

1600 in Alphabetics

Dear Karoline,

5/14^{,15}/25

Enclosed is the next installment, "A Message to Pres. Trump's Team & MAGA Leadership Worldwide - On Fulfilling Isa. 66:8 (Part I)(ChofFB)". I had a lot of fun writing that. I realize it's way outside the box, but it is supported solidly by the scriptures.

On 5/11, I looked again at p. 1600 [Pennsylvania Ave] of Str. 07. I immediately noticed a super-strong tie to you. The page opens with "G 69 [69] to be sleepless, i.e. keep awake:-watch." That relates to vigilance, which you exemplify, as voice for the White House. But here's the kicker. Remember, the ASCII sum of "Karoline" = 821. OT def. H821 means, "a night watch:-watch." That's a verbatim match of this relevant word. I just looked up "watch" on our tablet Merriam-Webster's Collegiate Thesaurus. It ties both to your role as WH Press Sec. as well being consistent with the global leadership upgrade I see being in store.

"l:v | watch

to keep one's eyes on

to take notice of and be guided by

to pay continued close attention to (something) for a particular purpose [e.g. this role]

Synonyms

- eye, follow, observe,
- follow, heed, listen(to), mind, note, observe, regard,
- cover, monitor, [press]
- care, look out (for), mind,
- attend, care (for), mind, oversee, superintend, supervise, tend,

Antonyms

- disregard, ignore, tune out [Is how I'm ^{typically} received]

2: n | watch

a person or group that watches over someone or something
the state of being constantly attentive and responsive to signs
of activity, opportunity, or danger

an act or period of watching for signs of activity, danger, or opportunity

Syn.

- custodian, guard, guardian, keeper, lookout, minder, picket, sentinel, sentry, warder, warder, watcher, watchman
- alert, alertness, attentiveness, *güi vire*, red alert, vigilance, ^{watchfulness}, ^
- lookout, surveillance, *vögel*,

3: v | watch (for)

to believe in the future occurrence of (something)

Syn.

- anticipate, await, expect, hope (for), [2 Ne. 6:13]

4: v | watch out (for)

to be cautious of or guard against

5: phrase | watch over

to be in charge of

to look after and make decisions about

Syn.

- boss, captain, handle, head, overlook, oversee, quarterback, superintendent, supervise, ^{Karoline, wH Press Sec} [G824 4253 superior^]
- administer, administrate [w.H.], carry on, conduct, control, direct, govern, guide, handle, keep, manage, operate, overlook, oversee, preside (over), regulate, run, steward, superintendent, tend,

That's the meaning of "watch" which is the how ~~the~~ OT def. H 821 ["Kavolne"] and NT def. G 69 are both translated in the Bible. That G 69 is the opening def. on page 1600 of Strong's '07, which is the address number of the White House, is very significant, tying to you, ^{specifically,} as the WH Press Sec.

Here are a few of the subsequent defs, which also relate to you as the WH Press sec.

- G 70 from G 69; sleeplessness, i.e. keeping awake :- watch
- G 71 $\lambda\gamma\omega$ ago; to lead; to bring, drive, go, pass (time), (fig.) induce :- be [I am], bring (forth), carry, (let) go ["you're fired!"], keep, lead away [deport], be open.
- G 72 ... i.e. mode of living :- manner of life [White House]
- G 73 a place of assembly [world's attention, point of gathering of key world leaders] (as if led) [global leadership], i.e. a contest (held there) [FIFA, Olympics 2028] FIFA trophy as backdrop in many press conferences / WH events; fig. an effort = ["Trump speed" How does he do it?] or anxiety [Marxists] :- conflict, contention ["chaos" is a fav. Marxist label for Tr.], fight ["fight, fight, fight!"], race ['16 upset; '20 stolen; '24 greatest comeback in history]
- G 74 struggle (properly the state) [MAGA vs. Marxists], i.e. (fig.) anguish [Marxists bemoaning their losses] :- agony [that stereotypical image of the radical leftist lady (not good looking) wailing over Tr.'s '16 win]
- G 75 to struggle (to compete for a prize) [ditto 'G 74, whose going to lead/destroy (Eph. 8:25) Am.?], fig. to contend with an adversary, or to endeavor to accomplish something [MAGA] :-

fight, labor fervently [has there ever been a more energetic (all-in, synched up) president?], strive.

- G76 Adam; the first man [code for President of the United States]; typical (of Jesus) man (as his representative) [Tr. & Karoline ~~serve~~ (& team) serving as archetypes of the "all-in, synched up" pursuit]
- G77 costless [DOGE], gratuitous [Tr. doesn't take salary, returns it to govt.]: - without expense
- G78 Addi <Compare H5716>

- H5716 'TY adi from H5710 in the sense of trappings [e.g. gold leaf added to WH...]; finery [~~the~~ Tr & Karoline dress in good taste, not in ostentation]; spec. a headstall [meeting w/ Arab leaders present-ly]: - excellent [Tr. taste], mouth [w/ Press sec.], ornament.

