Me: While video mentioned H.G. outpouring, it doesn't depict it. This morning on CBN, I saw a depiction of a Gen Z revival, spirit outpouring, healings, Baptism. The LDS seem to have none of that vigor.

They can't relate to moves of the Spirit, so it's not depicted in their video of Acts 10:45. Bro. Shaw declared that Church doctrine is that the Holy Ghost can only come after the laying on of hands by one in authority. I said, "There are many instances of Holy Ghost prior to that, e.g. Lamoni." He put up his hand to stop me from talking. After class he warned me that if I go beyond Church teachings, I'll not be allowed to come to Institute. Ch. was on the road 320 days/yr. Today, you're going to hear from some of the most powerful people in the free world. w/o Ch., TPUSA pulled off largest event in TPUSA history. Sawas's guest of honor.

r.c. People/pastors accused Ch. of being too political. Ch. saw politics as an on-ramp for bringing people to Jesus. Called on unbelievers in audience to stand up to accept Jesus into their life. QR code for follow-up. ~10% standing.

12:38
- Rebecca Dunn, (Dunn Foundation, early TPUSA funder): Ch. felt like a son to me. More recently, I was the one looking up to him. At one point, felt like giving up, not making a diff. R.D.: "If we truly believe in freedom, we should never stop trying to defend it." Spurred him on.

r.c. - Tyler Boyer (TP Action, COO) commiserated with Ch. "If we can only figure out how to bring the Holy Spirit into a Tr. rally. Ch. good at recruiting the best talent. Did first rally in Tr. rally history in AZ; TPUSA hosted. Ch., early on, sent image of full stadium. "This is what I want!" Vision fulfilled today.

- Justin Streiff (COO, TPUSA): Ch. refused to let fear keep him from fulfilling vision. Same person in ^{public} person as private. Common sense ^{speed up} [Intuition]. Not his 'job'; his calling [passion]

- Stacey Sheridan (Sr. Dir. of Dev. TPUSA). "He was 'boss' but felt like son. We're going to make TPUSA so big [& good] that it reaches you in heaven. [Bring heaven to earth.]. We have a country to save. TPUSA most important org. in country. We do 'excellent'. [meaning of sterling ☺]

9.4 - Andrew Kolvet (TPUSA spokesman, Exec. Producer) Charlie Kirk show, 15 x

amazing he fit it in each day - favorite, brought a (11) 9/15-21
constant to his life. He read every ^[legit] email. "Campus Tours" were actually
tent revivals. Ch. was a prophet in Biblical sense: called out evil,
repent, be saved; wasn't mean about; kind, loving. We're grateful for
the harvest.

r.c. 12:21 pm
9.5 - Benny Johnson: "Who feels the Holy Spirit in the house tonight?" (cheers)
Revival. I have become a Christ-centered man, (after being alcoholic, un-
married). Full churches, atheists repenting. Bible's Stephen also 31yo martyr.
God established the leaders (US) in audience. God (made) Tr. for
this (time): for protection of good & ~~terr~~ and terror of evil men
['hair on fire' Marxists]. Live out your Am. dream [in the Lord].

Create millions of C.H.s
Pres. candidate, Fmr.
r.c. 9 - Dr. Ben Carson (Am. Cornerstone Institute). Ch. runs circles around people
w/ college degrees, Cleon Skousen's Naked Capitalist exposed Marxists.
I challenge pastors to teach what Bible says, not what (leftists) say
[not becoming as salt that has lost its savor]. Revival coming. You're not
going to be land of the free if not home of the brave.

7.5 - Cong. Anna Paulina Luna (R) FL: no Luna w/o Ch.; was on way to med school.
Ch. as bright as ^[US] Founders [brighter], and JFK [brighter], MLK [brighter]
His legacy has just begun.

9.6 - Jack Posobrec (Sr. Ed. Human Events) (holding cross/rosary). Moses led children
of Issr. to promised land, did not go in himself. Ch. has brought us to promised
land [r.c. lets us in, w/o rock bottom collapse]. ^[Marxist] Leftist ugliness revealed
by Ch.'s assass.; answered by goodness. We will overcome their evil. Western
civilization was saved (thanks largely to Ch.) by returning people to Almighty
Love. Continue the mission; put on full armor of God.

< worship music played between each speaker, e.g. "It is well with my soul",
"Great is thy faithfulness" >
1:47 pm (music)

(^{he} was 25 feet away) Ch. died instantly. Eriska is a force to be reckoned with.

- Performed one of Ch's fav. songs, video of Charlie...

(12)

"He (God) is with you, he is for you". Isa. 6:8 send me.

r.c.

