Sterling Daily (10/18/24): Trump's Brilliant Humor at Al Smith Dinner Minimized by Establishment

by Sterling D. Allan, 228033; USCIF

Oct. 18, 2024, Fri. News⁺ Highlights & [Commentary]

News 4230

- **Bus. 1st AM** Tr. points out that Har. never worked at McDonalds as she claims (to appeal to lay / middle class). [I worked at 5th yrs. ^{Fr. H.S.}]
- Were in one of strongest bull markets in history. Could be a correction after election.

- **TNN** ^{5a} Mask stumping for Tr. in PA
- ^{msl} 8.4⁺ registered voters in MI of pop. 8.0 mil. [Cheat prep.]
- 16 states tapping DHS to help verify voter identity
- Closest race at this point of any time in history

Har. +1.6% Hillary +6% Biden +9%

- ^{Mate?} Silver analysis has Tr. in lead - first time since Sept.

T. **Beck** Tr. @ Al Smith Catholic ⁿⁿ annual charity. "It's God that enables me to be here. Two assass. attempts, I wasn't supposed to be here." [I heard nearly his full segment later in the day. He was hilarious (written with help from others, including Fox news).]

- Dem.s "promising the pump" for unrest [by them], instigating / driving following the election. Remember Har.'s words regarding Floyd / BLM riots, saying it will continue through 2020 election, financing bail for those who were arrested.

- **Scraps** Gretchen Whitmer [Projecting]: "Tr. will say whatever he needs to to get elected. He only cares about himself."

- ⁴²³⁰ **NHK** ^{GDP} China's ⁴²³⁰ growth (4.6%) slowed in July-Sept.

- **NTD** Joshua Philipp (as guest), talking about his "Helene Heroes" documentary) Brought out the best in people. Neighbors helping each other.

Hespanic couple's roof collapsed, missed son's head ②

by inches. Grateful, the couple then went out to others, less fortunate than them. Another story: of a volunteer from another state who raised \$1k before coming, to distribute; then faced his own business failing because of his absence, but he stayed anyway. People raised money for his business and return trip. He still stayed, continued to help. [People being true Christians.]

* Segment on Regenerative Agriculture (Molly Angelle^{sp?}; Yan^{sp?} Tanelj^{sp?} host) — rotating animals on land, crops in field, for optimal / healthy use of land, pioneering an improvement of techniques

Tablet Survey Results (UDC) ^{inmate's} (career interests)

26% Entrepreneurship; 28% Social work; 17% hands-on career; 9% Investigative; 17% Artistic; 35% Social (teaching, health care, counseling); Enterprising 33%; 6% Logistical [These ratios resonate somewhat with how I see my own "career" manifesting/materializing.]

Music with Christian Fairbanks

I spent about half an hour practicing (A) Christman's composition, "Spread a Little Joy"; (B) my arrangement of "You Raise Me Up". We have a great chemistry musically and friendship-wise. He said, "we could do this in 'The American Idol'." It was good.

Needs polishing. * Srs. Layton came to listen for a bit. I said, "Don't tell anyone, but we plan on doing this for Prelude music Sun. morning." She looked shocked. That doesn't fit LDS tradition. They snuff the Spirit over tradition/status quo.

* Back in the pod, I asked Sam what he thought about this, to get an intuitive read. He said he had just been reading Moro. 6-9 about conducting church meetings by the Spirit, whether to teach, pray, sing... * I had also asked the medic to give me an intuitive read. She said, "As a special number for worship service."
