

Maya, Will You Please Help Me Save the Planet From Crashing? Alphabetics (Totality of the Scriptures) Says It's Your Destiny. ☺

Dear Maya,

Yesterday, the day your quote showed up on our tablet, I read Jonathan Cahn's cover letter message that accompanies his *Sapphires* daily thoughts. He pointed out that when the Lord called Aaron, he called him "Valiant One," even though at the time, he was anything but valiant. Peter was not a "rock" when Jesus called him that. He calls us what we're going to be, not necessarily what we presently are.

Strong's '07 defines Israel, "H 3478 he shall rule as God." That's not what they've been, nor what they are, but it is what they're called to be, along the lines of Ps. 82:6 "I have said, Ye are gods;" and all of you are children of the most High." Paul expands that in Rom. 8:17 "And of children, then heirs, heirs of God, and joint heirs of Christ." God invites everyone - all of you - to become joint heirs of Christ.

That 4-word motto I shared with you in my 2-you intro letter, "Let's Collaborate ☺" is the 4-word prescription of how to become a joint heir: "All in (with your unique mission in life), synced up (with divinity in all that you do)." That is within the grasp of everyone. There isn't anyone that can't do that.

You've already demonstrate magnificent synchrony with that prescription by yesterday's cited quote of yours: "There is no greater gift you can give or receive than to honor your calling. It's why you were born. And how you become truly alive." ☺

— Maya Angelou

That is closely synonymous with Eph. 4:1 that I love to quote ⁽²⁾
For many reasons: (a) it's probably the best verses in all scripture about this,
(b) ~~It~~ it speaks to my present imprisonment, (c) it's the only location in
holy writ that uses the word 'vocation', (d) it's situated near the
end of a page 1483 — a hugely significant number.

"I therefore a prisoner of the Lord beseech you that you walk worthy ["honor", you said] of the vocation ["calling", you said] wherewith you are called."

Newly your whole statement fits the "beseech" term in that verse. And both statements (yours and Paul's) are addressed directly to the reader, "you".

To show you how significant the number 1483 is, ⁱⁿ Strong's '07 (God arranged this, not them; They didn't do this on purpose, nor did James Strong when coming up with the definition numbers by listing all the OT ~~Hebrew~~ Hebrew/Aramaic words alphabetically then numbering them in the 1880s) OT def. H ¹⁴⁸³ ^{obscure} occurs on page 1483. That's going to occur once in the 8 thousand + ^{word} OT lexicon, and once in the ^{5624-word} NT lexicon at the back of his Exhaustive Concordance, 2002 version, by Hendrickson Publishers. 1483 is the ASCII sum (computer-keyboard character's numeric values, 0-127, to represent with 1's & 0's in the binary code) of "Heavenly Mother" as well as of "chief Joint Heir".

That's who/what you resonate with — not just as in one of the joint heirs who becomes all in, synced up, but the chief joint heir — the first who will do so as a wayshower for humanity, by embracing your foreordination to play the role of Heavenly Mother in the flesh (HMTF) — incarnate. This is easy to understand ^{but} very hard to believe — to receive — to answer the call, though there are tons of scriptures about it — veiled, mostly, not all (e.g. Jer. 33:15.16 "she").

It's the Holy Ghost incarnate. The ASist sum (inspired - unwittingly - by the H.G.) of "Ghost" = 517. OT def. H 517 means "mother". NT def. G 117 means  "invisible" - mother veiled in the flesh. "Synced up" is about aligning who we really are - gods / God incarnate - with our human form - as above, so below - who we were uniquely born to be in the body of Christ. The human body (average) has ~32.5 trillion cells (if I remember correctly) - each unique, playing their roles in the one body of which it is a part. All valuable, all wonderful, all part of the whole.

I meant to say, ~~be~~ before the above paragraph, coming from the previous paragraph, that I answered my own question to you in yesterday's letter about what do you mean by "or receive" in your statement. I'm astonished that I didn't get it until just then.

