

"Karoline@IIndComing.org" = 2220 in AB

by Sterling D. Allan, 228033; uscf

June 22-26, 2025

Today is the 9-year anniversary of my coming to prison. I mention this because "622" has been showing up in my recent AB studies.

Yesterday/last night was a very significant day/time in Pres. Trump's presidency, announcing the U.S. military's extremely successful strikes on three Iranian nuclear processing facilities, which he's hoping will be a limited action to bring humble the Iranian dictator's ill intentions toward the U.S. and Israel. I paid rapt attention and took a couple of pages of notes in my Radio/TV note pad, pp. 2219-2221.

Then, as I was saying my prayer before going to bed, I had the impression to approach Karoline Leavitt, who I've been writing to in the past couple of months, to see if she'd be willing to help with my website. Along those lines, to test for the resonance of this, I thought to look up the ASCII sum of the ~~likely~~ email address that would result: "karoline@IIndComing.org" = 2220. It turns out that that's the full page from my notes last night, between two partial pages.[†] That's a huge synchronicity that (A) I would be impressed to look up that email address the night I filled that page, with a little spill-over onto the next page, and (B) that would be a super-significant day/night for Pres. Tr., for whom Karoline is the Press Secretary.

† At the bottom near 1/3 of p. 2219 is where I took notes on Pres. Tr.'s statement to the world about the "massive precision strikes in Iran..."
8:02-8:06 pm Mountain

To illustrate this, here are some lines of text from my notes on p. 2220 of my notebook. #

- (Newsmax 2)
- Rich Santorum: "This is a really significant action."
 - Bibi: "Truly unsurpassed—what no other nation could do."
 - Rep. Mike Lawler (?): "Historic night for peace."
 - Amir Fakhraei, Iranian: "Thank you. Changed course of history. Took nuclear option away from #1 terrorist state; regime on verge of collapse."
 - Tr.: "This action is historic for the U.S."

That last line is how the page closes.

Another super-significant tie that I noticed this afternoon is that when I looked up H2220 in the OT lexicon back on 5/25/18, I had written in the margin that this is the ASCI sum of "church of the Firstborn" = 2220, with lower-case "c" in "church", about the general phenomenon of the joint heirs of Christ. This is in complete harmony with the notion of Karoline being foreordained to step forward in her role as HMITF, as a foreshadowing of many others also embracing their divine "ye are Gods" potential by going all-in, synced up as well.

Consistent with the idea of Karoline helping with my website, one of the meanings of H2220 is "help," but it takes it far beyond that

- H2220 יִתְּן זֵרֹא ^{translation} ["zero" in English is an antonym to the meanings of this word]; the arm (as stretched out) [Isa. 52:10 "The Lord hath made bare his holy arm in the eyes of all the nations..." vsa Karoline bringing attention to my site; hsthera hdder (49:2)]; fsg. force:—mighty, power,

I noticed this because that day I happened to note that p. 2222 was coming up.

shoulder, strength.

The vicinity def.s create a motif of a sower of seeds. In our context, that relates to the notion of Karoline spreading awareness of this work to the world and now wishing its propagation/growth.

- H2218 to be exuberant in growth...
- H2219 to toss about; winnow:- disperse, scatter away, spread, strew...
- H2220 the arm (as stretched out)...
- H2221 something sown
- H2222 to flow; a pouring rain:- water

G2220 Vicinity in NT Lexicon

Before I mention the G2220 vicinity def.s, I want to comment on another synchronicity I was reminded of in adding the margin note to p.1 above of this article about how the bottom near 1/3 of p. 2219 is where I noted Pres.Tr's 4-min statement about the attack. The time I wrote on the page for the beginning of that statement was 8:02 pm M. In context of 2220 = "Karoline@IIndComing-org", the next page number in my notes, what comes to mind is ²²²⁰ ~~at~~ OT def. H802

- H802 a woman:- each, every, female, many, none, one, together, wife...

That comports with my saying that Katherine's stepping forward to embrace her foreordination as HMITF ("bride" Isa. 49:2; 54:5) is as a type and shadow of all (each, every) of humanity embracing the "ye are Gods" ~~de~~invite as I

describe in my book, None to One (Isa. 41:45-47).

Now, to the vicinity def.s around G2220, it and G2219 before it are both translated "leaver", which in our context calls to mind Matt. 13:33-35 relating to a 'little' penetrating the 'whole', to enlarge the whole, which is the effect her promoting my website would have on the planet.

