [referring to Mormon kingdom headquartered in UT territory?]

He's from IL, where the Mormons were driven from.

Institute Mormon 2-9. After ^areading of 8:34,35, I made a comment tying to Ether 8:26, where Moroni said his warning about secret combinations so that evil might be done ^{away}, and that when it comes to the warnings in Mormon 8:36-41, it seems to me that to a significant extent we (LDS / christians) have been heeding his warnings so that the evil depicted has been dwindling, not getting worse. Bro. & sis. Morris told of a tower they made of the B'shop's storehouse near here that is massive - like 10x larger than the one depicted in Indiana Jones.