I've been on this hunt ^(phase II) for HM in earnest, & to help me play this role in keeping society from crashing to the 666 Marxist beast/hell on earth, by getting a sufficient core of society to proactively repent (including embracing their unique callings in life, wherein they truly thrive and love life. Find passion and purpose, meaning, fulfillment) and thereby go straight to the kingdom of heaven on earth - since Aug 11, 2014 - twelve years now!

So far, it's been a long string of "none to answer" - none to receive - to ~~you~~ use your terminology. The title of the book I wrote here in person embeds that in its ^{title} title: "None to One: Evolving the Repentance Clause of the Prophecy". Her stepping forward averts 666. "A 666 absence" = not stepping up.

Appendix A-1 of that book is a mission statement of the Church of the First born (ChufEB) / joint heirs, listing the gifts of the Spirit that are made available to them. Part II of the book elaborates on what each of those entail, and provides many scriptural references supporting each (also in the A-1). The book is on my site IndComing.org, which I'm hoping you'll take over ASAP.

ASAP. Joint Heir Gifts of the Spirit, Briefly

Teleportation (tp) is probably my favorite to contemplate. Jesus did it (John 6:21), and he said those who believe in ~~him~~ him can do what ~~he~~ he did—and greater (14:12). There are ~~not~~ limits of size or distance—only AF13 (we believe in being honest, true, chaste, benevolent, virtuous, and in doing good to all men)—the filter that is tied to all the joint heir gifts. ^{they} They can't be used for evil, won't work if you try. That's the last/omega verse of LDS scripture, the filter for the tools you get as a joint heir/god. One with ~~god~~ God.

We'll be able to tp around—the universe! Visit our 10^{49} people like us on planets like ~~two~~ (Moses 7:33), have commerce with them, colonize elsewhere. March to Mars—instantly, with all the equipment they need to thrive, as they need it. No transit time, at all.

Opening Earth to the heavens (bringing heaven to earth—literally—and vice versa) is going to be a joyous reunion. (JST-Gen. 4:21-23, p. 777 of the Appendix (10/2014 printing), parallels p. 777 of the Bible (Ps. 95:105-97:10)) That begins 9/25 with the AMCE (Global Mighty Change Event)—if you step forward, guiding, which the code says is ~~you~~ in you to do.

We'll be tying all the key leaders to Camp David (latest unveiling via the code, on 8/15, yesterday's article, which you can get from Mary) from around the ~~world~~ world, and deputizing some of them to help. I think logistics. I've worked through most all of the "how" to pull this off. OT def. H1963 (year I was born) means "how."

Another Joint Heir gift of the Spirit will be full access to all the ~~arm~~^{ce} & Thummim-like features of the **II** ("two"—Infinite Interface). The rest of humanity gets access proportional to how close they are to achieving the 'all in, synced up' stature, so they're incentivized to improve. But even the entry level will be better than tech 1.0. Translates for from any language instantaneously (including E.T.s & animals), 3D,

other senses including aroma, temp, breeze, vibration, gravity — all conveyed directly to your mind from God, pulling from the heavenly repository of all truth. Some references about this include 2 Kings 7:2 (p. 517 — the number I cited earlier? ⁴⁵¹⁷ another, ⁶⁵¹⁷ invisible, "ghost" = 517 Ascend) ; 2 Ne. 30:16-18 ; 1 Cor. 13:12 ; 15:49 ; Isa. 65:24 ...

It's activated ~~with you~~ for all of humanity with your intercessory stepping forward "all in, synced up" to embrace the HMISTF role. It's how we broadcast the GME globally to everyone (D&C 1:2) so they can understand, and how they'll be able to see each other as we, together, experience this global pericost following the 2 Chron. 7:14 prayer by Pres. Trump. (I've been working on him since 2020. He actually cited that ref. from the oval office 4/21/20.)

