

666 Harbingers

To me, it has seemed for decades like we (society) are on the brink of the "reign of the beast" prophesied e.g. in Dan. 7 & Rev. 13. I see it as the kingdom of Satan on earth that arises because the saints neglect to stand up for freedom and against the Marxist conspiracy to bring Satan's kingdom into power over the whole earth. They don't usually word it that way, but that's what it is.

One of the main appeals of their socialist / communist agenda is worded concisely in Moses 4:1, 3 "I will redeem all mankind, that one soul shall not be lost" but ~~with~~ by force (of govt.), not choice/agency. Absolutely, yes, we should take care of the needy. But it should come voluntarily, not at the point of the government gun/force/laws. Christians often fail to identify this distinction and become pawns of Satan by looking to govt. to address these needs. All of this ^(paradox) is supported extensively in the scriptures. Pro-freedom, not force.

The BoFM generally depicts, prophetically, this conspiracy as seeking for power and gain. But my fav. ref., Eth. 8:25 depicts a more sinister side. Jesse Kelly talks about these aspects very well — far better than any other radio or TV host I know of.

(2)

"25 ... whoso buildeth it up seeketh to ^Aoverthrow
the Freedom of all lands, nations, and countries;
and it bringeth to pass the ^Cdestruction of all peo-
ple, for it is built up ^Eby the devil, who is the fath-
er of all lies..."

Some of the key take-aways here are ^{that:} (A) it's anti-free-
dom, pro-captivity (like all sin); (B) it's global in scope;
(C) it's advocates seek destruction (D) of everyone (includ-
ing themselves)—it's suicidal ^(E)by the Father of suicide-
satan; and (F) lies are its modus operandi — propaganda,
narratives, gaslighting, calling evil good and good evil.

Jesse makes an excellent point as to a remedy for
preventing youngsters from getting sucked into the Marxist
philosophies: gratitude. Teach your children to be grateful.
Marxists are malcontents. Depression comes from a lack of
gratitude—including being grateful for challenges/diffi-
culties. Depression ~~unresolved~~ unresolved leads to suicide/
death.

Last night, I had a synchronicity of several
things that point to us being on the very brink of that
666 reign of the beast coming into power over hu-
manity—if we don't sufficiently repent (r.c.).

①

It started at around 10:42 pm. I had fallen
asleep while listening to KNRS (105.9 FM). I started
waking up as Clyde Lewis was being possessed on
his Ground Zero program, ~~for the F~~ It was super
~~easy~~ eerie. I could feel Satan trying to possess me

as I was listening, coming to consciousness. It turns out he was re-playing an earlier event, then stopped the replay and resumed commenting on it, which is when the satanic aggression subsided.

I'm not surprised that this happened. His daily intro says "welcome to the darkness; I hope you'll find it 'enlightening'." - in an eerie voice. I thought he played this ^{daily intro} to identify what we're fighting against. However, his going voice to that actually invited the very thing he claims to be opposing.

I stopped listening, and don't think I'll ever listen to his show again, despite some great material. He's crossed a line in re-playing that dark episode. I'll be writing to KNRS to suggest they remove GO from their daily line-up.

- (2) Right after that, I plugged my ear buds into Newsmax 2, which was playing. It was ^{the} Laveithal Report show with Ed Henry and someone else as guests. They were talking about the Epstein files and their suppression by Pres. Tr. admin. ⁽³⁾ A bottom marquee line ^{had} made a statement ~~about~~ about Fox news being afraid to cover the Epstein topic. The feeling I got was that at its core, Epstein and crew were deeply entrenched in Satanism and ritualistic abuse (and are very good at covering their tracks). The feeling I had listening/watching and reading that text was close to how I had felt when Clyde

④

was possessed.

In the 666 context, this brings to my realization that the reign of the beast will be essentially a global "possession" for 3.5 years, if we don't evoke the repentance clause (r.c.) to avert it.

④

That (on NM2) was followed by a great quote by Ronald Reagan about ~~the~~ America's role being to stand firm against evil. That's why the Marxists focus so strongly on trying to bring down America. As long as she stands with God, they ^{can't} accomplish their objective. That's why they promote moral degeneracy, to demoralize the country.

That principle (that we'll prevail as long as we're ^{founded on} rooted in Christ) is articulated in Ether 2:11, 12 (by Moroni, who saw our day in vision). Verse 11 is one of the best r.c. verses.

"11 And this [BoFM, with its record of the Lehites and Jaredites] cometh unto you [us], O ye Gentiles, that ye may know the decrees of God—that ye may repent, and not continue in your iniquities until the fulness [rock-bottom collapse] come, that ye may not bring down the fulness of the wrath of God upon you as the inhabitants of the land [Lehites & Jaredites] have hitherto done.

12 Behold, this is a choice land [U.S.A.], and whatsoever nation shall possess it shall be free from bondage,

and from captivity, and from all other nations under heaven, if they will but serve the God of the land, who is Jesus Christ, who hath been manifested by the things which we have written."

* That remedial sentiment is also expressed in the verse following Ether 8:25 cited above.

"26 Wherefore, I, Moroni, am commanded to write these things that evil may be done away, and that the time may come that Satan may have no power upon the hearts of the children of men, but that they may be persuaded to do good continually, that they may come unto the fountain of all righteousness [includes Jesus but also HM & HFITF] and be saved. [by becoming all-in, synced up, joint heirs]"

⑤ After reading seeing/hearing the Reagan quote, I went to the toilet and noticed that all the toilet paper was gone. I hadn't noticed earlier ~~that~~ ^{no} last night that a new methodology had commenced. Rather than have a large box of TP delivered to the section and stored in shelves under the sink area, from now on, each week, each inmate will be given two rolls each, in exchange for two cores from the previous week. All I had in my desk area was maybe 1/8" of a roll — close to empty. I thanked God for this independent witness of being on the brink of the scarcity that accompanies the reign of the beast — if we don't pull off the r.c. (which I see us being very close to actualizing/materializing).

⑥

Those five, independent witnesses to this us being on the brink of destruction, appeared over the course of around 15 minutes. Strong synchronicities. All harbingers of the same thing as I've explained here.
