Singapore Flight SQ321 Turbulence in Alphabets Bible Code

by Sterling D. Allan, 228033, USCF

May 24, 2024

The severe/deadly turbulence that occurred on the flight from London to Singapore^{on May 21(?)}, as breakfast was being served while flying over Myanmar, on the plane that seats 211, with 18 crew; going up, then dropping 6,000 feet, put over 100 passengers in the hospital, many with spinal injuries, and others with head injuries, from slamming into the ceiling, then coming back down on the seats. One passenger died of a heart attack in the incident.

Having seen amazing Alphabets (AB) synchrony with other recent events, I thought I'd see what I'd find in looking up the 321 flight number. In seeing the resonance, and wondering why this would show up in the code, what comes to mind is that this serves as a harbinger of the sudden societal and unexpected societal collapse if we don't repent sufficiently as a civilization.

New Testament (NT) def. G 321 has these meanings that tie in well to the chaotic turbulence incident. [My commentary in square brackets.]

- G 321 αραγα αναγο; to lead up [jet first lurched up, before dropping down, plunging passengers to the

ceiling]; to bring out [several passengers taken out on back-boards / stretchers]; to sail away [it was near the ocean by Myanmar] [air craft in this case] :- bring (again, forth, up again [after dropping 6k ft.]), depart [from London], launch (forth) [into the ceiling], lead (up) [in the air], loose [seat belts not fastened], offer [serving breakfast], take up [flight]...

OT def. H 321 also has some relevance.

- H 321 other [unusual, extraordinary]
- H 322 backward [syn, like being up-side-down]

Page 321 of the BoFM relates strongly to the har-binger phenomenon. It spans Alma 45:11b-22a, opening?

"people of Nephi [parallel U.S.] shall become extinct [if they don't repent].

12 Yea, and this because they shall dwindle in unbelief and fall [turbulence] into the works of darkness, and lasciviousness, and all manner of iniquities; yea, I say unto you, that because [if] they shall sin against so great light and knowledge... [their destruction & captivity results]

15 And now it came to pass that... Alma... blessed the earth for the righteous' sake.

16 And he said, Thus saith the Lord God - Cursed shall be the land, yea this land [America], unto

every nation, kindred, tongue, and people, into destruction, which do wickedly, when they are fully ripe; For this is the cursing and the blessing of God upon the land...

When I turned to Strong's '07, I inverted the number inadvertently to p. 123, which opens with the relevant ^{turbulence-}synonym, "Buffeted." This illustrates the transposition relevance after seen in AB.