Bill Montgomery to Ch: "You're going to start an org. that will change the world". This is God's mercy on our country. You're doing something that is bigger than you.

- Sergio Gior (Dir. ~~Per~~ Pres. Personnel Office). Ch. would text out a daily verse. He was funny, cared deeply. Countless individuals in key [national leadership] roles[^] because of C.U.

8.9

- Stephen Miller (WH Deputy Chief of Staff). Dedicate to finishing victory. stand for good, virtuous, noble vs. wickedness, envy.

8.8

- Shazie Wiles (WH Chief of Staff). Worked w/ Ch. last few years. Most powerful youth movement in our time. Love God, fam., country. He made the^(Nov. 7 '24) winning diff. Carry mission forward
2:34 pm

9.8

- Tucker Carlson. This (full stadium in honor of Ch.) is the most amazing thing I've ever seen. (Ch. is about:) Jesus, telling truth. (Left said:) "Let's just kill him. That will work." (laughs). Bringing gospel to country, calling for them to repent. Only real solution is Jesus; begins w/ repentance. Forgive (1) self, (2) others. Recognize how fallen we are. No hate in Ch's heart ("that person needs Jesus"). Presence in this room. Like turning fork.

r.c.

- <Intermission?> NTD host: "I didn't realize his impact."

9.3

- Tulsi Gabbard (DHI). Ch. lived what Founders envisioned. Spoke with calm courage. Mantra: "God, let me be used for your ~~own~~ will." ^[Marxists] In[^] trying to silence Ch., his voice is now louder than ever. We have as our ambition to be pleasing to God. We all need to be as Ch.: truth, common sense, learn, speak. (God?) Don't be afraid; I am with you. He's in each one of our hearts. Say: "God, my life is yours". Now is time to step into the arena.
2:55 pm

9.6

- Marco Rubio (Sec. of State). Go ^{many} (all of you) to college campuses to teach greatness of Am., badness of Marxism. Highest calling: successful marriage,

raise productive children. Unbelievable how much Ch. ^{Daily} (13) 9/15-21

knew; his wisdom was uncanny. Entire cabinet is here.

r.c. Ch. had great impact, (esp.) on young men. God incarnated to dwell with (his people) was crucified, on 3rd day arose, then ate with disciples (proving he was not a spirit). (Thanks to him, if we repent) we're freed from sin. New heaven & earth coming. [These are the nation's top leaders saying all this!]

9.5 - ^{3:03 pm (mus2)} Pete Hegseth (Sec. of War). "There is a God; it's not us." [Actually, The scripture invites us to become joint heirs. "Ye are Gods" (Ps. 82:6...)]

r.c. We're all in Charlie's church today. Ch. lit our country on fire for Christ. This point is the turning point for the USA. Waged war w/ fear, mfc, truth, love. Went into the darkest places, was the light. Ch. wanted to go to West Point, big plans. God had even bigger plans. Kirk means "church". His death was our nation's ^{martyrdom} gain. Put on full armor of God on w/ a smile. Put Christ at the center of your life. "Well done, good & faithful servant. Ch., we'll take it from here."

- <Mush w/ Tr. in glass room>

- <KJZZ the only MSM station carrying this>

9.6 - Robert F. Kennedy, Jr. (HHS). Overarching passion, devotion to God.

r.c. Only by surrender to God can God take over. Changed trajectory of history. Social media hacks into reptilian brain — overcome by spiritual fire. "Say what we mean without saying it mean." Take best qualities, integrate into our character. I want to live more like Charlie; packed a Bible. A lot of things worse than dying: lose Constitution, freedom. Those of us who knew Charlie have best evidence of love of God.

9.5 - ^{3:16 (mus2)} DJT, Jr. Ch's relationship w/ Christ most memorable. <Had to go to pill line>. We are all Charlie. Not surrender, Not back down. You are not alone. This movement is your home. Reject propaganda of fake news. Best days ahead [if we repent]

r.c. - Commentary (during music). Proving to be historic. Christian music. Turned football stadium into a church. [with the ministers being the nation's leaders.] (14)

9.8. 3:32 PM
r.c. - J.D. Vance (VP). Today we speak with/for Ch. louder than ever. Instead of a funeral, we've had a revival. (Ch's most important message: Jesus Christ, King of Kings. Ch. lived truth. It's not what you say but how you live your life. He devoured ideas that made world great. Loved country with courageous intensity. Best days ahead [if we repeat] The whole administration is here. Without him, we would not (have won). Save country together. How he treated people every day: staffers, President. Story of a WH staffer struggling; Ch. prayed with them. "I've always felt a little uncomfortable talking about faith publicly. I've talked more about Jesus in past 2 weeks than entire life. "We've watched slander, worse of humanity; evil still among us. Address head on for the sickness it is. Remember, for every hateful voice there are thousands mourning with us. Pray for friends & enemies. Put on full armor of God; get back to work. Talk about God's love of whole human fam. Better to — than — (~3 very good contrasts). Never cower, remain on feet defending truth. Ch's a hero to us, martyr for Christian faith. We love you.

