

Newsom⁺ Not "Incompetent"; He's a Treasonous Marxist

With the LA⁺ riots over ICE arrests, as well as reflecting on the LA wildfires this past winter, Pres. Trump and others have been referring to CA Governor Gavin Newsom as being "Incompetent." That implies that he doesn't know what he's doing. ^{Actually,} He's a committed Marxist as are most Democratic leaders. They want the destruction of free ~~Amor~~ / righteous America, and their primary tool is lying.

As Jesse Kelly so adroitly articulated last night, a lie is as valuable and important to them as truth is to the righteous. That's something the righteous have a hard time realizing because it is so repugnant to them. They don't want to imagine that a fellow human could be so evil.

This ^{conspiracy} was predicted anciently in Ether 8:25, which Ezra Taft Benson frequently cited as President of The Church of Jesus Christ of Latter-day Saints. It says that this secret combination / conspiracy seeks

"to overthrow the freedom of all lands, nations, and countries; and it bringeth to pass the destruction of all people, for it is built up by the devil, who is the father of all lies....

26 Wherefore, I, Moroni [who appeared to Joseph Smith in 1823 as predicted in New Testament def. (alphabetically numbered by James Strong in 1880s) G1823

{which Strong's '07 defines, "to lighten forth, i.e. (fig.) to be
 radiant (of very white garments) :- glistening" - consistent with
 Joseph's account of the angel Moroni's visit in JS-H 1:30-32},
 am commanded [~420 AD] to write these things
 [BoFM], esp. warning about conspiracy] that evil may be
 done away, and that the time may come [by repentance]
 that Satan may have no power upon the hearts of the
 children of men, but that they may be persuaded to do
 good continually, that they may come unto the fountain
 of all righteousness and be saved."

Calling them merely "incompetent", not "traitors"
 plays to their strategy of hiding behind plausible
 deniability.