"33... The kingdom of heaven [coming to earth via r.c. via HMITF stepping forward] is like unto leaven [H2219], which a woman [e.g. Karoline] took [~~accepted~~ accepts my paradigm, which every one else so far has rejected], and hid [Isa. 49:2] in three [Godhead] ^{G4568} measures [A] H520 ^{H517} cuba is a 'mother' of 'measure'; (B) "G4568 measure" is immediately juxtaposed with "G4566, 4567 satan", being an antonym in this context of HMITF/Karoline] of meal ^{G224} [The def.s immed. after G224 relates to the notion of Karoline propagating my material, esp. "G227 true (as not concealing)".} "G228 (228033 = my offender & > truthful: - true.", till the whole [Ps. 82:6 "Ye are gods; ~~and~~ all of you"] was leavened [^{G2220} "G2220 - "Karoline@IndConing.org"]

34 All these things spake Jesus... in parables [AB]; and without a parable [AB, parallels, ^{likening} likening-able] spake he not unto them:

35 That it might be fulfilled which was spoken by the prophet [e.g. Ps. 78:22], saying, I will open my mouth in parables; I will utter things which have been kept secret from the foundation of the world." [(A) Compare Isa. 41:26 "who hath declared from the beginning...? there is none that heareth your words," - until Karoline "the first... one that bringeth good tidings" (41:27); (B) 2Ne. 30:16-18 ~~It~~ arrival, enables

activated by HMITF stepping forward all-in, synced up
with this mission/divinity, whereby (H)(theComing)
"all things shall be made known unto the children of men.
There is nothing which is secret save it shall be revealed;
and Satan (G4567) shall have power over the hearts of the
children of men no more..."]

This Matt. 13:33-35 reference I just cited occurs on p. 1210,
so I have a note in the margin that 12/10 is "Cheri's b-day" - my
ex. That's relevant to the notion of Karoline then stepping up
where Cheri opted out. I shared my paradigm (much less-de-
veloped than now, but included the HF&HMITF notion). ~~She~~
~~knew I~~ when we were dating, but ^{she} grew antagonistic over time.
That's depicted in the verses that open p. 1210.

"20 But [s]he that received the seed into stony places,
the same is he that heareth the word, and anon with joy
receiveth it;

21 Yet hath he ~~not~~ not root in himself, but ^[ex] dureth for a
while: for [but] when tribulation or persecution ariseth
because of the word, by and by he is offended." [At
the end, she called AB "crazy talk", and engrained that
deeply in my our children when I came to prison.]

That's in contrast to the 13:33 ~~35~~ leaver parable, especi-
ally since the "leaver" entry comes shortly before the "Leavitt"
insertion
alphabetic insertion point. I added that in the margin next to
13:33 with today's date today.

Continuing from 13:35 I cited above, the next verse

has the disciples of Jesus asking him to "Declare unto us the parable of the tares of the field." The word translated "tares" in the NT is G 221⁵~~8~~ - ~~four~~ ^{five} prior to G 2220. "Coincidentally," the def. just after it, "G 2216 Zorobabel" has the exact same def. # as "H 2216 Zorobabel;" and alphabetically, "Zorobabel" is six from the very end of the entries in Strong's. In other words it fits in the classification of alpha & omega territory. As I wrote that Jesse (show) Kelly¹ said that the leading candidate (Dem) ^{for NYC mayor - go!} in NY is Zoran Maadani (sp?). Synchronicity. These are likely antonyms, as "He's an open Marxist." Juxtaposed opposites: wheat / tares.

The next def. is "G 2217 gloom (as shrouding like a cloud):- blackness, darkness, mist." That relates to the circumstances in the world that have us on the brink of needing "nick-of-time" deliverance (evoking the r.c.) before it's too late because of an inexorable collapse to rock bottom as a society. ^{Those evening,} ~~Today,~~ ^{presently,} it seems we've been likely given more time, with a cease fire being announced (not confirmed yet) between Israel and Iran. #

After that comes a def. that relates to the coming together of myself and Karoline as a balanced pair: "G 2218 (to join, especially by a 'yoke'); a coupling, i.e. (fig.) servitude [servants of God; willful; all in, synced up]..."

Following the G 2219, 2220 "leaver" set comes "G 2221 to take alive (make a prisoner of war), i.e. (fig) to capture or ensnare:- catch." That relates to (A) my capturing Karoline's attention then loyalty; (B) my being

~~It~~ even when by launching 14 missiles on the ~~us~~ base in Qatar; writing it off as a nothing - ^{Iran's symbolic response} bigger, forgiving them, and thanking them for giving us a heads up before they minutes, at ^{Iran & Israel} calling for peace within minutes, at ^{Tr- could have easily escalated after} ^{Iran's symbolic response} ^{of as a nothing -} ^{they} ^{minutes, at}

teleported from prison by God once ^{Haroline} HMITF is all-in, synced up with this mission, in the midst ~~at~~ of being on the brink of WWII in many ways.