10 - Erika Kirk (widow, new Trump CEO & chair) God bless all of you for coming from all over the world to honor my Ch. Ch. spoke about submission to will of God. Isa. 6:8 send me. "God will take you up on that." I've received so much comfort from "Thy will be done" (sentiment). In seeing^{his} body, felt shock, horror, heartache didn't know existed. Single gray hair. Saw faintest smile on his lips. Great mercy from God — didn't suffer. Nothing could have been done to save him [except miracle, but Ch. was slated to martyrdom]. (He died) fighting for truth, gospel. He blinked, and saw the Savior in

paradise. All the heavenly my stories were revealed (15) 9/15-21 Daily
to him. Usha Vance's comforting words. & God's love has been
revealed. (In response to assass.:) We saw: no violence, no rioting,
no revolution. We saw revival, people opening Bible for first time,
go to church for first time. & 'Welcome' to those who made
decision to (repent, change). Believers: shepherd those people.
Water the seed of their faith. Break free of temptations &
shackles. Not easy, not supposed to be. Take up cross. & Though
Ch- was taken far too early, he was ready to die; no regrets.
100% what he could do every day. & Our marriage & family
were beautiful, still are. Love notes, every Sat. "Let me know
how I can better serve you as a husband." ♂ Accept Ch's
challenge to be true manhood. Love your wives, lead them,
protect children. Be spiritual leader worth following. Your wife
is not your servant or employee. Helper, not rival. One flesh
working together for glory of God. I was Ch's confidant,
most trusted advisor. I prayed I could be the wife he needs
me to be. Women: be virtuous. Guard heart. Everything
you do flows from it. Home was a sacred landing place for
Ch. Didn't make him feel guilty for being late, too long (away).
No keeping score. We were a team. Same mission. Task the Lord
prepared for him. & My marriage was the best thing that happened
to me. Joy. Everyone can. Could talk endlessly about it. & Ch- passion-
ately wanted to save lost boys of West: no purpose, no direction,
no ~~jump~~ → better life for taking. My husband Ch. wanted to save
young men just like the one who took his life. {applause} On
cross, Savior: "Father forgive them, for they know not what they do."
(That young man, gathering composure) I forgive him. (tears; standing ovation w/ tears)
The answer to hate is not hate, but love — away from misery
& sin. & Honor to be new CEO of TPUSA. I do not

take that lightly. His mission is my mission. Will (16)

~~was~~ (2) 10x through power of his ministry. Campus events will continue... I love you (Ch.), I will make you proud.

- Pres. Trump. This is like an old-time revival. Ch: "We have a country to save." master builder. [NOT def. "H1129 builder..." 1129 = "Charlie Kirk" ASCII sum]. Ch. (catalyzed) MAGA & MATHA announcement a year ago in AZ, (w/ RFK, Jr endorsement). TPUSA "Jangernaut." # (Re Ersha Forgiving T.R.) "I can't stand my opponent. Ch. looking down [conscience], 'No!'" Ch: "God, use me for your will." Met w/ menacing hate. Fire alarms. One event had to build barricade. We're going to find out whose paying for this violence. <cheers> Violence comes largely from left. The ones we worry about are the ones who are quiet. # Ch. overcome w/ emotions when we won Nov. 5 [Look of knowing satisfaction on his face, appreciating God's grace made manifest.] # That (assassin's) bullet was aimed at all of us. Ch's message is bigger & better than ever. God willing, T.R. will receive death penalty. [God wills that he repents, like Saul → Paul.] Need a spiritual reawakening [including of Tr, embracing full gospel, including love enemies, forgive, (along w/ justice for non-repentant)] Bring God back. # Ch. would be so pleased to hear his colleagues giving glory to God. Prayers for a miracle have already happened (vigils around the world, prayer). We're saving our country [by repentance]. He (Ch) changed history. He's gone from speaking at campuses to kneeling at the throne of God. # TPUSA will become bigger, better, stronger than ever before.

- After commentary: Nothing short of transcendent. This was a declaration of Jesus today. There was a time when it was quiet and the audience started singing a worship song in unison. [I'd like to know more about this.]

KSL ~ 9:50 pm Did not mention Ersha forgiving - Very poor / scant coverage. [NT def. "666 absent"]
ABC ~ 9:00 seconds [horrible] [salt (Lake City) has lost its savor]