That's the first 1/6th of the page and is super-relevant. Another obvious stand-out of relevance is "G105: - eagle." #

The middle of three columns on this page (1600) has quite a lot of relevance to me, here in prison, including my bed #101A, "G101: - be impossible" - with God, nothing is impossible = Foundational/basis understanding of the ChaffB / Millennium. I love this spot. It's front and center in this section. People walking down the corridor can see here for about 50 feet, through the plexiglass windows in the front of the section. It reminds me that my life is ever on display, and I need to always be a good example.

The flip of 69, G96 is ~~unapproved~~, "unapproved, i.e. rejected, worthless [is how I've been perceived by society, including many of my family] (literally or morally): -

The def. at the top of the third column is "G110 deathlessness: - immortality." That relates to the Job 33:25 Fountain of youth promise I've been talking about, which would have huge ramifications for the White House.

cast away, rejected, reprobate." ~~It's just~~ That also relates to how the Marxist conspirators view MAGA patriots, epitomized by how they have treated Tr.

The def. just after that, G97 I see portraying how God views me, as I live up to the meaning of my name, "not deceitful, i.e. (fig.) unadulterated :- sincere." Likewise, the middle column opens w/ "G90 not corruption, i.e. (fig.) purity [a meaning of sterling] (of doctrine) [my paradigm] :- integrity." "Integrity" is the opening entry on both (A) p. 550 of Str.'07, which was my ~~Be~~ CUCF Po Box # and (B) p. 228 of T.G.'13, the first 3 digits of my 228033 offender number. I was in CUCF in 2016-18 when I developed the Infinite Interface (II) concept, composing a 180-pp business plan. "Interface" also inserts on both of those just-mentioned pages.

The next def. depicts how I'm perceived by outsiders by being here in prison.

- G91 to be unjust, i.e. do wrong (morally [sex offender], socially, or physically) :- hurt, injure, be an offender [u], be unjust, (do, suffer, take) wrong.
- G92 a wrong done :- evil doing, iniquity, matter of wrong. [Indeed, I am guilty of serious sin / wrong doing. I am not at all proud of what I did. I'm very grateful to Jesus Christ, who has made it possible for me to repent and largely overcome. I anticipate a full healing ~~&~~ (Isa. 52:15-19 & 3 Ne. 21:10)]
- G93 (legal) injustice [~~the~~ ~~pr~~ weaponization of Justice}. Remedy, bring righteousness back to Justice system. "H6666 righteousness, justice, virtue :- righteous act, righteousness"; moral wrongfulness [(A) sex offender; (B) Tr. not squeaky clean in past] (of character, life or act);

iniquity, unjust, unrighteousness, wrong. [Psa. 41:26 depicts people's unwillingness to perceive me as righteous, thus ignoring my writings/words. Vs. 25 & 26 depicts you being an exception — if you will.]

- G94 unjust; wicked; treacherous! — unrighteous [ditto; when in truth, this is projection: those accusing us are actually this, themselves]
- G95 unjustly: — wrongfully [ditto]

That gives another $\frac{1}{6}$ of the page contents. Another $\frac{1}{6}$ ish are synonym-ish to the $\frac{1}{3}$ covered — bring the total to $\frac{1}{2}$ the page covered. I'll not belabor some additional defs of relevance now.

About half year ago, I found out that the ASCII sum of the string, "will be t'd to her" = 1600. I can't help but think that this will come to fruition / materialize with you, once your level of receptivity to this paradigm is sufficient. I have reason ~~that~~ to believe that you could already be there. I'll elaborate on that shortly. [Later]

Def. 1600 in the NT relates both to (A) the above string, and (B) Pres. Tr.'s present trips through the ME, including the associated controversy of him welcoming Qatar's gift of a \$400 M 242 "patae flying palace".

- G1529 to dispatch: — send away (forth).
- G1600 to fly out, i.e. extend: — stretch out. [extending cooperation, inviting to Abraham Accords, offering to go to Turkey to meet w/ Z & Putin]
- G1601 [is a strong out. to Pres. Tr.] to drop away; be driven out of one's course [assass. attempt in golf course]; fig. to lose,

[historic come-back], become inefficient [Most productive pres. in history]:- be cast [stigma^u chaos, oligarchy...], fail [ultimate victor], fall (away, off) [doesn't give up], take none effect [Most effective].