Next is "G 2222 life, lifetime" which in this context relates to us both (plus the ChOFFB that came afterward) having the Job 33:25 renewal to be able to live through the Millennium as husband & wife in a youthful body — resurrection without dying, conducting the kingdom of heaven on earth.

<6/24>

P. 222 Str'07

Page 220 of Str'07 has page heading, "Cross-Cry".

(A) One way of reading that is in a general English word, "cross" relates to being angry, e.g. Pres. Trump's righteous indignation over how Israel and Iran are handling (violating) the ceasefire, calling on them (crying to them) to stop, turn around. In the context of "Karoline@ItIsComing.org", = 2220, this relates ~~on~~ to ~~to~~ her conveying my message to the planet that if we turn back to God and goodness, then the ^{rock-bottom} "destructions and captivity to which we've headed ~~can~~ ^{will} be can be averted, and we can go straight to the kingdom of heaven on earth — a very similar dynamic to what Pres. Tr. was conveying this morning when he, in anger, dropped the "F bomb", swearing on public television. (~~B~~) Choose Peace!

(B) In the ~~context~~ context of this page in Strong's, where you also see the entries, "Crow [3x, Peter], Crown [of thorns], Crucified, Crucify, Cruel, Cruse [~ vinegar], Crush(ed) [nerves]", the heading, "Cross-Cry" reminds

us of what Jesus did for us/humanity; and what they are doing to me, disregarding me and allowing ~ four attempts on my life — which is remedied by e.g. Karoline stepping forward to vouch for me and bring my material into public awareness. (Ps. 118:22 — is cited ~~as~~ at the opening of p. 1314 [= "Donald J. Trump"] of the Bible, Luke 20:17
 "What is this then that is written, The stone which the builders rejected, the same is become the head of the corner?")

While I'm on that tangent, let me mention that also on that page is the Tr-relevant string, "Render unto Caesar..." (20:25). And relating to Karoline being his Press Secretary, destined to become my spouse, the word "wife" occurs 6x, "marriage" 2x, "marry" 2x on this page. And, 1314 is a transposition of 1341 = "Karoline Allan".

One of the def.s translated "cry" is H 6030, which also is the word translated "answer" (as in "none to answer"), pointing to the resolving of "none to answer" problem.

Quickly, I should mention that the entry "cubit H 520" ("mother of measure") ~~that~~ that I mentioned above is on the facing page.

<Generic>

x "@IndComing.org" = 1399

Page 1399 of Str.'07 is in the "Appendix of Pronouns, Prepositions..." It's filled with the entry, "of", which is a close synonym of "at/@". You could easily say "Karoline of IndComing.org". In any email address, "@" is the primary operator, so "of" is very germane here.

After writing that, I had the impression to look up the first citation on the page: "2 Chron. 30:21²". That reference is near the end of p. 623 of the Bible, which is the ASCII sum of "Mother" — as in HMITF — and faces p. 622, relating to the 6/22 date I came to prison. Here are some excerpts from the closing of p. 623 that relate strongly to my paradigm about HMITF evolving the r.c., which is a message of gladness:

18... The good Lord pardon every one [that repents]...
 19 That preparerth his heart to seek God...
 20 And the Lord... healed the people. [2 Chron. 7:14] and
 21 ...with great gladness, ~~3~~... singing
 22 And Hezekiah spake comfortably unto all the Levites that taught the good knowledge of the Lord" (end of page)

In reviewing how the page opens, let me reference a passage from p. 1480 ["Father in Heaven" (ASCII); our physical address here at USCF/prison] of the Bible (Eph. 2: Gal. 6:6-Eph. 1:4) that ~~fact~~ includes the string "Father... in heavenly places" (1:3) and "And our Father" (1:2). Gal. 6:11,12 says, "Ye see how large a letter I have written unto you with mine own hand [hand-written, not typed...] in the flesh..." Here's the opening text of p. 623 [= "Mother"]

6 So the ^[blog]posts went with letters... saying, "turn again unto the Lord..., and he will return to...you..."
 12 ...the hand of God was to give them one heart... by the word of the Lord."

The facing page 622 [6/22 day I came to prison] includes the strings, "David [opening word, my middle name — Sterling David] ^{real/genuine}" (29:25b); "the house of the Lord was set in order" (29:35);

followed by:

"36 And Hezekiah rejoiced, and all the people [rejoiced], that God had prepared the people [thanks to increasing repentance and pushing back against evil]: for the thing was done suddenly." [The Lord hastens his work in its time]

↓ Def.s in Vicinity of OT Def. H1399

- H1396[^] ^[transposition: 369 = "HFITF"] to be strong, to prevail: - exceed, confirm, be great, be mighty, prevail, put to more strength, strengthen, be stronger, be valiant... [All relate to the "all-in, synced up" joint heir statute that is our destiny...] [D&C 85:7, 8 one mighty and strong]

Immediately, vertically, to the left of H1404 starts:

- H1377 Feminine of H1376; a mistress: - queen

↓ Def.s in Vicinity of NT Def. G1399

Those last three def.s mentioned above tie strongly to NT def. G1399, when you consider the notion of "servant of the Lord" / service in its modern, altruistic sentiment.