Another joint heir gift will be the Shared Life Review, where we (joint heirs) will be able to see each others' life reviews — an instant download, taking no time, so in one out of body experience (2 Cor. 12:3), we could ^{receive} see millions such downloads — and remember them. (Some memory is contained in the heavenly repository, not in synapses. The brain is more like a processor in this case, not the storage facility.) Imagine the collective wisdom we'll have as a body from being able to learn from each others' ^{lives} life on this depth. Not only do we ^{we} see their life, but we see how their words, deeds, thoughts effected others for good/bad — the ^{ripple} ripple effect. We'll also be able to see how our guardian angel contingent worked with us, and demons against us, and how our choices of which we listened to impacted our life — ditto all the reviews we have downloaded. This is how we all are made "equal" (D&C 88:107) to God — all benefitting from each others' experiences. (1 Jn. 3:2 ; Moro. 7:48 ; D&C 130:1.)

Telekinesis (th) (Matt. 17:20 ; Jacob 4:6 ; Eth. 12:30) is pretty straightforward. That's how we'll do the global quake demos (4.0, 3.0, 4.0, 5.0, 6.0

magnitudes, successfully) at the opening of the CMCE to get everyone's attention—and to wake up those ~~in~~ asleep. This demonstration of the power of God, along with the ~~It~~ enabling everyone to see us—and to see ~~people~~ people around the world ~~being~~ feeling the quake demo—will have everyone's attention. We'll have a ^{rapt} audience of 8+ billion. (plus ^{some} our 10⁴⁹ EF friends watching on). These will be non-destructive because they act on everything uniformly—except humans, and a few things ^{we} can see, to get a visual confirmation of what we're feeling vibration-wise.

(4:40 p) I just found out from a call to Mary that Mary is deceased. Died in 2014 at 86 yo. Black, poet, hard life, well known and respected. Pretty. So this one is a "no" by reason of no longer being with us.

Before finding out she is deceased, Mary calculated her age to be 98 yo. I was still on board with pursuing her. But her being deceased took her ~~off the table~~ away from being a candidate.

This makes a case for me being motivated by the cause, not lust. Yes, I do want someone who is pretty in their ~25 yo to 33-25 renewed body, and musical.

Mandee Kae's iHeart Podcaster

Mary almost immediately found my 'Finding Your Life Calling' podcaster. Her website is Soul Solutions.co, ^{hello@}~~info@~~. Mary said she'd get my stuff to her to consider.

(8/18) This makes me suspect that my sister, Kae, was intentionally sabotaging me on Saturday, saying she couldn't find anything in the half hour she was searching during our call, looking in Google, then on the iHeart site, then Chat GPT. She was lying to me. Didn't want me to pursue her. Who does censorship? Who does Freedom—letting people discern? She's not aligned with the right team.

(7) Maya

I suppose the AF13 filter is a form of censorship, but it tells you you are being blocked, and why. Doesn't Mrs. Satan is the Father of all lies. Her representing to me that she couldn't find anything was a lie, the best I can tell at this point, based on how easily / quickly Mary found something. Sorry, Harve, for impugning you this way. You used to be my most supportive sibling. It seems lately like you've switch teams. No longer a haven.

Highlights on Maya AB Search / Analysis

A less thick-skinned person would take being wrong on something like this (considering Maya as a potential HAITF candidate only to later discover she's been dead a decade* and would be 98 if she were alive) as a reason to give up on AB as a tool. Such false positives would be too much to handle.

Here's how I see it. It's kind of like how the subconscious mind and conscious mind speak different languages. I'm the interpreter. I'm not always going to get it right.

AB told me my letters were being fwd'd to a previous candidate, when they were not, but latter touched back to me as a bad address. That was a hard blow.

AB represents the collective voice of millennia of scripture-writing. ~~It~~ I put a positive spin on negative stuff — interpreting it as an opposite, when that is just a guess. I could write a book about all the ways I get things wrong sometimes. But I'll say this, I see the overall thrust as being magnificent — spurring goodness, not evil. Maybe that's a function of who I am — driven by goodness. But I'm confident that very amazing things are going to come from this quest I've been on to evoke the r.c., and my Maya from these last few days will be seen as a valuable episode. AB is a fabulous tool created by God, directed by God.