- G1602 to depart by ship:- sail (away, thence) [Reinvigorating US Shipbuilding capability that has waned to almost nothing. (Tip will make ships obsolete except ^{e.g.} for leisure, ^[nonChFFB] fishing, research...)]
- G1603 to accomplish entirely:- fulfill [Tr. is nailing it (so an IÜ; so we you)]
- G1604 completion:- accomplishment. [Surpassing all]
- G1605 to strike with astonishment:- amaze, astonish [Even liberals are acknowledging accomplishments in some cases]
- G1606 to expire:- give up the ghost [Is an antagon. IF Tr. becomes all-in, synced up (he's very close), he'll become ChFFB and will be able to live through the Millennium, in a youthful, perfected body.]

Now, going the other direction from G1600, let's start at def. G16 1580.

- G1580 to bear forth (to burial):- carry out [ditto G1606 ant.]
- G1581 to excise; to frustrate ['20 election theft]:- cut down (off, out), hew down, hinder [TDS]
- G1582 to hang upon the lips of a speaker, i.e. listen closely:- be very attentive [rallies galore]
- G1583 to divulge:- tell [not holding back, e.g. stolen election]
- G1584 to be resplendent:- shine forth [MA G1A movement]
- G1585 to be utterly oblivious of:- forget [Biden senility]
- G1586 from ^{G1537} and ^{G3004} (in its primary sense); to select:- make choice, choose (out), chosen.
- G1587 to omit, i.e. cease (die):- fail [Failed assass. attempts]

- G1588 select; Favorite: - chosen, elect [24 victory]
- G1589 selection: - chosen, election.
- G15890 to relax (1st. or fig.) [People comment about how "in the zone" ^{Tr.} you are able to stay, peer peaceful, focused, determined, happy, passionately peaceful - resigned to God's will and guidance.]: - faint [ant. Super vigor/energy]
- G1591 to knead out [American/international discourse]: - wipe [wiping out opposition] (play on words)
- G1592 to sneer outright at: - deride [Whole Tenderagement Syndrome is still a bad thing, it is fizzling]
- G1593 to slip off, i.e. quietly withdraw: - convey self away [Har., Bolder, Den. leadership shulking]
- G1594 to rouse (oneself) out of stupor: - awake [Am. & world repenting]
- G1595 voluntariness: - willingly [Tr. evokes primal awakening and activation, as do those who help him, ^(noun) M.A.G.A.]
- G1596 voluntarily: - wilfully, willingly [(A) ditto] (B) also relates to you (karoline) stepping up to shave my material around]
- G1597 long ago [This AB witness is derived from ancient scriptural text (Isa. 41:26)], for a long while [thousands of years spanned]: - of a long time, of old [old souls: ChasFB, esp. Tr, you, me, Tr. team...]
- G1598 to test thoroughly: - tempt [overcoming through zillions of ~~life~~ lifetimes]
- G1599 to dispatch: - send away ^[+p] (forth) [I just (7:25) looked up "dispatch" in WOT (FSBN 1-57755-017-X). It's relevant to the Wt, you, me relaying this to you possibly v/a +p (1600). I'm going to break out of this bracket to make this more clear type-setting, wrse.]

(9)

"Dispatch v To send off to a particular destination or on specific business [~~A~~ Tr. & you to WH]; to dispose of quickly; to kill summarily [You're both targets, hence USSS; but God has your back, Isa. 118:18, 17 "I shall not die, but live, and declare the works of the Lord."] n. The act of dispatching ["Before I formed thee in the belly I knew thee" (Jer. 1:5) - fore-ordained]; a message sent with speed [1600 = "will be tp'd to her"]; a message [The enclosed: "A Message to Pres. Tr. & MAGA Leadership Worldwide..."]; news story sent to a newspaper. [(A) WH Press Secretary; (B) Your ~~being~~ using the WH podium (w/ Tr.'s permission/blessing) to bring ~~my~~ the world's attention to my work, including what it says about your foreordained role to fulfill Isa. 41:25, 27; Jer. 33:16, 15 → Zech. 3:8, 9 → Isa. 66:8 (super strong ties between these prophetic verses — take enough time absorbing/contemplating/pondering/praying/meditating)]

That def. is on p. 229 WDT, facing p. 228 [228033 = me]
<5/15>

I think I'd rate this NT 61600 vicinity ^{to Tr WH} relevance ^a rare 10. The OT H1600 & vicinity has more to do with your planetary leadership role in relation to my invitation, which until now has had "none to answer".