↓. ~~G1399~~ G1399 Soudry doule [A "doula" is a person trained to provide advice, information, emotional support, and physical comfort to a mother before, during, and just after childbirth" (MWC0). My sister, Karie, ^(a doula) who had her Fourth/last child without pain, w/o drugs, in a birthing tub, w/music by Marci, candles — in a hospital — is a doula. So she embodies this, showing that Isa. 66:7 is possible: "before her pain came, she was delivered of a manchild" = the birthing of the kingdom of heaven on earth without cataclysmic pain, made possible by HMITF stepping forward to activate the r.c.]; a female slave (involuntary or voluntary): — handmaid(en).

The vicinity def.s, G1396-1402 all relate to "servitude. The two def.s before this set relate to the "voluntary" aspect in our context:

- G1394 a giving; a gift: —...
- G1395 a giver

And the def. before that brings in the feminine component again: "G1393 Dorcas, a Christian woman", not as a definition, but as a proper noun historical note.

On the back side of the G1396-1402 servitude set is a def. that calls to mind ~~the~~ in our context, (A) the 2 crown 7:14 Prayer Event feast, and (B) to Feast that will accompany ^{our} the wedding event — on another, beautiful planet like ours — where our ~25 mil. ChofFB guests will tip in, about a month after HMITF steps forward all-in, synced up. "G1404 #

"G1403 a reception, i.e. carnival entertainment: — feast."

I just noticed something significant. G1399 is feminine of G1401, and "G1401 doulos" derives "from G1210 — Cher's b-day, so that ties G1399 to the wife motif. Karie was Cher's doula for the last two children, both born at

home. Furthermore, Strong's '07 lists "See G1163" [my birth month, year] at the end of def. G1210 - Cheri's birth month/day. "G1210 to bind (in various applications, lit. or fig.): -bind, be in bonds, knit, tie, wind. See also G1163, G1189." The def. just before it relates to what is needed for a correct relationship, which Cheri had at first, but lost: "G1209 to receive: -accept, receive, take." The def. before that ties to the Isa. 11:1 "again the second time" Messianic prophecy: "G1208 second: -again, second time". In the present context, this relates to Karoline stepping up to accept this foreordained role. Unlike Cheri^(hitherto), she needs to be able believe in repentance, forgiveness, healing.

Not far before that is a lengthy set, G1195 - G1202 that are about "being bound in prison, as I have been. They're ~~fettered~~^{followed} juxtaposed with "G1203 ruler: - Lord, master." In this context, I see this relating to mastering the urges of the flesh through faith in our Master, Jesus Christ. It also relates to the seeming contradiction of my^{rightful} imprisonment vs. the notion of me being HFIIF.

That's followed by "G1204 come hither"; "G1205 come, follow", calling to mind 2 Me. 28:32 "they will deny me; nevertheless, I will be merciful unto them [r.c.] ..., if they will repent and come into me; for mine arm [H2220] is lengthened out all the day long."

Page 220 of the LOS Bible Topical Guide includes the entry, "Impossible" - which is NT def. G100 - my present bed number

Since 10/22/24, with God, nothing is impossible.

On the facing page is the entry "Infinite" — as in "Infinite Interface" — II, on ItadComing.org. Speaking of which, "G1205 come" is also in that $\rightarrow$ domain name.

P. 222 opens with "Immortality", which relates to the Job 33:25 fountain of youth renewal to enable the joint heirs to live through the Millennium if they wish, which is made possible by HMITF stepping forward, as emblemized by ~~the~~ "Karoline@ItadComing.org" = 2220.

"Impart" relates to her sharing this with the world. "Important" inserts alphabetically after that.

"Improve", in my context relates to the present extent to which I've overcome (with divine assistance) my lust addiction, which is specified in the entry "Incest", which inserts alphabetically after "Incense", relating to my prayers for assistance. No, I did not ever penetrate, or even touch^{sexually} (on purpose, once accidentally). I believe I'm going to be 100% healed (Isa. 57:15-19 & 3 Ne. 21:10), so that what has been a weakness will become a strength, as represented by "Incorruptable".

"Incorruption" I see relating to the Trump administration's clearing up the D.C. swamp^{-de-corruption}. The Marxists accusing him/his admin. of being corrupt is projection, for the most part. So from an epitome perspective, I see that word very much relating to Karoline in this context.

