- /F.P. Turner (removed by M.D.) was stacking deck against Tr. appointees.
- [Beck] Biden pardons 3k, most - more than 7k following Civil War.
- [OAN] ^m James O'Leefe (undercover exposé) ^{Jamie Mainina} Senior advisor in Pentagon discusses deep state plot to sabotage Tr. admin., e.g. via ghost writing articles. Fired after this became public.
- [Beck] Allen Dershowitz (Att. guest) Those Biden pardoned lose their ability to plead the 5th e.g. in hearings likely to ensue. (2) It's good

Tr. didn't get 2020 victory acknowledged. Now he has a ⁽²⁾ mandate. (3) NY case (against Tr.) is unconstitutional.

Seminar (Abby) "Emotions" "neither good nor bad"

me: "there is good & bad; emotions precede action" (as a man thinketh in his heart, so is he). ^{my comment} Resulted in discussion, me (summarizing discussion): so, emotions we like instrument panel readings and our attitude about those indicators is what we have control over?

[OAN] Putin, Xi hold talks to strengthen relations

Tr. pauses all Foreign aid programs 90 days [to get his admin in place]

Tr. admin. in process of firing ~ 1k Biden admin. appointees.

"We need to lead with our standards" - Elise Stefanik

Exec. Orders can be amended.

[NTD] Tr. orders termination of ^{Biden's} EV mandate.

Tr: "joint venture" w/ TikTok [= Fascism? (state-corp. together)]

Pelton: Taking Taiwan by force would be catastrophic for China.
"By taking it they break it" (TSMC chips). Based on a trusted ecosystem.

EU eyes "Make America Great Again" movement (there, too).

[DW] ³⁰ 18 states sue Tr. over changing (anchor baby) exec. order.

1.5k TBers released (DW showed extreme instances).

* [BBC] Tr. press conf. rolling out \$500 B investment in AI: "Stargate"
Sam Altman investor Open AI & Japanese (?) create > \$100 US jobs. Production/creation facility of energy plants at locations of server farms, TX plant/factory under construction. 20 total pending.

[NHL] Drugmakers tap AI to develop new treatments.

[NTD] / Crossroads Tr. freezes ability of agencies to create regulations
→ momentary end of administrative state [hardly]

Re:

• Border emergency declared, cartels designated terrorists — could do military action against them.

• /Ch. inf. ~~Parana~~ Chinese EVs can surveil Am. drivers.

(9) • Movie: "First Man" © 2018 story of Neil Armstrong

Moon landing, "never before have so many people tuned in to one event" "perhaps 400 mil." [Is the number I have estimated will attend/view the 2 chron. 2024 Prayer-Event pending soon]

[I wasn't impressed by the last scene of depicting Neil with his wife (while he was on other side of window in post-mission quarantine). I would think this would be an exuberant celebration of success, not the morose contemplation of how thing could have gone bad.]

• Jesse Kelly Re: morning prayer service attended by Tr & J.D. (& wives) by female Episcopal lesbian Bishop [Communist], prayed that Tr would relate to those (LGBTQ) who are now afraid. [when the light comes on, the cockroaches scramble.]

• GO (The establishment) is going to mandate real ID, that will be very much like the mark of the beast [if we don't evolve, etc.]