To appreciate H1600, remember how God refers to himself as alpha & omega, the first & last. The first letter of most all alphabets is a symbol of the ox. A A Θ in English is an inverted ox head. The Hebrew X is slightly more abstract, but still shows the horns clearly. The Greek α alpha ~~is~~ an ox head sideways. Now, with that in mind, here's

"H1600 to bellow (as cattle): - low." Your role as the WH Press Sec., giving voice to America, as the leading nation of the world, is what comes to mind, for me, in that def., in this context. Ditto "H1601 lowing".

Here's ^a the set prior:

- H1595 to store; treasure; } a coffer: - chest treasury
- H1596 treasure } [Tr. protecting U.S. long term economic
- H1597 treasury } stability]
- H1598 to hedge about, i.e. protect: - defend

Another set, surrounding that is

- H1593,4 garden
- H1599 gardener

"Liberation Day" ~~way~~ was announced in the rose garden. Also, more abstractly, I'd consider Tr.'s way of trolling, poking, stirring things up is comparable to tilling the soil to enable seeds to be planted for future harvest over time.

The set before that, H1589-1592 all have to do with "to thieve, a stealer" relating to the '20 election.

The set following H1600,1 relates to Tr.'s rejection (which I can relate to). ^{Marxist} "Legacy" Media is toxically anti-Tr.

- H1602 to detest [Tr. Derangement Syndrome]; to reject: - abhor, fail, loathe, vilely cast away
- H1603 loathing
- H1604 abhorrence: - loathing
- H1605 to chide: - corrupt, rebuking, reproof^{ove}
- H1606 a chiding: - rebuke(ing), reproof
- H1607 to agitate violently [leftist response]: - move, shake, toss, trouble [Marxists riling for a fight as their ^{on society} grip[^] loosens]
- H1608 a quaking [Tr-quake]

I'd rate those a 9 in relevance. I'd rate p.1600 Str.'07 a 9.7. You can see that they point specifically to Pres. Tr.'s WH, and ~~you~~ include your role as Press Sec.

This comes even more ~~sharp~~ sharply into focus when combining the OT & NT def.s by number

~~NT~~ NT G 1589 election $\leftrightarrow$ OT H 1589 to thieve, to deceive;
carry away, secretly bring, steal away,
get by stealth.

NT G 1600 to fly out $\leftrightarrow$ OT H 1600 bellow (as cattle)
[God's messenger emerges]
(you)

OT H 1608 a quaking $\leftrightarrow$ NT G 1608 to be utterly unchaste:-
giveself over to fornication
[Controversy of you, as WH Press Sec. speaking favorably
about a felon sex offender (who has repented)]
(me)

FWIW, G 1592^u opens p. 1623 of Str.'07; and G 1623 occurs on the page. ~~It~~ This calls to mind OT def. H 1483 occurring on p. 1483 of Str.'03. 1483 is the ASCII sum of "Heavenly Mother". I elaborate on that in N $\rightarrow$ O, p. 163. In looking that up just now, I noticed that the TOC item just prior is "...1380 ("activate the II")". That ties synchronistically to def. G 1623 on p. 1623, which derives from G 1803, which is a transposition of 1380. I was debating whether to mention that until I saw that TOC entry juxtaposed with the mention/listing of "p. 1483". It's her (you? $\ddot{u}$) stepping forward (G 4253 [WH Press Sec. Karoline Leavitt] p. 1663 [= "stepping forward"]) all-in, synced up, that activates the II and launches this r.c. scenario I've been depicting, bringing heaven to earth.⁴ p. 1483 of the Bible spans Eph. 3:1-4:2 and is super relevant to the

mission. 3:14,15 (points to AB code) ties verbatim to
 "H755 (bending the knee)..." which opens the page where
 "H821 watch" ["Kavolne" (ASCII)] closes the page (1472).

H821 is ~~verball~~ vertically aligned / next to "H802 a woman:-
 female, ^[N→O] none, one, together, wife..." And the first column
 ends with "H778 earth" pointing to this global leadership
 role. ^[N→O]

Page. 821 [Kavolne] of Str.'07 is where the "One" entry
 commences, including def. H376 [ASCII sum of "HMITF"]. Also
 on that page is "Omega" and "Omnipotent G3841" - 1483
 transposed. I ~~to~~ first found these on 3/4/22 when you were
 running for Congress from NH.

I've got a lot more to share ~~at~~ along these lines.
 This cover letter evolved into an article about "1600 in
 AB". More to come. Probably my next article will be
 about how it seems my pancreas' insulin performance (heal-
 ing) seems to be an on/off/spectrum indicator of your
 level of acceptance of my paradigm, over time. It first
 kicked in strong on 5/10 am. ^{5/14} Yesterday was the opposite, my
 blood sugar level going off-meter (>600) for the first time
 in > 3 yrs. About an hour after writing this paragraph, I
 checked my blood for the first time since 11am. 14:04 101