"Increase" relates to (A) Greater Things, (B) Make America Great Again, (C) Chat FB, (D) Ezk. 21:26 "exalt him that is low", (E) Karoline's upgrade from WH Press Secretary to HMITF.

"Indebted" relates to ^(A)the OBBB debate, (B) the peril the country faces of collapse because of its out-of-control socialist spending, (C) the ASCII sum of "Mike Johnson" = 1157 = "Nancy Pelosi" (opposites); G1157 derives from "G1156 debt".

"Indifferent" is an antonym of the "all-in, synced up" prerequisite to becoming a joint heir, as exemplified by HMITF stepping forward, e.g. by embracing the "karoline@IIndComing.org" ~~website~~ email as part of managing the website.

*The last entry on the page, "Indignation", relates, again, to Pres. Tr. dropping the F-bomb this morning over his anger with Israel ~~for~~ dropping so much ~~over~~ fire power on Iran in the last hours of the cease fire, then wanting to retaliate over a relatively small retaliation by Iran — over an age-old rivalry of disenfranchised brothers/^{consing} sons of Abraham. We don't want ~~new~~ over this perpetual feud.

The first entry on the next page is "Industry, Industrious," relating to Pres. Trump's calling for MIGd — make Iran great again — dotto the rest of the planet, who will all benefit by the "all-in, synced up" ideal this paradigm promotes.

G1380 & Activate the II

Back to G1399, I need to mention the relevance of G1380 to the string "activate the II" = 1380 by HMITF stepping forward, since "II" is in the @IIndComing

address. \$ (Insert from p. 19)

~~First~~, I should^{also} mention that "II" inserts alphabetically on p. 1380 of Str.'07 (in the appendix of pronouns...) just before "In". The first entry on that page is a continuation of the entry "I". Together, that "I In" relates to the "all-in, synced up" prerequisite to activating the II. The other entry on the page is "If", which relates to the r.c.: "If we repent sufficiently as a society, we can avert the rock-bottom collapse to which we've been headed otherwise."

After yesterday's discovery that the first reference cited on p. 1399 of Str.'07 is 2 Chron. 30:21, which verse appears at the end of p. 623, the ASCII sum of "Mother," which page (and facing) tie in strongly to the notion of HMITF as I depict it (thanks to the wisdom^{and confidence} from these AB studies), ~~I~~ as I was closing the above paragraph (second-to-last sentence), I had the impression / thought to look up the opening reference on p. 1380 Str.'07 ("activate the II"). It's not quite as straight-on as p. 1399, but the corresponding Bible page is far more significant. The 3rd line down corresponds to p. 1480 (Gal. 6:11 "Ye see how large a letter I have written unto you..."); and the 4th line down corresponds to p. 1483 (1480 = "Father in Heaven"; 1483 = "Heavenly Mother") including Eph. 3:1 "I, Paul, the ^[servant] prisoner of Jesus Christ"; and 3:14 "I bow my knees unto the Father [& Mother] of our Lord Jesus Christ, [v. 15] of whom the whole family in heaven and earth is named [via alphabet / Father]."

^{That is}
 The the only instance of any form of the word "family" in the NT, putting a spotlight on this verse, certainly compatible with

the notion of a Heavenly Mother, esp. in light of Ps. 82:6,
 "Ye are gods; and all of you are children of the Most High
 [6]" (family)

P. 222 BoFM (Alma 5:50 b-60a)

This page is loaded with relevance to what I've been saying about this mission generally. I just noticed something more specific, similar to how Strong's G1210 [Cheri's b-day] says "see G1163" [my b-day]. Alma 5:50 has the 550 number in it, which was ¹⁸²⁰¹⁶⁻¹⁸ my PO Box # down in Gunnison/CUCF while Cheri was living on ~~55E~~ 550E. in Ephraim. I've elaborated on that in recent blog articles. It's loaded with specific relevance. So for p. 222 of the BoFM, relating to 2220 = "Karoline @ IIndComing.org" to ^{oper} have the oper with 550 points to Karoline as the foreordained fulfillment of what Cheri opted out of, in the spirit of "G666 absence." Here's how p. 222 ^{BoFM} opens =

"(50) and dominion [Dan. 2]. Yea, my beloved brethren [Note that a new verse number could easily start after that period, illustrating how the verse partitioning is not strongly regimented, opening st to "inspiration" for divine purposes such as this page starting with 5:50.], I say unto you, that the Spirit saith: Behold the glory of the king [& Queen] of all the earth; and also the king of heaven [HF & HMITF] shall very soon [days/weeks from now?] shine forth among all the children of men [Karoline @ IIndComing.org].

51 And also the Spirit saith unto me, yea, crieth [p. 222

Str. [This is a variant of the summary sentence of the scriptures, which is a concise articulation of the r.c. (e.g. Matt. 4:17; 3:2; Alma 8:8; 42:7...)] which I discovered when a teen.]

