Scripture Analysis of 3:3 (33) - Joseph  
Westbrook's Fav. Number (March 3, 1997 Death & Back)

Feb. 6<sup>17</sup>, 2026

This article is a follow-up to yesterday's article titled, "A Blessing for Joseph Westbrook (Dream)". I recommend you read that one first to more fully appreciate this one. The other ~~six~~ <sup>five</sup> before that would also help give valuable context to this present article/study, starting w/ the 2/1 "7-y.o. Joseph Westbrook was Hit by Van Going 45 mph; Brought Back from Death; Fully Recovered." Also, be sure to read the 2/4 piece, "Joseph Westbrook Comes Back from Hanging Self in Forest." That one occurred when my celly was 19. The Van incident occurred ~~on~~ on March 3, ~~2017~~ <sup>1997</sup>, making "33" Joe's favorite number (because of the heaven-and-back experience and the subsequent recovery). It's why he goes by the nickname <sup>name</sup> "Super". Those two numbers play prominently in this article.

Here's my sequential walkthrough of 3:3, starting in Genesis, through Revelation. (©2016 Gideon International Bible)

Picture Joe up on his bed reading these, the outloud, thoughtfully.

Gen. 3:3 "but God said, 'You shall not eat of the fruit of the tree that is in the midst of the garden, neither shall you touch it, lest you die.'" [Joe relates this to his drug use, possibly other things, e.g. fornication.]

Exo. 3:3 "And Moses said, 'I will turn aside to see this great sight, why the bush is not burned.'" [Joe will see great things, has seen great things. "Not burned" is an acronym for the 19-yr suicide attempt delivery with rope smoking where it had been severed.]

- Lev. 3:3 [I'll skip over instances that seem to have low relevance. Maybe later a strong resonance may arise <sup>or be noticed.</sup>] [As I was closing the book, I noticed the page number: 105, which is our cell number presently.] [the first line, at the end of <sup>that</sup> the page, from this verse seems relevant.] metaphorically.] "And from the sacrifice of the peace (p. 106) offering..." [we're seeking to bring in the Millennial reign of Christ.]
- Num. 3:3 [is on p. 142 - my glucometer reading a couple of hours ago. A low-level synchronicity, but worth note.] God is in the details.]
- 1 Sam. 3:3 "The lamp of God had not yet gone out" [though Joe is entrenched in the gangsta, drug<sup>+</sup> life in prison, he still shows bright sparkles of spiritual light. He wants to be good, is sucked back down by his demons.] ... "Then the Lord called Samuel, and he said, 'Here ~~am~~ I am.'" [Joe is hearing God's call.]
- Ruth 3:3 [Earlier today, Joseph asked <sup>if I could</sup> ~~when I'm going to~~ wash his feet. (He washed mine the day after he arrived. It was a sacred experience. When I <sup>"read"</sup> read this verse (again) in Ruth 3:3, in this context, it took on new meaning.)] "Wash therefore and anoint yourselves, and put on your cloths..." [We had a sacred experience. I washed his feet 3x w/ soap & water, each <sup>time</sup> more clean (less lint until nothing), then put lotion on his feet, while he read from the gospels about Jesus washing feet, to the end of John, including Jesus eating fish with the disciples. Synchronistically, for maybe the second time ever in the 10 years I've been down, my at all (vegetarian) tray had fish (breaded) with the rice & coleslaw. So we were able to eat a common meal together. We had a wonderful prayer before the meal, acknowledging God's hand in how things have unfolded in the past week, both taking turns praying.]

- 1 Kings 3:3 "Solomon loved the Lord, walking in the statutes of David his father, only he sacrificed and made offerings at the high places." [As good a king as Solomon was, he had his down sides, too - doesn't make it okay. We're call to rise above all this with God's help.]
- Job 3:3 [mentioned yesterday, spurred Joseph to tell me his suicide story (#saved Fran)] "Let that the day perish on which I was born, and the night that said, 'A man is conceived.'"
- Ps. 3:3 [applies to all the Lord's people] "But you, O Lord, are a shield about me, my glory, and the lifter of my head." [These correlations help.]
- Prov. 3:3 "...write them on the tablet of your heart." [Synchronicity: As I was reading that, J. at door said (to someone outside the door), "You got a tablet?"]
- Jer. 3:3 "...you refuse to be ashamed." [keeps justifying his sins, convictions, procrastinating repentance]
- (Jer. 33:3) "Call to me and I will answer you, and will tell you great and hidden things that you have not known."
- Lam. 3:3 "surely against me [God] he [Joseph] turns his hand [e.g. drug exchanges] again and again the whole day long." [Pretty much captures what I've seen being his celly.]
- Ezk. 3:3 [Seems to despise my recording/composing his stories.] "And he said to me, 'Son of man, feed your belly with this scroll that I give you and fill your stomach with it.' Then I ate it, and it was in my mouth as sweet as honey." [Great stories]
- Dan. 3:3 [Everyone is doing it:] "Then the satraps, the prefects, and the governors, the counselors, the treasurers, the justices, the magistrates, and all the officials of the provinces gathered for the dedication of the image that King Nebuchadnezzar had set up." [Idolatry. God's people are to choose a better, holy way, worshipping only the God of Israel ("It's 478 & he shall rule as God: - Israel")]
- Amos 3:3 "Do two walk together, unless they have agreed to meet?" [Joseph and I pre-arranged to be cellies, before fore we were born.]
- Jonah 3:3 "So Jonah arose and went to Nineveh, according to the word of the Lord. Now Nineveh was an exceedingly great city, three days journey in breadth." [(And ~~the~~ Nineveh repented and was not destroyed at that time.) Joe is foreordained to help cry repentance, to help me bring about the repentance clause o (r.c.) of prophecy in these end times.]

- Nahum 3:3 "Horsemen charging, flashing sword and glittering ~~spear~~ spear, hosts of slain, heaps of corpses, dead bodies without end — they stumble over the bodies!" [It's what the r.c. averts.]
- Habakkuk 3:3 "God came from           , and the Holy One from           . Selah. His splendor covered the heavens, and the earth was full of his praise." [the heavens and the earth will rejoice over what Joseph and me and all the joint ~~heirs~~ heirs (pendrag) will be able to do, with God, as joint heirs.]
- Zech. 3:3 "Now Joshua was standing before the angel, clothed with filthy garments [pre 2/6/2026 broken heart, contrite spirit → cleansing, forgiving, new heart] 4 And the angel said to those who were standing before him, 'Remove the filthy garment from him.' And to him [Joseph] he said, "Behold, I have taken your iniquity away from you, and I will clothe you with pure [is the meaning of sterling] vestments."
 

< end of 3:3 for now, from Aileen. Joseph took it with him when he left because I put a safety on him for physically threatening me because I ~~flushed~~ <sup>washed</sup> his saboxin he had drying on his tray lid down the sink while he was sleeping. He'd given me permission yesterday to be his <sup>"conscience"</sup> ~~"conscience"~~. When he asked what happened to the saboxin, and I told him, <sup>saying,</sup> ~~I said~~ "Your conscience has legs." That pissed him off. I'd crossed a line. And his getting threatening me crossed a line for me. He did write an apology letter, and he almost took all the articles I'd written about him, with him (he said in the note). >
