

ChofFB Blessing Bestowal Dream

by Sterling D. Allan

9/6 2025

I had an amazing dream last night with two parts. The first part entailed my coaching/encouraging a lady who was about to embark on a ~~je~~ major undertaking that would challenge her profoundly. I don't recall what that entailed. As she was about to depart, I said, "Blessing" is coming to mind." She then asked if I would give her a blessing. (This would be a first for me since my excommunication in '93 for "apostasy".)

That then began the second part of my dream, which was a lucid dreaming state in which my conscious mind was driving though still in a dream state. The wording of the ~~dream~~^{blessing} came from my conscious mind. I don't remember the exact sequence, nor wording, but I do remember the concepts/principles. I jotted them down at 4:16 am. I remember seeing 3205 earlier in the dream, perhaps ^{when} ~~where~~ the lucid portion began.

I remember feeling very satisfied/joyful as the blessing wording ~~pro~~ portion proceeded. "Why didn't I think of this sooner?", I wondered, toward the end. An idea whose time has come. I see this blessing being applicable to anyone who claims it, by becoming "all-in, synced up" with divinity, which summarizes what it takes to become a joint heir of Christ or member of the Church of the Firstborn (ChofFB).

As I reconstruct this blessing from my notes, I'll be doing it from a fully conscious mind, drawing on the paradigm

(2)

that I've been developing grace for grace over decades of studying and living, inspired of God, and especially facilitated by the Alphabetic code I discovered in the scriptures that provides profound insight from the inspired wisdom of the ages, in very specific ways.

" [I didn't know her name, but that was okay (because, I realize now, she is a stand-in for anyone who qualifies)], ~~For~~ I lay my hands upon your head by ~~the~~ in the name of Jesus Christ and by the power of the Melchizedek priesthood, which I used to officially hold [was wrongfully withdrawn with my unrighteous-dominion-based excommunication], I pronounce a blessing upon you.

I bless you with the power and gifts you need to accomplish this task upon which you are embarking (and whatever tasks may yet come your way). I bless you with a 'can-do' attitude that accepts with faith that you will be able to accomplish whatever is presented to your path by God, who is able to do all things. I bless you with the ability to not heed the negative chatter that is thrown at you internally or externally to try and dissuade you from going forward in faith.

As you achieve the all-in, synced up stature, you will have access to all the wisdom and power of God to accomplish what you are called to do, and find great joy and satis-

factor as you do so, and rise above the challenges that are presented.

~~As you~~ You will be able to have access to all knowledge, for by the power of the Holy Christ you may know the truth of all things (Mark 16:5). As you feast on the words of Jesus Christ, they will tell you all things you should do (2 Ne. 32:3,5). As a joint heir of Christ, you will be able to do all the things that Jesus did, and greater. (John 14:12.) You'll be able to heal the sick, raise the dead, cast out devils, cause the blind to see, and the deaf to hear, and to cure all manner of diseases.

Most importantly you'll be able to accomplish that mission for which you are uniquely called and gifted to be able to do for humanity as your part of the body of Christ. You will serve as part of the one body of the Good Shepherd leadership.

People ~~will be~~ and angels will be brought to you when needed to assist, partner with your efforts. You'll be able recognize God's hand in orchestrating these miracles of transformation.

As a joint heir, you are a God, part of the one true God, an anointed Christ.

You will be able to have the vision of-

all download as has been given to prophets of old, including Nephi, Moses, the Brother of Jared, Mormon, Moroni, Enoch, Melchizedek, Isaiah. You will be able to have full access to Urim & Thummim capabilities through the Infinite Interface (II) that transmits directly to your mind by the power of God, both information as well as auras, vibrations, and other physical sensations virtually, attenuated to your ability receive. (2 Ne. 30:16-18...) #

This (II) and all ChofFB gifts are governed/filtered^{ed} according to AF13 — the last/omega verse of the scriptures. They can only be used to do good, to bring about righteousness, which is your desire, which is why you become ChofFB.