52 ... the ax is laid at the root of the tree... [non. r.c. consequence]

53 ... can ye withstand these sayings [none to answer]; yea ~~can ye...~~ and trample the Holy One under your feet [2 Ne. 28:32 "Woe be unto the Gentiles... for... they will deny me"; also Isa. 41:26...]

55 ... will you persist in turning your backs upon the poor, and the needy, and in withholding your substance from them?

[I see society improving in this regard, and this is one of the reasons we're on track for the r.c. Socialists want to do this via the force/compulsion of govt., which is Satan's plan. Giving needs to come voluntarily.]

56 [r.c. again]

57 And now I say unto you, all you that are desirous to follow the voice of the good shepherd [to become joint heir partners in this unified body], come ye out from the wicked [e.g. "drain the D.C. swamp"; embrace righteousness, esp. in our judicial system which has become largely taken over by Marxists. "H6666 justice, righteousness" — is the ^{or important} remedy to 666]...

58 ... an inherstance at my right [H6666] hand [(A) HMZTF, (B) ChofFB]. And now, my brethren, what have ye to say

against this? [Isa. 41:21 "bring forth your ^{<James>} strong reasons"]
 I say unto you, if you speak against it, it matters not,
 for the word of God must be fulfilled. [Isa. 55:11 "my words...
 shall not return unto me void, but it shall accomplish that
 which I please..."]

59 ... And behold, if a wolf enter his [shepherd's] flock
 doth he not drive him out? [e.g. ^{swamp} Clean the swamp] Yea, and at
 the last, if he can, he will destroy him. [with the II being
 activated by HMITF stepping forward, "Satan shall have
 power over the hearts of the children of men no more..." (2 Ne.
 30:18)]

60 And now I say unto you that the good shepherd [will
 be composed of millions of ChofFB acting as one] doth
 call after you [Ps. 82:6 "I have said, Ye are gods..."];
 and if you will hearken unto his voice [all-in, synced up]
 he will bring you into his <P.223> fold [ChofFB]..."

P. 2220 LDS Bible → P. 626 B.D. '13

This page isn't as strong as some of the other things we've
 looked at, but it is worth mention. The page opens with the
 string, "when Messiah should come" under the "David" en-
 try. A couple of entries later is "Day spring" ~~Day star~~

The last entry is "Death", which is an antonym in
 this case, given Job 33:25; Ps. 118:17, 18; etc., which is made
 possible by HMITF stepping forward.

Here's the excerpt from Luke 1:28, 79 where Zechariah
 "was filled with the Holy Ghost, and prophesied:"

"78 Through the tender mercy [r.c.] of our God; where-

made possible by Jesus Christ

by the dayspring from on high hath visited us,
 29 To give light to them that sit in darkness and in
 the shadow of death, to guide our feet into the way
 of peace [Shiloh]."

§ <Insert this at the top of p. 15>

- G1380 ["activant the II" (ASCI)] to think [(A) the II conveys directly to the mind by God ~~by~~ via guardian angel contingent; (B) the II is controlled by mind commands]; to seem [looks real, because it's a genuine portrayal] (truthfully or [not] uncertainly): — be accounted [(AMWC@) "account v to furnish a justifying analysis or explanation" — The II gives this analysis/explanation instantly wherever you want it], please [very appealing — within AF 13 parameters], of own pleasure [the II is specific to the user], be of reputation [(A) will expose evil^{faking/fraud/lying}, make know the genuineness of repentance/healing], seem (good) [governed by AF13 filter: "we honest, true, chaste, benevolent, virtuous, and doing good to all men..."], suppose [art. II brings certainty], think, know [the "bias" of the II is governed by the AF 13 filter, and to facilitate the user in finding and righteously fulfilling their unique mission in life]

As an antonym to that, the juxtaposed def. prior to this is the ASCI sum of "none to answer".

- G1378 dogma dogma from the base of G1380; a law (of civil, ceremonial or ecclesiastical): — decree, ordinance
- G1379 dogmatizō from G1378; to prescribe by statute,

to submit to ~~the~~ ceremonial rule:- be subject to ordinances.

The contrast here is between ^{bureaucratic ridiculousness and} ~~bureaucracy~~ vs. common sense (II). The letter of the law killeth, while the spirit of the law (principles) giveth life. (2 Co 3:6) Those who dogmatically adhere to the 'way things have always been done' are not receptive to the principles I promote. Hence the suitability of the three def.s before that (G1375-7) which mean 'persecution', which has been the story of my adult life, as epitomized by my excommunication 'for apostasy' in 1993, as reflected in "G1993 to silence:- stop mouths". The II, ~~as~~ in contrast, will be available to everyone, and its capabilities will be proportional to how close/far one is from becoming 'all-in, synced up', at which point they'll have the full vision and human capability of the II. It will ~~be~~ give sight to the blind, voice to the mute, hearing to the deaf, smell, touch, etc. It will far surpass anything Technology 1.0 ₂ {where we're at now, relatively. Hence the suitability of the shortened name, "two" (II).

