Biden's breaking his promise by pardoning Hunter — as he told Hunter and aids privately he would ^(NBC) months ago — and his considering giving preemptive pardons to Liz Cheney, Anthony Fauci, Peter Shoff (so?) etc... are alarming to US citizens including most Democrats.

But this two-tier system of justice is consistent with the ^(Eth. 8:25) ~~con~~ Marxist conspiracy of which he's been a part from his earliest days. This Book of Mormon reference parallels this scheming very well:

"But behold, Satan did stir up the hearts of the more part [media, edu., industry, ~~politi~~gov.] of the Nephites [modern society], inasmuch that they did unite with ~~the~~ [complicit with] those bands of robbers [corrupt players], and did enter into their covenants and their oaths, that they would protect and preserve one another in whatsoever difficult circumstances they should be placed, that they should not suffer for their murders, and their plunderings, and their stealings." (Hel. 6:21)