You will be able to teleport (tp) anywhere (AF13) at the speed of thought, or tp other people/things, with no limit to the size — large as mega galaxy clusters or more; or smaller than sub-atomic structures, all of which you'll be able to perceive clearly via the II. "Anywhere" includes anywhere in the universe, as we become re-engaged with our 10^{49} E.T. Friends — people like us on planets like this.

You'll also be able to communicate with any one of any language via the II, instantaneously translating to/from in the timbre of the voice of the one speaking, including animals & E.T.s

You'll be able to view any time in history, ancient or recent, from any angle or distance, understanding what is being said/communicated. And you will be able to capture/compile those scenes for the benefit of others, at the speed of thought. As soon as you begin making an inquiry, the answer will appear (Isa. 65:24).

(AF13), according to the ability to receive. You'll also be able communicate telepathically, which is much more efficient and whole in velocity and clarity.

Your incoming and outgoing communication requests will be governed by your (/their) guardian angel contingent (who govern your II context) to prioritize and time things optimally, redirecting things as needed.

You'll also be able to use telekinesis to move and do things with your mind (AF13).

You'll also be able to do the shared life review with all the other joint heirs to see each other's life in a moment, including how their life choices affected others for good or ill. You'll also be able to see how their guardian angel contingent interacted with them, as well as demons, and how they ^{ex-}posed to which they ^{heavily} impacted them for good or bad. ^{respectively.} ^{collective} Imagine the wisdom that will come from this!

I also bless you to be able be healed from whatever ails you as you love true to the laws of health. This includes being able to be completely healed from addiction, with no more craving tendencies, having your addictive pathways removed from your mind, replaced with strength in what used to be weak.

I bless you to be able to forgive those who

have offended you, and remember no more the pain, only being able to learn from the memory as a tool for teaching.

I bless you with power to help people repent and embrace their unique missions on life all-in, synced up with divinity.

Along with your healing, once you're all-in, synced up, I bless you ^(506 33:25) to be restored to a youthful, perfected state[^] — resurrection without dying — to be able to love through the Millennium — if that is what you wish, co-reigning as a Christ.

I also bless you with the Protective Karma Shield so that any who seek harm on you will have done to ^{them} you what they tried to do to you — which will have a huge deterrent effect on any others contemplating such things.

I invite you and your spouse to design a dwelling place in the Sky Verue / New Jerusalem, using the **II** to select from many options, ^(AF13) or design it yourself.[^] Once you've done with the design, it will already be built, because our E.T. friends can see the future to know what you wanted, and will have already built it. Remember, that ^{is} available for getting around, so doors, halls, stairs, ^{streets} ~~doorways~~ are optional, for aesthetics. Design the outer ^{appearance} appearance as well. The "surround-

ings" can be whatever you want, via the ~~III~~ (kind of like a green screen, except the ~~III~~ enables all of the environmental sensations at the desired location / setting to be virtually conveyed as if you're there: temp, air flow, aroma, weather, vibrations...).

The ~~II~~ will enable you to remember this blessing, in part or in whole as desired, and will guide in laying full claim to all the blessings.

You'll be able turn on / off the "glory" / glow as wished (AF13), that will emanate from you as a result of these gifts, or attenuate it proportionally.

Likewise, I bless you with the gift of remembering the need to remain humble, realizing that the only way to be truly great is to be truly humble. (Eph. 12:39, 27.) Then can you do all things meet for accomplishing what God puts on your heart to do.

I seal these blessings upon you in the name of Jesus Christ and by the power of the Melchizedek priesthood, contingent on your attaining the all-in, synced up prerequisite ^{for them} being received in full.

When I finished the blessing, ~~she~~ she stood up and gave me a hug. I opened my eyes to see the time, 4:16 and jot down notes about the dream and blessing.