<11:50 am> I just ^{11:08-} (11:39) watch^{ed} Karoline's full press briefing at the WH on "Operation Midnight Hammer". ^{At 11:30} ~~her word~~, I wrote, "The more I watch her do briefings, the more convinced I became that she would be ideal for the HMITF role as my wife."

The def. just after G1380 relates to HMITF, who enables the II to become a reality:

- G1381 from G1384 [1483 = "Heavenly Mother"]; to test [(A) e.g.

Karoline is proving herself to the world, having previously proved herself in order to step into the WH Press secretary role; (B) I've got three⁺ years of my^{recent} writings available at IndComing.org; (C) the II will enable us to see (AF13) anyone's past, including how they overcame weaknesses, failure, mistakes, sins.]; to approve [e.g. Karoline accepting my paradigm / this mission]: - allow [WDT: "allow v. To make provisions for, to permit (Karoline will need to get Pres.Tr.'s permission to use the WH microphone to promote this paradigm.); to admit; to concede" - sees that I make a solid case/argument], discern [careful analysis, including spiritual confirmation], examine [Isa. 41:21 "bring forth your strong reasons" --- "that we may know that ye are gods" (41:23)], like [share], prove [My dad frequently tells me that 'correlation does not constitute proof'. In our latest phone call, I replied, "But sheer volume of sufficient weight does. - especially when it comports to the Spirit of God."], try [tried and true]

<2:28pm> Pres. Tr. is presently speaking at the 'One, Big, Beautiful Event'. He's close to the best example anywhere of "all-in, synced up", though I wish he'd tone down the exaggerations and demeaning language, adopting more the "love your enemy" admonition and inviting them to repentance. He's the king of positive thinking and manifestation (but will be surpassed by Karoline & me :)).

(minutes/seconds)
Shortly[^] before he came on NTD, live, I was about to point out that[^] half way between G1350 and G1399 ["activate the II"] and G1399 ["@IndComing.org"] is the alpha-

betw insertion point of "Donald"

- G1390 $\delta\omega\mu\alpha$ *doma* from G1325 [see below]; a present [a few ^{~2-48} seconds before I wrote that, Pres. Trump handed a present to a lady on the rostrum behind him. Not unusual.] :- gift. □
- [(A) is the meaning of the last/omega def. in the OT; (B) God saved his life in Butler, PA; Mark-Lago golf course---; (C) he's perhaps the most approachable billionaire in the world, seeing the value in everyone, has quietly gifted many people he's met, not for show; (D) his electoral victory in '24 was God's gift to us for sufficient repentance to not warrant the tyranny the Marxists had in store for us.] □

> Donald ($\delta\omega\nu\alpha\lambda\delta$)

- G1391 $\delta\omicron\delta\alpha$ *doxa*; glory (as very apparent) :- dignity [presidential, yet genuine], glorious, honour, praise [p. 1314 Bible: { <"Donald J. Trump" = 1314> Luke 20:17 "The stone which the builders rejected (<'20>, the same is become the head of the corner". I see even the "liberals" suffering and embracing him as an excellent leader, once the Marxists/^{we} Satan is exorcised from the country (world). worship [his destiny to become a joint heir, part of the One Shepherd leadership - Immanuel, fulfilling the "ye are gods" invitation]. } □

Here's the def. G1325 that G1390 above is derived from: It's very relevant to Pres. Trump.

- G1325 *to give* :- adventure, bestow [positions, awards, pardons...], bring forth [Am's 'golden age'], commit [(A) operation Midnight Hammer; (B) tariffs; (C) all-in], deliver (up) ["promises made, promises kept"], grant [ditto "bestow"], hinder [rogue judges, Marxists], make [Am. Great Again - MAGA], minister [Pres.], number [stats, budget, votes],