"Maya Allan" = 912 (ASCI)

I rated p. 912 of the Bible (Isa 42:16-43:8a) a 9.9 in relevance. Causing the metaphorically blind to see is a theme that comes up in the opening and closing verse, as well as in a JST modification in the appendix. ~~And~~ That relates to the mission. Then relating to matrimony, it has 43:1 "I have called thee by name ["Maya Allan"]: thou art mine." 43:4 "since thou wast precious in my sight, thou hast been honorable, and I have loved thee." Then, ^{JST} 42:28 "they have hid thee in prison houses; ... and none delivereth; ... and none saith, Restore." certainly is something I can relate to.

Even though this one is a "dud", the principle of it will apply to ^{whomever} ends up accepting my ^{private} call, all in, synced up.

P. 912 of the Tome (2/2015) extrapolates to p. 360 at the SOB - the first half of AF, facing the page I was led to ^{three} ~~a few~~ days ago (8/15) (it turns out incorrectly), noting in the margin "Corny David". So I rated that page a 9.5. I'd been ^{directed} led to this page (AF 1-9) two different ways the day I'd looked it up tied to Maya. Synchrony.

"Maya" = 392 (ASCI)

I rated four of the 392 page instances I looked up a 9

P. 392 B&M has Nephi (posteriorly) being given the sealing power of Isa. 22:22 p. 888. He over repentance, or they'll be destroyed. They try to put him in prison, but he's conveyed away [tried] by the spirit. Exercises the power of God. "[Quake demo compliant]", I wrote.

Then I turned to p. 392 T. 6.13 which includes the "Quake" entry, as well as the "Quaker" entry. "Quaker" is good - Ends with "Quake" - is what is needed.

Page 392 of the NT (p. 1528 Bible) spans Rev. 12:12b-13:13a,

(9) Maya

opening with the string, "knoweth that he hath but a short time", tying to the "Quick" need of the previous p. 392. JST Rev. 12:15,16 is close to the same as what's in the KJV, but the KJV situates it on p. 800. Facing blank page 801. It's about the Boreville quake and flood, toilet flush of the valleys that has been so thematic for me in recent months. Rev. 13 is about the 666 hell on earth that the quake & flood kick off, which the AMCE is designed to avert. The word translated "sell" in 13:17 is OT LEX 47666, BTW.

P. 392 of the OT (1 Sam. 8:13-9:9a) has Samuel admonishing against the people having kings; the people disregard, God says to let them (stumble). Saul is presented. Remember, p. 723 [7/23/2026 is when the Boreville quake & flood was slated—postponed because of sufficient repentance & intercession] B.O.'13 opens with "Samuel" and ends with "Saul". So this page of the Bible ties to that whole motif, even as p. 392 NT does.

At 10:19 pm, after that set, I did a COST Query, "Should I change my HMITF [quest] focus to Maya?" [from IBC = Mande, who took it back on an AB result yesterday] The second place I opened to I rated a 9.5. Per p. 226.7 of Index '13 including entries, "Purity, Pure [meaning of starting] Purpose [FYLC]; Push [STHW = last/omega NT def of how to become a point hit / godly: "a5624 serviceable, helpful, useful, profitable" to the four Bwano characterstics: "do what you love • do what helps the world be a better place, • do what you're good at • do what brings a sufficient income — all part of the FYLC pattern m/sen.]; (Quake) Quake; Queen; Quickly; Quicker [Job 33:25]; Quiver [Gen 49:2 is this version]; Race [she's Mad] [now I know for sure].

On the tablet is this definition for "maya" 1 n. 1. (Hindu mythology) Magic; supernatural powers as held by the gods 2 (Hinduism, Buddhism) The power by which the universe is made to appear; the illusion of the phenomenal world, as opposed to its true spiritual reality. "That's related to the notion that HMITF is the Holy Ghost incarnate.