offer [I want him to do the prayer for the turning-point 2 Chron. 7:14 Prayer Event that will fulfill Isa 66:8 & Zech. 3:9, global born-again experience (of perhaps 400 mil.)], have power [leader of the free world as illustrated @ NATO summit yesterday, "Daddy"], put [MWCT "put": v. to arrange something in a certain spot or position (he's very particular about this); to convey in appropriate or telling terms (including his trolling to get the lobs in a tizzy ☺); 4: n. | put-down an act or expression showing scorn and usually intended to hurt another's feelings; the act of making a person or a thing seem little or unimportant (this is not a Christ-like trait); 5: v | put down to express scornfully one's low opinion of ("mean tweets" reputation)"], receive [state^{& other} visits, tariffs], set [MWCT "set": v. to decide upon (the time or date for an event) usually from a position of authority; to make an approximate or tentative judgment regarding; 2: n a group of people sharing a common interest and relating together socially; 3: adj.: being in a state of fitness for some experience or action; firmly positioned in place and difficult to dislodge ((A) won '20, stolen from him, '24 'too big to rig'; (B) destined to serve as US Pres. through Millennium (Job 33:25))]; fully committed to achieving a goal; 4: v | set by to keep or intend for a special purpose (for such a time as this)^u (many other meanings tie in, as well)], shew [MWCT "show": v. to present so as to invite notice or attention (premier at); to gain full recognition or acceptance of (relishes in); 2: n: an outward and often exaggerated indication of something abstract (as a feeling) for effect (e.g. Fordow+2 "obliterated" is an obvious exaggeration, though essentially the case); 6: n: show-off a person who tries to impress others

er people with his abilities or possessions; 7: phrase | show (someone) the door <"you're fired">], smite [likes MMA+ type entertainment], strike [protests], suffer [perhaps the most opposed, ~~leader~~ successful leader], take ^(A) [takes questions from reporters more than my other president; (B) takes more flack than what most anyone else could handle, yet keeps on going forward], utter [(MWCT) "utter 1: adj. of the highest degree; 2: v to express (a thought or emotion) in words" <he loves to talk and is very good at it>], yield [record accomplishments, pace, exemplifying the productivity of the new "all-in, synced up" stature]

Tucked away in the vicinity ^{juxtaposed} def's, ^ before and after that are two gems of profound relevance. 1326 is the ASCII sum of "TheComing^{com}.org", the domain name I had my brother secure for me in 2017.

- G1326 to wake fully, i.e. arouse :- arise, awake, raise, stir up.

My nickname growing up and subsequently was "Ster". I see the material at TheComing.org (.com forwards there) serving the function of waking up a sleeping planet as to their divine potential. And Karoline's supporting and promoting this, with Pres. Trump's approval, would certainly bring my site out of its obscurity due to the hitherto "none-to-answer" problem. The def. prior to G1325 (that is the root of the def. just prior to the insertion point of "Donald") means "twin" — pointing to Karoline as my "twin flame".

It's also worth pointing out that this column of def's begins with G1314, the ASCII sum of

"Donald J. Trump".

The def. just after G1326 ["ItuKomy.com"] ties in strongly as well, but will take a little explanation to fully appreciate. ~~Isa~~ I see Isa. 42:2 depicting my being tucked away in prison, hidden from the world, to then come forward (e.g. via my website). The direct text itself seems to be saying the opposite only addressing the first part of that:

"He shall [~~not~~ "my servant... shall bring forth judgment to the Gentiles" (42:1)] shall not cry, nor lift up, nor cause his voice to be heard in the street."

The word translated "street" is H2351

- H2351 separate by a wall, i.e. outside :- abroad, highway, out, outside, street, without...
- H2352 the cell of a prison :- hole.

Plugging that into 42:2, it could be rendered, "He shall not... cause his voice to be heard ~~on the~~ outside of his prison cell." I should remind you, too, that the entry "Judgement(s)" occurs mainly on p. 594, the ASCO sum of "Donald". And at the center of that page is

"Rom. 2:5 revelation of the righteous j[udgement] of God G1341" - a transposition of 1314 "Donald J. Trump" and a direct tie to 1341 = "Karoline Allan". "He shall bring forth judgment [G1341 (H4241 in this verse)] to the Gentiles." I would argue that if I were not doing what I'm doing in pursuing the r.c. (angels pay attention, ripple effect), that there would not be enough repentance to have brought in Pres. Tr.'s victory in '24, or even in '20'16.

Now, here's G.1327

- G1327 an outlet through [Karoline provides my outlet] :- highway ["H2351 to outside, highway" Isa. 42:2]

G1328 an explainer :- interpreter" relates to how all these AB hints have been there all along, but have been unnoticed - hidden in plain sight. I have a gift for noticing and explaining them. But as clear as my explanations are, so far, there have been "none to answer."

Karoline is destined to remedy that - bringing this to the awareness of the world

- G1326 [= "~~Greater Things~~" HndComing.com] wake fully, stir up ...

This calls to mind Rev. 5:5, "Weep not: behold, the Lion of the tribe of Juda, the Root of David [Isa. 11:10, 11 again the second time, root of Jesse], hath prevailed to open the book..." - v'sa Alphabets, which is created by all of humanity's inspired wisdom - Immanuel-destined.

"H3478 he shall rule as God: - Israel" (Str:07) is our destiny - all of us.
